The Great Dismal

A Carolinian's Swamp Memoir

With a New Epilogue by the Author

The Great Dismal A Carolinians Swamp Memoir

**Frank Stephenson Jr. & Barbara
Nichols Mulder**

The Great Dismal A Carolinians Swamp Memoir:

The Great Dismal Bland Simpson, 2000-11-09 Just below the Tidewater area of Virginia straddling the North Carolina Virginia line lies the Great Dismal Swamp one of America's most mysterious wilderness areas. The swamp has long drawn adventurers, runaways, and romantics, and while many have tried to conquer it, none has succeeded. In this engaging memoir, Bland Simpson, who grew up near the swamp in North Carolina, blends personal experience, travel narrative, oral history, and natural history to create an intriguing portrait of the Great Dismal Swamp and its people. For this edition, he has added an epilogue discussing developments in the region since 1990. *The Great Dismal* Bland Simpson, 1990-01-01 *The Great Dismal* Bland Simpson, 1993-05-01 Includes personal experience, travel narrative, oral, and natural history of the Great Dismal Swamp. **The Great Dismal** Carole Marsh, 1994 *The Great Dismal Swamp in Myth and Legend*, America's Wetland Roy T. Sawyer, 2010-05-05 The geologically ancient Tidewater region of southeastern Virginia and northeastern North Carolina rests precariously atop millions of years of erosion from the nearby Appalachian Mountains. An immense wetland at near sea level, it is host to every conceivable body of fresh water, ranging from brooding swamps and large hidden lakes to sluggish blackwater rivers and brackish sounds, one of which was so large an early explorer thought he had found the Pacific Ocean. In this engaging book, biologist and Tidewater native Roy T. Sawyer delivers an ecohistory of this unique waterland, whose wind-driven tides cover a rich human and natural past. Jutting prominently into the Atlantic, this wetland is the final stop for the warmth of the Gulf Stream before it is deflected from the American mainland. At the top of a narrow, warm coastal strip, it provides an ideal home for a vast array of animal and plant life, including prodigious numbers of reptiles such as the world's northernmost population of alligators and overwintering waterfowl. It is also home to the oldest known living trees east of the Rocky Mountains. The climate and geography made the area a natural choice for very early human habitation as far back as the last ice age, when the region was a rich oasis just south of a veritable tundra. In examining the impact of humans upon this environment and vice versa, Sawyer reveals how our alarming shortsightedness has produced a fragile and endangered present. Although human manipulation started here as early as ten thousand years ago, coinciding with the extinction of mammoths and other megafauna, the environment has been altered most radically over only the last one hundred years, particularly in regard to land drainage, deforestation, overfishing, and pollution. The author provides an authoritative overview of the human impact on these wetlands and suggests ways in which we might still salvage them. In so doing, he explores the effects of hurricanes, droughts, forest fires, and ice ages of the past and anticipates, in this age of global warming, natural events that may be still to come. **North Carolina Moonshine: An Illicit History** Frank Stephenson Jr. & Barbara Nichols Mulder, 2017-01-09 North Carolina holds a special place in the history of moonshine. For more than three centuries, the illicit home brew was a way of life. NASCAR emerged from the illegal moonshine trade, as drivers such as Junior Johnson, accustomed to running from the law, moved to the racetrack. A host of colorful characters populated the state's

bootlegging arena like Marvin Popcorn Sutton known as the Paul Bunyan of moonshine and Alvin Sawyer considered the moonshine king of the Great Dismal Swamp Some law enforcement played a constant cat and mouse game to shut down illegal stills while some just looked the other way Authors Frank Stephenson and Barbara Mulder reveal the gritty history of moonshine in the Tar Heel State

Maroon Communities in South Carolina Timothy James Lockley, 2021-02-16 A detailed history of communities of escaped slaves who survived in South Carolina swamps Maroon communities were small secret encampments formed by runaway slaves typically in isolated and defensible sections of wilderness The phenomenon began as runaway slaves unable to escape to safe havens in sympathetic colonies opted instead to band together for survival near the sites of their former enslavement In this first survey of documentary records of marronage in colonial and antebellum South Carolina Timothy James Lockley offers students and scholars of history an opportunity to assess the unique features and trends of the maroon experience in the Palmetto State South Carolina's maroon communities were typically formed in dense swamps where self contained communities could remain hidden beyond the commercial interests of white society game could be hunted lands could be adapted for farming and plantations could be reached if needed for raiding and trading Marronage was a persistent problem for planter society in that its success left fully formed runaway slave camps within striking distance of white communities and interactions between these two worlds were often violent In addition maroons often maintained ties to enslaved African Americans on their former plantations creating a web of community that operated outside of white control Lockley surveys eighteenth and early nineteenth century historical sources gathered from newspaper reports court proceedings government and military records correspondence and reward advertisements to illustrate the efforts of white South Carolinians to locate maroon communities defend against raiding parties and kill or capture runaways living in these societies Lockley organizes these documents chronologically dealing first with the origins of marronage then with two surges in maroon activity just before and just after the American Revolution After a lull in marronage at the start of the nineteenth century a final swell occurred during the 1820s These primary documents are augmented by eight maps and by Lockley's introduction and afterword which place the maroon societies of South Carolina in the larger context of marronage in other regions of the New World

City of Refuge Marcus P. Nevius, 2020-02 *City of Refuge* is a story of petit marronage an informal slave's economy and the construction of internal improvements in the Great Dismal Swamp of Virginia and North Carolina The vast wetland was tough terrain that most white Virginians and North Carolinians considered uninhabitable Perceived desolation notwithstanding black slaves fled into the swamp's remote sectors and engaged in petit marronage a type of escape and fugitivity prevalent throughout the Atlantic world An alternative to the dangers of flight by way of the Underground Railroad maroon communities often neighbored slave labor camps the latter located on the swamp's periphery and operated by the Dismal Swamp Land Company and other companies that employed slave labor to facilitate the extraction of the Dismal's natural resources Often with the tacit acceptance of white company

agents company slaves engaged in various exchanges of goods and provisions with maroons networks that padded company accounts even as they helped to sustain maroon colonies and communities In his examination of life commerce and social activity in the Great Dismal Swamp Marcus P Nevius engages the historiographies of slave resistance and abolitionism in the early American republic City of Refuge uses a wide variety of primary sources including runaway advertisements planters and merchants records inventories letterbooks and correspondence abolitionist pamphlets and broadsides county free black registries and the records and inventories of private companies to examine how American maroons enslaved canal laborers white company agents and commission merchants shaped and were shaped by race and slavery in an important region in the history of the late Atlantic world

Poquosin Jack Temple Kirby,2014-12-01 Jack Temple Kirby charts the history of the low country between the James River in Virginia and Albemarle Sound in North Carolina The Algonquian word for this country which means swamp on a hill was transliterated as poquosin by seventeenth century English settlers Interweaving social political economic and military history with the story of the landscape Kirby shows how Native American African and European peoples have adapted to and modified this Tidewater area in the nearly four hundred years since the arrival of Europeans Kirby argues that European settlement created a lasting division of the region into two distinct zones often in conflict with each other the cosmopolitan coastal area open to markets wealth and power because of its proximity to navigable rivers and sounds and a more isolated hinterland whose people and their way of life were gradually and grudgingly subjugated by railroads canals and war Kirby s wide ranging analysis of the evolving interaction between humans and the landscape offers a unique perspective on familiar historical subjects including slavery Nat Turner s rebellion the Civil War agricultural modernization and urbanization

A Desolate Place for a Defiant People Daniel Sayers,2014-11-25 In the 250 years before the Civil War the Great Dismal Swamp of Virginia and North Carolina was a brutal landscape 2 000 square miles of undeveloped and unforgiving wetlands peat bogs impenetrable foliage and dangerous creatures It was also a protective refuge for marginalized communities including Native Americans African American maroons free African Americans and outcast Europeans Here they created their own way of life free of the exploitation and alienation they had escaped In the first thorough examination of this vital site Daniel Sayers examines the area s archaeological record exposing and unraveling the complex social and economic systems developed by these defiant communities that thrived on the periphery He develops an analytical framework based on the complex interplay between alienation diasporic exile uneven geographical development and modes of production to argue that colonialism and slavery inevitably created sustained critiques of American capitalism

Forested Wetlands of the Southern United States ,2001 *General Technical Report SRS* ,1995

The Limits of Tyranny James A. Delle,2015-01-16 The Limits of Tyranny advances the study of the African diaspora and reconsiders the African American experience in terms of dominance and resistance Jacket

American Saint John Wigger,2009-10-01 English born Francis Asbury was one of the most important religious leaders in American history

Asbury single handedly guided the creation of the American Methodist church which became the largest Protestant denomination in nineteenth century America and laid the foundation of the Holiness and Pentecostal movements that flourish today John Wigger has written the definitive biography of Asbury and by extension a revealing interpretation of the early years of the Methodist movement in America Asbury emerges here as not merely an influential religious leader but a fascinating character who lived an extraordinary life His cultural sensitivity was matched only by his ability to organize His life of prayer and voluntary poverty were legendary as was his generosity to the poor He had a remarkable ability to connect with ordinary people and he met with thousands of them as he crisscrossed the nation riding more than one hundred and thirty thousand miles between his arrival in America in 1771 and his death in 1816 Indeed Wigger notes that Asbury was more recognized face to face than any other American of his day including Thomas Jefferson and George Washington

The History of Ornithology in Virginia David W. Johnston, 2003 Host to a large and diverse bird population as well as a long human history Virginia is arguably the birthplace of ornithology in North America David W Johnston s History of Ornithology in Virginia the result of over a decade of research is the first book to address this fascinating element of the state s natural history Tertiary era fossils show that birds inhabited Virginia as early as 65 million years ago Their first human observers were the region s many Indian tribes and later colonists on Roanoke Island and in Jamestown Explorers pushing westward contributed further to the development of a conception of birds that was distinctively American By the 1900s planter farmers naturalists and government employees had amassed bird records from the Barrier Islands and the Dismal Swamp to the Blue Ridge and Appalachian Mountains The modern era saw the emergence of ornithological organizations and game laws as well as increasingly advanced studies of bird distribution migration pathways and breeding biology Johnston shows us how ornithology in Virginia evolved from observations of wondrous creatures to a sophisticated science recognizing some 435 avian species David W Johnston taught ornithology at the University of Virginia s Mountain Lake Biological Station for nearly two decades and has edited numerous ecological studies as well as the Journal of Field Ornithology and Ornithological Monographs

Running from Bondage Karen Cook Bell, 2021-07 A compelling examination of the ways enslaved women fought for their freedom during and after the Revolutionary War

Encyclopedia of North Carolina Nancy Capace, 1999-01-01 The Encyclopedia of North Carolina contains detailed information on States Symbols and Designations Geography Archaeology State History Local History on individual cities towns and counties Chronology of Historic Events in the State Profiles of Governors Political Directory State Constitution Bibliography of books about the state and an Index

Best Creative Nonfiction of the South, Volume II: North Carolina Casey Clabough, Michael Chitwood, 2020-03-02 Best Creative Nonfiction of the South serves as a valuable resource for scholars students writers and general readers interested in creative nonfiction both from specific areas of the South and across the region as a whole This North Carolina volume second in the series contains essays that celebrate and document the Tar Heel state s diverse cultures and geography from the

mountains to the sea The writers included here come from diverse backgrounds generations and artistic traditions and as with most volumes in the series this one indirectly reflects literary changes within the region over time In some cases publisher permissions and other factors have foiled the editors from including the work of deserving writers Nevertheless the abundant literary talent in the state has lessened the impact of the occasional unfortunate omission *America's Natural Places* Stacy S. Kowtko, 2009-11-25 This timely set invites readers to celebrate the most beautiful and environmentally important places in the United States Each of the United States boasts numerous special places that are significant for their biodiversity ecology habitats for rare and endangered species or other qualities that make them unique and worthy of preservation These sites range from nature preserves to state and national parks wildlife areas ecosystems that provide a home to diverse flora and fauna and even scenic vistas The five volumes of America's Natural Places examine over 200 of the most spectacular and important of these places with each entry describing the importance of the area the flora and fauna that it supports threats to the survival of the region and what is being done to protect it Organized by state within regional volumes this encyclopedia both informs the reader about the wide variety of natural areas across the country and identifies places nearby that demonstrate that preserving such treasures is of immediate importance to every U S citizen

The Great Dismal A Carolinians Swamp Memoir Introduction

The Great Dismal A Carolinians Swamp Memoir Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. The Great Dismal A Carolinians Swamp Memoir Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. The Great Dismal A Carolinians Swamp Memoir : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for The Great Dismal A Carolinians Swamp Memoir : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks The Great Dismal A Carolinians Swamp Memoir Offers a diverse range of free eBooks across various genres. The Great Dismal A Carolinians Swamp Memoir Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. The Great Dismal A Carolinians Swamp Memoir Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific The Great Dismal A Carolinians Swamp Memoir, especially related to The Great Dismal A Carolinians Swamp Memoir, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to The Great Dismal A Carolinians Swamp Memoir, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some The Great Dismal A Carolinians Swamp Memoir books or magazines might include. Look for these in online stores or libraries. Remember that while The Great Dismal A Carolinians Swamp Memoir, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow The Great Dismal A Carolinians Swamp Memoir eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the The Great Dismal A Carolinians Swamp

Memoir full book , it can give you a taste of the authors writing style.Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of The Great Dismal A Carolinians Swamp Memoir eBooks, including some popular titles.

FAQs About The Great Dismal A Carolinians Swamp Memoir Books

What is a The Great Dismal A Carolinians Swamp Memoir PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a The Great Dismal A Carolinians Swamp Memoir PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a The Great Dismal A Carolinians Swamp Memoir PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a The Great Dismal A Carolinians Swamp Memoir PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a The Great Dismal A Carolinians Swamp Memoir PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
