The Great Mother A Gospel Of The Eternally Femini:

The Great Mother, a Gospel of the Eternally-feminine Carl Henrik Andreas Bjerregaard,1913 **The Theosophist**,1915 **The Great Mother** Carl H. A. [from old catalog] Bjerregaard,1913 **Masculine Shame** Mary Y. Ayers,2013-03-01 How does the image of the succubus relate to psychoanalytic thought Masculine Shame From Succubus to the Eternal Feminine explores the idea that the image of the succubus a demonic female creature said to emasculate men and murder mothers and infants has been created out of the masculine projection of shame and looks at how the transformation of this image can be traced through Western history mythology and Judeo Christian literature Divided into three parts areas of discussion include the birth of civilization and the evolution of the succubus the image of the succubus in the writings of Freud and Jung the succubus as child killing mother to the restoration of the eternal feminine Through a process of detailed cultural and social analysis the author places the image of the succubus at the very heart of psychoanalytic thought highlighting its presence in both Freud s Medusa and Jung s visions of Salome As such this book will be of great interest to all those in the fields of analytical psychotherapy and psychoanalysis **John's Gospel** Hermann Beckh,2021-11-10 That there is a living stream of Johannine Christianity can no longer be doubted There is now an abundant literature from Rosicrucian and esoteric traditions from the deepest prayer and meditation that addresses the exalted nature of John the Evangelist as expressed through his Gospel Letters and the Book of Revelation Yet it fell to Hermann Beckh to elucidate clearly how the individual known as John became the source of such undying love and wisdom in Christ According to Rudolf Steiner John was the ailing Lazarus called from death to a new life as the disciple Jesus loved Beckh demonstrates how John s invaluable writings were based on personal spiritual knowledge and experience expressing the divine work of the Cosmic Christ on human nature and on the Earth leading far into the future Whilst Beckh s authorship originated within the context of the emerging Christian Community founded in 1922 his profoundly original books could not be confined to its framework Not only could Beckh tackle original texts in Tibetan Sanskrit and Avestan but through his independent vision he was able to establish new links with philosophical Alchemy Jakob B hme Goethe Nietzsche and Novalis He thereby stands with these figures as a co worker in a greater community Having prepared the way with his Mark s Gospel of 1928 John s Gospel could be described as the capstone of Beckh s writings as a triumphant announcement that theology and the study of John s Gospel have finally come of age Appearing here in a freshly revised translation by Alan Stott the current volume is enhanced by a series of valuable addenda that shed further light on Beckh s significant achievements **The Feminine Face of Christianity** Margaret Starbird,2003 Early Christianity was fundamentally egalitarian but later influences conspired to curtail the role of women in the Church This text seeks to reclaim the gender balanced Christianity implicit in the Gospels It takes a historical look at the profound influence of women on the development of the Christian faith and uncovers a wealth of feminine symbols and icons found in Christianity exploring their influence on architecture literature and art *Divinity as*

the Eternal Feminine W. Holman Keith,1960 **The Goddess in the Gospels** Margaret Starbird,1998-10-01 In an era that has reclaimed many aspects of the feminine Margaret Starbird's *The Woman with the Alabaster Jar* stands out as a courageous exploration of the scorned feminine in the Western religious tradition But espousing the marriage between Jesus and Mary Magdalene created a personal crisis for this Catholic scholar In *The Goddess in the Gospels* the author tells how she was guided in her ever deepening study of the New Testament and the gematria number coding of the Greek alphabet by an incredible series of synchronicities that mirror the inner and outer worlds and which reveal the Sacred Marriage of male and female the hieros gamos leading to her own personal redemption **The Virgin Goddess** Stephen Benko,2004 The contemporary search for the feminine face of God requires a re-examination of the relationship of Christianity to the pagan world in which it was born This study inquires into extra-biblical sources of Marian piety belief and doctrine This publication has also been published in hardback please click here for details *Theosophy* Alvin Boyd Kuhn,1930 *Encyclopaedia of the Occult Sciences* A. E. Abbott,1960 *Mary According to Women* Carol Frances Jegen,1985 *Mary According to Women* presents a contemporary study of the woman of Nazareth who changes the course of human history The seven chapters develop familiar titles of Mary in the context of the Vatican II Church particularly its emphasis of justice and peace Following the lead of the second Vatican Council in its historic document *Lumen Gentium* the book develops implications of the Council's treatment of Mary in the mystery of Christ and the Church of one who is truly involved in the lives and struggles of Christians today Significantly the book is written by women whose experience and insight give new perspective to a revitalized appreciation and love of Mary **GRT MOTHER A GOSPEL OF THE ETE** Carl H. Mark's Gospel Hermann Beckh,2021-05-17 Hermann Beckh's masterful study of Mark's Gospel offers much more than scholarly argument It is the work of a true visionary who allows his readers to discover the meaning of the Earth and of humanity for themselves Beckh was in the forefront of entirely new research and recovery of the Gospel writing more for the future than for his own time It is not uncommon for biblical scholars to view St Mark's Gospel as little more than an

assemblage of fragmentary sources and a copy of uncertain early memories The Gospel is said to have little historical veracity harmony or guiding structure Beckh s contemporary the German writer Arthur Drews even argued that the text was nothing more than a simplistic solar myth wherein another Sun hero pursued his way around the Greco Roman constellations Mark s Gospel The Cosmic Rhythm is a response to such twentieth century materialistic thinking He was asked to write the book in the 1920s by the leaders of The Christian Community who sought to rescue the desecrated Gospel from its opponents Inspired by Rudolf Steiner and a vast knowledge of ancient languages Tibetan Sanskrit Pali and Avestan along with Hebrew Greek and Latin the Rev Professor Hermann Beckh perceived how the Gospel reflects God s Everlasting Covenant and meticulously expressed its aesthetic unity the consonance of its parts and its consequent radiant clarity His far reaching understanding of sacred texts in the original languages always associated with the disciplined meditation he had attained from anthroposophy led to unprecedented insight This new edition of his classic study has been revised and redesigned

The Essence of Christianity Bruno Forte,2003 Foreword by Geoffrey Wainwright Postmodern thought has attempted to strip many traditional values and beliefs of their power and the Christian faith is no exception In this spiritually and intellectually wise book Bruno Forte upholds the essence the heart and meaning of Christianity despite the claims of the contemporary world In the tradition of thinkers like Feuerbach Harnack and Guardini Forte restates what is unique reliable and universal about Christianity for our current age After outlining in broad terms the nature of postmodernity and its challenges to traditional faith Forte proceeds with the voice of one intimately in love with God to present anew what lies at the heart of genuine Christianity and why it is still good news for women and men today Among the many books on postmodernism this one is distinct for its conscientious dialogue with postmodern culture and its clear proclamation of meaningful faith It will interest everyone pondering the role of Christianity in contemporary life **The Expository Times**

James Hastings,Ann Wilson Hastings,Edward Hastings,1924 *Parsifal Unveiled* Samael Aun Weor,2025-01-01 When religion becomes artificial art has a duty to rescue it Art can show that the symbols which religions would have us believe literally true are actually figurative Art can idealize those symbols and so reveal the profound truths they contain Richard Wagner Parsifal When religion becomes artificial art has a duty to rescue it Art can show that the symbols which religions would have us believe literally true are actually figurative Art can idealize those symbols and so reveal the profound truths they contain Richard Wagner Parsifal the epic final work by Richard Wagner stunned audiences revolutionized theater and music and set the stage for the decline of modern civilization For more than one hundred years Parsifal has been one of the most controversial dramatic works in the world not only moving the world s top composers and writers to tears and inspiring generations of creative geniuses but it was also admired by Adolf Hitler Wagner s retelling of the myth of the Holy Grail and the knights who protect it showed the secret path to liberation from suffering but no one understood it Wagner himself never explained Parsifal and in his wake thousands of writers critics and artists have attempted to penetrate its mysteries yet have

failed since they were not initiated into the secret tradition it came from Finally in this book by Samael Aun Weor the meaning of Parsifal is fully revealed and the genius and spiritual accomplishments of Richard Wagner are made radiantly clear It is evident by all means and with complete meridian clarity that Wagner was a great initiate an insightful esotericist an authentic Illuminated One Science philosophy art and religion exist within Wagner s Parsifal A new Dr Faust was endowed in this great musician It seems that he had scrutinized very ancient religious scriptures To penetrate within this archaic occultism to delve within the Christic Mysteries to examine the esoteric Buddhism contained within this Wagnerian gospel is precisely what we attempt in this book The year 1914 will always be a memorable date among the remarkable dates of this humanity because of the explosion of the First World War and the simultaneous debut of Parsifal in all the civilized world

The Encyclopedia of Angels Rosemary Guiley,2004 An encyclopedia describing and giving the history of angels from the time when the earth was created forward using texts from Hebrew Arabic ancient and contemporary works The Burning Bush Edward Reaugh Smith,1997-07 Even more significant for Christianity in the long run than the twentieth century Dead Sea and Nag Hammadi discoveries is the growing North American awareness of Rudolf Steiner s works Virtually unavailable until the end of the twentieth century English translations from the German archives are gradually coming into print Both Steiner and his works have thus far been virtually unknown in traditional theological circles No Bible commentary has yet reflected the remarkable spiritual insights of Anthroposophy Now ten years after first encountering a written comment about Rudolf Steiner Ed Smith combines his own extensive traditional biblical knowledge with his years of concentrated study and reflection on hundreds of assembled works by Steiner The result is the first Bible commentary in the light of anthroposophic insight This is the first volume of a series of Bible commentary by the author It is based on the anthroposophic understanding given to humanity by Rudolf Steiner during the first quarter of the twentieth century Bible commentaries have always reflected the general line of thinking of their authors However the dramatic newness of anthroposophic thought means that perhaps the usual method of using a Bible commentary is not appropriate here A large part of The Burning Bush is necessarily devoted to laying an anthroposophic or spiritual scientific groundwork A major assumption indulged in most Bible commentaries that one can go directly to portions dealing with given passages of scripture and understand what is being said about them does not fit
