## **The Great Philanthropists And The Problem Of Donor Intent New Revised Edition:**

**A Gift of Freedom** John Jos. Miller, 2022-03-22 In the 1970s John M Olin one of the country's leading industrialists decided to devote his fortune to saving American free enterprise Over the next three decades the John M Olin Foundation funded the conservative movement as it emerged from the intellectual ghetto and occupied the halls of power The foundation spent hundreds of millions of dollars fostering what its longtime president William E Simon called the counterintelligentsia to offset liberal dominance of university faculties and the mainstream media and to make conservatism a significant cultural force Among the counterintellectuals the foundation identified and supported at key stages of their careers were Charles Murray during his early work on welfare reform Allan Bloom as he wrote *The Closing of the American Mind* and Francis Fukuyama as he was developing his *End of History* thesis Using exclusive access to the John M Olin Foundation's leading personalities as well as its extensive archives John J Miller tells the story of an intriguing man and his unique philanthropic vision He gives fascinating insights into the foundation's role in helping the CIA fund anti Communist organizations during the Cold War and its extensive help to Irving Kristol and others as they moved from left to right to found the neoconservative movement He tells of the foundation's early and critical role in building institutions such as the Federalist Society and the Heritage Foundation which served to transform conservative ideas into national policies **A Gift of Freedom** shows how John M Olin's venture capital fund for the conservative movement helped develop one of the leading forces in American politics and culture

**The Great Philanthropists and the Problem of "donor Intent"** Martin Morse Wooster, 1994

**Global Greens** James M. Sheehan, 1998 Published in 1998 *Global Greens* narrates the story of international environmental groups in world affairs It examines how nongovernmental organizations NGOs work with the United Nations and other international organizations to promote environmentalist policies and treaties To understand many of the current foreign policy controversies it is increasingly important to know how international environmental groups are involved *Global Greens* describes in detail NGO activity at some of the most significant UN environmental conferences through the end of the 20th century including the global warming conference in Kyoto Japan Most of the story is serious but some of it amuses Inside the Kyoto conference hall four men disguised as world leaders play soccer with a large inflatable balloon of the planet activists blanketed the building with propaganda leaflets and a group of grim faced individuals stand solemnly around three ice carvings of penguins begging the little creatures to forgive mankind for permitting the global warming that causes them to melt As recent news developments have confirmed environmental groups have been accomplishing and continue to accomplish their objectives gradually and under a cloak of secrecy Few Americans know that nonprofit organizations staffed by professionals primarily Americans and financed by a mix of private and public funds exercise real power in the conduct of diplomacy and the creation of international policy A global environmental movement is using international agencies to undermine national self government economic freedom and personal liberty *Global Greens* exposes the behind the scenes

efforts of this well funded and ideologically driven force      **Should Foundations Live Forever?** Martin Morse Wooster,1998 A companion to *The Great Philanthropists* and the Problem of Donor Intent author Martin Morse Wooster considers whether the legal life of foundations should be limited to prevent successor trustees from ignoring the donor s intent This volume surveys past congressional attempts to limit foundation perpetuity and offers case studies of donors who have put legal limits on their own foundations setting a termination date and requiring the foundation to pay out all its assets

**Philanthropy and American Higher Education** J. Thelin,R. Trollinger,2014-08-19 *Philanthropy and American Higher Education* provides higher education professionals leaders and scholars with a thoughtful comprehensive introduction to the scope and development of philanthropy and fund raising as part of the essential life and work of colleges and universities in the United States      *American Book Publishing Record* ,2007      **The Congregationalist and Christian World** ,1904

Our Fund ,1929      The Northwestern Miller ,1912      **You've Gotta Have Heart** Cass WHEELER,2009-01-31 We all know that the definition for success in the corporate world is fairly straightforward To be considered great companies first need to turn a profit For organizations in the social sector however the challenge is much bigger To be truly effective they must stay relevant and above all stay true to their mission For the past thirty five years Cass Wheeler has ensured that the American Heart Association has fulfilled its calling to save lives and educate the public about heart disease by adopting some of the same strategies used in the for profit sector In *You ve Gotta Have Heart* he shows people at all levels of a nonprofit how to make sure their hard work really pays off Using examples of some of the American Heart Association and others Wheeler reveals the leadership skills that will help employees volunteers and board members excel at their jobs become good role models and build a more visionary creative and disciplined nonprofit organization Readers will discover why a mission statement is not the same as a sense of mission the characteristics of successful nonprofit leaders how to combine the nonprofit mission with the management lessons of the business world how to define an organization s core values and business model Filled with honest practical and thoughtful lessons from the author s own experience this book will ensure that nonprofits of every size continue to do great and be great      **Bulletin of the World Health Organization** World Health Organization,2008

**The Time for Endowment Building Is Now** Deborah Kaplan Polivy,2020-11-23 *The Time for Endowment Building is Now* Why and How to Secure Your Organization s Future describes endowment contributions both through outright and deferred gift giving It puts the concept of endowment development front and center and explains the steps and mindset that are necessary to create the capacity to build and increase the endowment of an organization The role and responsibility of the executive and the board in encouraging endowment development are described and a chapter is devoted to the identification of endowment prospects not through wealth analysis or major gift giving but by donative history A highlight of the book is a case study of the Harold Grinspoon Foundation s LIFE LEGACY Program that provides training and mentoring as well as incentives to local community based organizations to encourage the building of endowment funds

The book will be particularly appealing to boards and staff members of those not for profit organizations contemplating whether to launch an endowment program or are in the beginning stages of doing so This book will be valuable to veterans in the field considering their policies in relation to the use of endowment contributions as well as the marketing of them to prospects and donors It will also be of interest to those teaching fundraising courses in not for profit management programs
