JAMES
WESTON LEWIS

A detailed illustration of the Great Fire of London, 1666. The scene is set against a dark blue background. In the center, a large, multi-story building, likely St. Paul's Cathedral, is engulfed in bright yellow and orange flames. Below it, a dense cluster of smaller houses and shops are also on fire, with smoke rising from the roofs. In the foreground, several figures are depicted: some are running, some are carrying buckets, and one is pushing a cart. The overall style is that of a classic children's book illustration, with bold lines and a limited color palette of blue, yellow, and orange.
