The Great Deception Spiritual Restoration:

Speak Your Healing from the Homosexual Deception Bonnie M. Egglehand, 2014-10-08 The lies of homosexuality dissipate because a life of purity in Christ Jesus decidedly removes the homosexual deception Each step toward Jesus brings us closer to His image and we are changed We emerge free to be exactly whom Father God created us to be Leaving all secrets with honesty and transparency before God and man forgiving ourselves and all abusers we emerge in our true identity with a heterosexual desire This desire for the opposite sex is as natural as apple pie Leaving the judgments the facades the sins and all idols the stark truth remains Our true identity is found in Jesus Christ alone *Major Spiritual Warfare and Deliverance Ministry Principles* Eric Gondwe, 2006-11-11 255 pages Please note This is the Second Edition of the book Third Editions are now available in two separate books one on Spiritual Warfare Principles and another on Christian Deliverance Principles Third editions are extensively revised and updated versions due to reader recommendations on additional content To go to the third editions please click on the author's name above or click on the appropriate book title link above depending on which page you're on [Restoring the Altar in Days of Apostasy](#) Riaan Engelbrecht, 2023-01-19 More than ever we live in the reality of 2 Thessalonians 2 which refers to the great falling away or rebellion The Greek word translated as rebellion or falling away in verse 3 of the Scripture is apostasia from which we get the English word apostasy It refers to a general defection from the true God the Bible and the Christian faith In such perilous times of deception and spiritual corruption a great need exists to seek the Lord to follow His will to obey His truths and to follow His narrow path of holiness To restore the altar is truly to be a living sacrifice in service of God a servant who will not compromise with the world and who seeks to only glorify God above all *Faith, Conflict, and Resolution: Navigating The Great Controversy between Good and Evil* Keith Hudson Muloongo, 2025-05-06 In a world of spiritual confusion and relentless conflict Faith Conflict and Resolution offers a beacon of clarity and hope Drawing from the timeless insights of The Great Controversy this book delves into the cosmic battle between good and evil revealing how ancient truths illuminate modern struggles Through scholarly yet accessible prose the author unpacks key themes the centrality of Scripture the dangers of complacency and the transformative power of discernment Readers will explore how historical events prophetic fulfillments and personal faith intersect equipping them to navigate life's storms with courage and conviction But this is more than a theoretical exploration it's a call to action Each chapter provides practical steps for applying biblical principles to everyday challenges With its unique blend of pastoral wisdom and theological depth the book makes ancient doctrine relevant for today offering readers not just knowledge but actionable wisdom Beware the sirens of superficial faith fixating on hollow debates not Scripture's depths True discernment demands looking beyond tradition pride and half truths Critics may mock vigilance dismissing prophecy spiritual discipline or the cosmic conflict itself as relics or folly But complacency shipwrecks more souls than storms We sail past the sirens of superficiality here the rocks are real but so is the lighthouse Engage with humility test every

insight against Scripture and the Holy Spirit's whisper or risk drifting into the very deceptions the book warns against. Whether you're a seasoned believer seeking deeper understanding or a curious seeker exploring faith for the first time, *Faith, Conflict, and Resolution* will inspire you to live with purpose, stand firm in truth, and joyfully anticipate Christ's return. The stakes of The Great Controversy are eternal; choose wisely lest you anchor in shallow waters while the tempest rises. *Let Laodicea Now See* John Ingraham B.Th., 2021-01-13. An opinionated people, a shamefully naked church, an arrogant, prideful people, wretched and despicable in behavior, and above all, a spiritually blind church. Regrettably, this is how Revelation chapter 3 describes the seventh church, Laodicea. This book is a highly recommended exegetical commentary on the seventh named church spoken about in the book of Revelation. It identifies many of the parallels between the historical church and the church today. The book focuses primarily on the apparent blindness of some facets of the church that can be evidently confirmed in the interpretation of end-time prophecy. With earnest prayer and fasting, Bishop John Ingraham has devoted himself to a meticulous study of eschatological events for over twenty years. Primarily, he believes interpretation of prophecy is by divine revelation from the Spirit of God and by proper exegetical analysis of scripture. *Let Laodicea now see* examines several popular teachings on end-time events in the light of scripture. I pray that after this book would have been read, eyes will have been anointed with the eye salve of truth, the word of God, and Laodicea will now see. *To And From Crack To Christ: A Sinner In Recovery* Anonymous Sinner, 2018-08-07. As a child, I was brought up in church and taught Christian values. These valuable lessons would prove useful later in my life. As I looked for a way out of a bad situation I was in, due to bad decisions that I had made, questioning my self-worth as a child, I turned away from the church, trying to find a place to fit in. Not realizing the extent of how much I did not know at the age of twelve, I started to get lost in the world of drugs and alcohol. My addictions became stronger as I got older and experienced a life where not all things worked the way I hoped they would. While my addictions went from drinking beer and smoking marijuana to smoking crack and drinking anything available, a place to fit in became more of a place of isolation for me, as I no longer felt comfortable being around most family members if I had something stronger than just a few beers. This was in most cases when I would get high with other addicts or alone because for me, a drink was always better with crack. At least that was the lie I would tell myself along with the lie that my problem wasn't that bad. Finally, after thirty years of addiction, on June 6, 2006, I hit my rock bottom, but I remembered what I had learned as a child about a power above all other powers. I prayed to the highest power, and God, my Father in heaven, made a way for me to get into a drug and alcohol treatment program. I went through the program and took what I needed from it with the understanding that words also have power. Because of my faith and what I had learned in church as a child, I refuse to put the words of man. Addicts suffer from a disease for which there's no cure, above the word of God. You are more than a conqueror, Romans 8:37, and By his stripes you are healed, 1 Peter 2:24. I do not believe that Jesus died for me and rose from the dead with power over all things except an addiction. I believe He came to conquer ALL sin so that all lost

sinner who believed in Him and worked on building a personal relationship with Him could be recovered when He returned

After the Abuse, After the Recovery, Now What?..Moving On With Your Life Dr. Dorothy E. Hooks, PsyD, 2017-04-16 In this book Dr Dorothy E Hooks explains the importance of seeking God BEFORE you decide to go into another relationship leading to marriage Dr Hooks understands that we all want someone to love and for that person to love us in return However we cannot give in to the desires of our flesh we must be led by the Holy Spirit because the flesh will profit us nothing If you allow the flesh to lead you you will find yourself back into abusive nonproductive relationships God has delivered you healed you and restored you from the previous abusive relationship or marriage NOW What Are you going to throw that away by giving in to the desires of your flesh God forbid This book will help you to not be deceived again by your flesh or by the enemy

Seventh Thunder: Restore My Authority Over Cities Jeffrey Allen, Donna M. Allen, 2006-08 Radical Restoration in the Church Jay R. Leach, 2015-01-23 ONE GENERATION FROM EXTINCTION There is a drastic shift in the national culture and churches today which if not countered can make Christ extinct in one generation In the midst of this shift many Christians have become confused and are blurring their kingdom mission biblical worldview and life of godliness Meanwhile recent research reflects some 2 billion people in the world who have never heard the saving gospel of Jesus Christ and billions more caught up in false religions In the shift many Christians individually and corporately are failing in their responsibility to pass on the faith wisdom and godly example to the next generation Failure to do so in one generation will remove Christ and Christianity from the next generation s To meet this challenge we must radically restore the faith see Jude 3 for the final hour Restore agape love for God and others in the Church Restore and teach a true biblical worldview in the Church Restore biblical salvation and a daily walk with Christ in the Church Restore total dependence upon the Holy Spirit in the Church The secular worldview secures more Christian casualties daily But by His divine power God has given us all things that pertain to a life of godliness see 2 Peter 1:3 *Preaching the Word with John Chrysostom* Gerald

Bray, 2020-05-20 Learn from the early church s greatest preacher John of Antioch later called Chrysostomos golden mouth preached over 600 extant sermons He was one of the most prolific authors in the early Church surpassed only by Augustine of Hippo His example and work has inspired countless Christians through the ages In *Preaching the Word with Chrysostom* through a combination of storytelling and theology Gerald Bray reflects upon 1 500 year old pastoral wisdom from one of church history s most prolific Christ centered preachers Chrysostom s eloquent preaching and influence on Christian teaching left a legacy that is still recognized today The *Lived Theology* series explores aspects of Christian doctrine through the eyes of the men and women who practiced it Interweaving the contributions of notable individuals alongside their overshadowed contemporaries we gain a much deeper understanding and appreciation of their work and the broad tapestry of Christian history These books illuminate the vital contributions made by these figures throughout the history of the church

share in Divine intimacy and are enabled to fight the good fight against the crosses of bondage with a sure and humble resignation to God's Divine and always Victorious will Reviving the Ancient Faith Richard Thomas Hughes, 1996 This pathbreaking book by Richard T Hughes chronicles the history of Churches of Christ in America from their inception in the early nineteenth century to the 1990s taking full account of the complexity of their origins the mainstream of their heritage for almost two hundred years and their voices of protest and dissent especially in the twentieth century From The Critics Hughes here provides the definitive history of the Churches of Christ from their beginnings in the Stone Campbell movement of the early 19th century through the split with the Disciples of Christ at the turn of the century and all the way into the 1990s Central to this richly detailed and highly readable narrative is Hughes's assertion that this religious movement has evolved from a 19th century sect into a 20th century denomination Choice Because of Hughes's elegant writing and his awareness of the social history surrounding the developing denomination this study transcends mere denominational history and should be read as cultural history It should remain the standard volume on the subject for years to come Publishers Weekly Hughes provides a clear balanced account of an American religious movement that has heretofore received insufficient scholarly attention Journal of American History An excellent denominational history of Churches of Christ Richard T Hughes who admirably balances an empathy born of his lifelong membership in the denomination with the standards of a professional historian labored on this book for a decade and a half and the result is a study both thoroughly researched and clearly written American Historical Review Hughes is the foremost interpreter today of the Churches of Christ as this book illustrates Well written and meticulously documented this book could serve as the definitive history of this movement for a generation Religious Studies Review **The Eschatology of the Restoration of All Things** Mike

Parsons, 2023-05-17 Eschatology is often thought of as describing the end of the world or end times Yet many have begun to conclude that the restoration of all things is an inevitable consequence of who God really is as Love encouraging them to look to the future with optimistic anticipation and expectation Isaiah prophesied no end to the increase of God's government and peace so why are believers still looking for an end Mike Parsons examines the reasons for this confusion exposing the Great Deception that lies behind it and proposing instead a happy eschatology in which all of God's children can recognise and fulfil their eternal destiny Understanding Humanity - The Alignment MIHAI ILIOI, 2025-06-18 Understanding Humanity The

Alignment Humanity's relentless quest for meaning and purpose stretches far beyond individual beliefs or the prevailing opinions of society This journey is rooted in a profound paradox one that is anchored in the timeless fabric of eternity At its core lies an unseen uncreated force an essential energy that underpins every facet of our existence Within the chambers of our human complete consciousness lies the ongoing battle of influence The heart may send impulses of emotion desire or pain to the mind seeking immediate action The spirit on the other hand seeks alignment discernment and divine timing This creates tension within the self consciousness the interface where action is initiated If the mind is not attuned to the spirit it

may default to fulfilling the heart's own demands and in doing so is bypassing the voice of divine wisdom. As sojourners in this temporary manifestation of existence traversing the vast and majestic landscape of life, we are often confronted with profound questions: Who are we? Why are we here? What is the true meaning and purpose of our existence? Some of these questions may remain unanswered in our lifetimes, yet the journey itself—the search, the wonder, and the mysteries of life—should never cease to inspire us to awaken our curiosity and to fuel our deepest desires to seek and uncover truth. The power to freely express one's thoughts is a real transformative force; one that shapes history, ignites change, and empowers humanity. It is the catalyst for innovation, the foundation of wisdom, and the resounding voice of the human spirit yearning to be heard. This book stands as a testament to the courage required to voice one's innermost beliefs, to challenge the status quo, and to inspire others to seek their own truths. To all who embark on the journey of understanding humanity, this book is yours. With heartfelt gratitude to all my readers, your reflections, insights, and feedback are deeply valued and appreciated. Sincerely,
Mihai Ilioi
