The Great School Bus Controversy:

The Great School Bus Controversy Nicolaus Mills, 1973-01-01 *Historical Dictionary of School Segregation and Desegregation* Jeffrey Raffel, 1998-10-15 Throughout the nation's history from before the Civil War through Reconstruction across the years of lynchings and segregation to the Brown v Board of Education decision and the battles over busing no issue has divided the American people more than race and at the heart of the race issue has been the conflict over school segregation and desegregation Prior to the Civil War South Carolina enacted the first compulsory illiteracy law which made it a crime to teach slaves to write and other Southern states soon followed South Carolina's example After the Civil War schools for blacks were founded throughout the South including many Historically Black Colleges and Universities The 1896 Plessy v Ferguson Supreme Court decision established the principle of separate but equal education which led to decades of segregation With the 1954 Brown decision the Supreme Court overturned the separate but equal principle and the Civil Rights Act of 1964 empowered the federal government to affect school desegregation The process of desegregation continues to this day with much debate and mixed results Through more than 260 alphabetically arranged entries this comprehensive reference book describes persons court decisions terms and concepts legislation reports and books types of plans and organizations central to the struggle for educational equality The volume covers topics ranging from emotionally laden terms such as busing to complex legal concepts such as de facto and de jure segregation Each entry includes factual information a summary of different viewpoints and a brief bibliography The book includes an introduction which outlines the history of school segregation and desegregation along with a chronology and extensive bibliographic material Thus this reference is a complete guide to school segregation and desegregation in elementary secondary and higher education in the United States

The Great School Bus Controversy, Ed. by Nicolaus Mills Nicolaus Mills, **Just Schools (1979)** Frank Adams, Richard Kluger, Laughlin McDonald, Lorenzo Middleton, Elizabeth Eckford, Chris Mayfield, John Egerton, Mike Masterson, Anne Braden, Robert Coles, Clare Jupiter, R.C. Smith, Randall Williams, Steve Hoffius, Marcia Kunstel, Pat Stevens, Frank Kunstel, Charles Hardy, Mark Pinsky, Linda Williams, David Nevin, Robert Bills, Pamela George, Meyer Weinberg, Leon Hall, James Lyons, Kenneth Clark, Hayes Mizell, Before it was over they fired him from the little schoolhouse at which he had taught devotedly for ten years And they fired his wife and two of his sisters and a niece And they threatened him with bodily harm And they sued him on trumped up charges and convicted him in a kangaroo court and left him with a judgment that denied him credit from any bank And they burned his house to the ground while the fire department stood around watching the flames consume the night And they stoned the church at which he pastored And fired shotguns at him out of the dark But he was not Job and so he fired back and called the police who did not come and kept not coming Then he fled driving north at eighty five miles an hour over country roads until he was across the state line Soon after they burned his church to the ground and charged him for having shot back that night with felonious assault with a deadly weapon and so he

became an official fugitive from justice In time the governor of his state announced they would not pursue this minister who had caused all the trouble and said of him Good riddance A Study of History Arnold J. Toynbee,1947-12-31

Acknowledged as one of the greatest achievements of modern scholarship Arnold Toynbee's A Study of History consists of a ten volume analysis of the rise and fall of human civilizations Contained in two volumes D C Somervell's abridgement of this magnificent enterprise preserves the method atmosphere texture and in many instances the very words of the original

Race and Education, 1954-2007 Raymond Wolters,2008 Retracing Supreme Court decisions on race and education beginning with the Brown v Board of Education decision Wolters distinguishes between desegregation and integration and shows how devastating educational and cultural consequences resulted from subsequent Supreme Court decisions that conflated the two and led to racial balancing policies that have backfired Provided by publisher **Records and Briefs of the United States Supreme Court**,1832 **Minimum Competence, Maximum Choice** Barbara Lerner,1980

Harvie Wilkinson,1981 The Myth of Black Progress Alphonso Pinkney,1984 This book analyses the status of black Americans since the Civil Rights Act of 1964 **Between North and South** Brett Gadsden,2012-10-08 Between North and South chronicles the three decade long struggle over segregated schooling in Delaware a key border state and important site of civil rights activism and white reaction Historian Brett Gadsden begins by tracing the origins of a long litigation campaign by NAACP attorneys who translated popular complaints about the inequities in Jim Crow schooling into challenges to racial proscriptions in public education Their legal victories subsequently provided the evidentiary basis for the Supreme Court's historic decision in Brown v Board of Education marking Delaware as a center of civil rights advancements Gadsden's further examination of a novel metropolitan approach to address the problem of segregation in city

and suburban schools wherein proponents highlighted the web of state sponsored discrimination that produced interrelated school and residential segregation reveals the strategic creativity of civil rights activists He shows us how even in the face of concerted white opposition these activists continued to advance civil rights reforms into the 1970s secured one of the most progressive busing remedies in the nation and created a potential model for desegregation efforts across the United States Between North and South also explores how activists on both sides of the contest in this border state adjacent to the Mason Dixon line helped create perpetuate and contest ideas of southern exceptionalism and northern innocence Gadsden offers instead a new framework in which southern style and northern style modes of racial segregation and discrimination are revealed largely as regional myths that civil rights activists and opponents alternately evoked and strategically deployed to both advance and thwart reform

The African American Experience Arvarh E. Strickland, Robert E. Weems Jr., 2000-11-30 Compared to the early decades of the 20th century when scholarly writing on African Americans was limited to a few titles on slavery Reconstruction and African American migration the last thirty years have witnessed an explosion of works on the African American experience With the Civil Rights and Black Power movements of the 1960s came an increasing demand for the study and teaching of African American history followed by the publication of increasing numbers of titles on African American life and history This volume provides a comprehensive bibliographical and analytical guide to this growing body of literature as well as an analysis of how the study of African Americans has changed
