

The Great Tanks

Major-General J.F.C. Fuller DSO

The Great Tanks:

The Great Book of Tanks David M. O. Miller, 2002 This title for the military enthusiast describes the development of tanks and comments on the major tank battles throughout several wars It contains entries on over 100 major tanks in chronological order and is complemented by historical photographs contemporary action shots and colour profiles *The World's Great Tanks* Roger Ford, 2012-07-18 The World's Great Tanks examines the best tanks to have ever entered combat from the earliest British Mark IVs and Vs to classic World War II tanks such as the Russian T 34 the American Sherman and the German Tiger and Panther tanks to the more modern tanks such as the Abrams T 72 Challenger and Leopard **Tank Warfare** Frank Mitchell, 2000-06-01 Tanks in the Great War, 1914-1918 J. F. C. Fuller, 2023-10-28 In Tanks in the Great War 1914 1918 J F C Fuller provides a detailed account of the development and use of tanks during World War I Fuller delves into the military strategies and innovations that led to the introduction of tanks on the battlefield offering a comprehensive analysis of their impact on the outcome of the war His writing style is both informative and engaging making this book a valuable resource for those interested in military history Fuller's work is situated within the broader literary context of military history scholarship and his expertise on the subject shines through in his meticulous research and insightful commentary The book is a must read for anyone looking to deepen their understanding of the role of tanks in shaping modern warfare J F C Fuller a distinguished military historian and former officer in the British Army brings his firsthand experience and expertise to bear in this authoritative account of tank warfare in World War I His unique perspective and in depth knowledge make Tanks in the Great War 1914 1918 a seminal work in the field of military history

Tanks In The Great War, 1914-1918 [Illustrated Edition] Major-General J.F.C. Fuller DSO, 2014-08-15 Includes more than 30 maps plans and diagrams The world renowned military expert Major General J F C Fuller DSO noted for his many works on military strategy tactics and history turns his attention to the famed Royal Tank Corps of World War I He was in a particularly good position to write such a work as he served from 1916 as part of the Tanks Corps and planned the famous tank attack at Cambrai in 1917 he also took a leading role in the planning of the 1918 autumn offensives that broke the back of German resistance and ended the War He covers in comprehensively the development of the tank mechanical characteristics of early British tanks particularly the Mark I as well as the early battles at the Somme and Ancre He also describes the growth of the Tank Corps itself tank tactics tank engineering plus the tank battles in 1917 1918 There are also appreciations of German French and American tank activities The French Army's Tank Force and Armoured Warfare in the Great War Tim Gale, 2016-03-16 Recent scholarship has challenged the assumption that military commanders during the First World War were inflexible backward looking and unwilling to exploit new technologies Instead a very different picture is now emerging of armies desperately looking to a wide range of often untested and immature scientific and technological innovations to help break the deadlock of the Western Front Nowhere is this better illustrated than in the development of

tank warfare which both the British and the French hoped would give them a decisive edge in their offensives of 1917 and 1918 Whilst the British efforts to develop armoured warfare have been well chronicled there has been no academic study in English on the French tank force the Artillerie Sp ciale during the Great War As such this book provides a welcome new perspective on an important but much misunderstood area of the war Such was the scale of the French tanks failure in their first engagement in 1917 it was rumoured that the Artillerie Sp ciale was in danger of being disbanded yet by the end of the war it was the world s largest and most technologically advanced tank force This work examines this important facet of the French army s performance in the First World War arguing that the AS fought the war in as intelligent and sensible a manner as was possible given the immature state of the technology available No amount of sound tank doctrine could compensate for the fragility of the material for the paucity of battlefield communication equipment and for the lack of tank infantry training opportunities Only by 1918 was the French army equipped with enough reliable tanks as well as aircraft and heavy artillery to begin to exercise a mastery of the new form of combined arms warfare The successful French armoured effort outlined in this study including a listing of all the combat engagements of the French tank service in the Great War highlights a level of military effectiveness within

Tank Warfare Francis Mitchell,1987 Bog om udviklingen og brugen af kampvognen i den 1 Verdensrig 1914 18 Bogen er et optryk af den originale tekst fra 1930 erne og flere af kapitlerne fort ller om en autentisk episode et sted p Vestfronten og som samtidig belyser kampvognen

Tanks In The Great War Pasquale De Marco,2025-07-14 The Panzer IV was the backbone of the German armored forces during World War II It was a medium tank that was produced in greater numbers than any other German tank and it saw action on all fronts The Panzer IV was a reliable and versatile tank that was feared by its enemies This book tells the story of the Panzer IV from its design and development to its combat history It examines the Panzer IV s strengths and weaknesses and it explores the impact that the tank had on World War II The book also takes a close look at the men who crewed the Panzer IVs These men were some of the most skilled and experienced soldiers in the German military and they played a major role in the tank s success The Panzer IV is a fascinating tank with a long and storied history Its story is one of innovation adaptation and ultimately defeat But the Panzer IV remains a symbol of German engineering and military might and it continues to fascinate people to this day Whether you are a history buff a military enthusiast or simply someone who is interested in learning more about one of the most iconic tanks of World War II this book is for you Inside you will find A detailed history of the Panzer IV from its design and development to its combat history An examination of the Panzer IV s strengths and weaknesses A look at the men who crewed the Panzer IVs A discussion of the impact that the Panzer IV had on World War II This book is packed with rare photographs detailed illustrations and firsthand accounts from veterans who served in the Panzer IV It is the definitive guide to this legendary tank If you like this book write a review

Inside the Great Tanks Hans Halberstadt,1997-04 This outstanding history is packed with modern color photography of World War II s best known tanks Among the armored

fighting vehicles covered are the legendary M4 Sherman the most famous tank of WWII the Churchill and Cromwell which battled their way from Normandy to Hamburg the Russian T 34 triumphant over the Germans from Stalingrad to the streets of Berlin and the M60 Patton and Super Sherman which saw fierce fighting in the Middle East The collection even includes a rare German Hetzer a tank destroyer which took its toll on Allied armor in the last months of the War

French Tanks of the Great War Tim Gale,2016-08-31 A detailed history of France s development of tanks and the combat the tanks served in during World War I by an armored warfare expert The French tank corps was an essential part of the French army from 1917 onwards yet its history has been strangely neglected in English accounts of the Western Front Using information derived from the French military archives at Vincennes much of which has never been published in English before author Tim Gale describes the design and development of the tanks the political and organizational issues that arose between the French military and civilian bureaucracy and the record of these pioneering fighting vehicles in combat All the major engagements in which French tanks participated are depicted in graphic detail often quoting directly from recollections left by individual tank commanders of their experience in battle and each operation is assessed in terms of its impact on French tactics in general and on tank tactics in particular The Nivelle offensive and the battles of Malmaison the Matz Soissons and Champagne are featured in the narrative and the actions of the French tanks serving with the U S army are covered too Much of the material in Tim Gale s study will be entirely new to non French speakers The story will be fascinating reading for anyone who is interested in the Great War the French army military innovation and the history of armored warfare Praise for French Tanks of the Great War Gale s book is very easy to dip into Military Modelling It is a wealth of information and I would definitely recommend it Forgotten Weapons

Four-Coupled Tank Locomotive Classes Built by the Great Western Railway David Maidment,2023-06-01 This book is a comprehensive history of all twenty six classes of four coupled tank engines commissioned by the Great Western Railway or built at their Wolverhampton and Swindon Works from the Broad Gauge 2 4 0 and 4 4 0 tanks of the 1840s and 1850s to the well known Collett 0 4 2 branch line engines of classes 48XX later renumbered 14XX and 58XX of the 1930s As well as the Broad Gauge engines the strange looking Covertibles of William Dean a number of experimental one off designs the numerous Wolverhampton 0 4 2Ts of the 517 class and the Swindon built 2 4 0 Metro Tanks are described with where known their allocation and operation The book includes twenty weight diagrams and nearly 300 photographs over 50 in color The four coupled tank engines absorbed by the Great Western from other companies at or before 1923 will be featured in a separate volume to follow

The Great War Ian F. W. Beckett,2014-01-14 The course of events of the Great War has been told many times spurred by an endless desire to understand the war to end all wars However this book moves beyond military narrative to offer a much fuller analysis of of the conflict s strategic political economic social and cultural impact Starting with the context and origins of the war including assassination misunderstanding and differing national war aims it then covers the treacherous course of the conflict and its

social consequences for both soldiers and civilians for science and technology for national politics and for pan European revolution The war left a long term legacy for victors and vanquished alike It created new frontiers changed the balance of power and influenced the arts national memory and political thought The reach of this account is global showing how a conflict among European powers came to involve their colonial empires and embraced Japan China the Ottoman Empire Latin America and the United States

Clash of Chariots Thomas Donnelly,1996 Here in one fascinating volume are the greatest tank battles that changed the course of history Tom Donnelly and Sean Naylor bring these intense battles to vivid life revealing the tactics and operations with rare analytical insight Illustrated with maps and photographs Clash of Chariots is a definitive reference source on tank warfare the machinery and men that redefined the strategies of war in the twentieth century In World War II the epic scale arenas of battle saw the rise and dominance of tanks the frightening efficiency of the German blitzkrieg the savagery of the four year campaign between the Germans and the Soviets and the brilliance of the Allied counteroffensives that won the war In Israel tank units overcame disastrous odds to defend their homeland in two brutal desert wars And most recently in the Persian Gulf American led coalition forces vanquished Iraqi tanks in less than 100 furious hours of ground combat Donnelly and Naylor bring us the entire story of these epic struggles from individual tankers to commanding officers They analyze a variety of tactics and operations what worked and what didn't and look ahead to the future of tank warfare Clash of Chariots is a monument to the most important battles of this century and a resource that no military buff should be without

Tanks in the Great War 1914-1918 (Illustrated) J. Fuller,2018-07-28 Rare edition with unique illustrations The world renowned military expert Major General J F C Fuller DSO noted for his many works on military strategy tactics and history turns his attention to the famed Royal Tank Corps of World War I He was in a particularly good position to write such a work as he served from 1916 as part of the Tanks Corps and planned the famous tank attack at Cambrai in 1917 he also took a leading role in the planning of the 1918 autumn offensives that broke the back of German resistance and ended the War He covers in comprehensively the development of the tank mechanical characteristics of early British tanks particularly the Mark I as well as the early battles at the Somme and Ancre He also describes the growth of the Tank Corps itself tank tactics tank engineering plus the tank battles in 1917 1918 There are also appreciations of German French and American tank activities

Tanks in the Great War, 1914-1918 John Frederick Charles Fuller,1920 This book presents the history of the British Tank Corps and the history of Great Britain's tanks The author summarizes the campaigns of World War I emphasizing the role of the tanks during each of the battles

History of the Great War Based on Official Documents. Order of Battle of Divisions ,1935

Tanks in the Great War 1914-1918 J. J. F. C. Fuller,2018-07-05 The world renowned military expert Major General J F C Fuller DSO noted for his many works on military strategy tactics and history turns his attention to the famed Royal Tank Corps of World War I He was in a particularly good position to write such a work as he served from 1916 as part of the Tanks Corps and planned the famous

tank attack at Cambrai in 1917 he also took a leading role in the planning of the 1918 autumn offensives that broke the back of German resistance and ended the War He covers in comprehensively the development of the tank mechanical characteristics of early British tanks particularly the Mark I as well as the early battles at the Somme and Ancre He also describes the growth of the Tank Corps itself tank tactics tank engineering plus the tank battles in 1917 1918 There are also appreciations of German French and American tank activities Includes unique illustrations

British Fighting Methods in the Great War Paddy Griffith, 2013-07-23 This collection points out the very real and substantial evolution of tactics that went on in response to new warfare and how this had a real effect on the positive performance of the British Army from 1916 onwards

Tanks Michael E. Haskew, 2021-11-02 Tanks features 52 of the best armored fighting vehicles from World War I to the present day Beginning with the prototype Mark V Male in 1917 the book ranges from World War I World War II through the Cold War and up to the highly sophisticated tanks that have seen recent service in wars in the Balkans Caucasus and Middle East From the Soviet T 34 and German Panther tanks of World War II to the M1A2 Abrams Challenger 2 and T 90 of the present day Tanks is an expert examination of the most successful tanks of the past hundred years Each entry is examined over two spreads and includes a brief description of the tank s development and history a color profile artwork photographs key features and specifications tables Packed with more than 200 artworks and photos Tanks is a colorful guide for the military historian and military technology enthusiast

T-34 Wolfgang Fleischer, Anthony Tucker-Jones, 2020-11-23 A wide ranging and detailed account of the design and development of what was arguably the best tank of World War II Miniature Armoured Fighting Vehicles Association Although the Red Army suffered continual heavy tank losses the rugged and reliable T 34 was an immense success story and was ultimately instrumental in turning the tide of the war This photographic history follows the story of this exceptional armored vehicle from its disastrous first action during Operation Barbarossa to its miraculous defense of Moscow its envelopment of the Axis forces at Stalingrad and victory at Kursk and finally the advance to the gates of Warsaw then on to Berlin Packed with a wealth of images including rare archive photographs and photographs of surviving examples this is an extraordinary record of both the tank and its personnel The accompanying text features an in depth technical evaluation outlining the differences in the myriad of models including detailed plans of each type alongside a gripping breakdown of the tank s entire operational history I totally recommend this book for all who love Russian armor or what was one of the hardest and biggest tank battles during World War 2 at Kursk superb book

Armorama A thoroughly definitive study of one of the world s historic engines of war The Army Rumour Service ARRSE This is about as comprehensive as anybody could want in tracing the development production operational deployment and technical elements of the T 34 and its derivatives Whatever you might want to know about the tank is here Supplemented by drawings copious images and tables it is a go to reference book Michael McCarthy battlefield guide

Reviewing **The Great Tanks**: Unlocking the Spellbinding Force of Linguistics

The Great Tanks Introduction

In the digital age, access to information has become easier than ever before. The ability to download The Great Tanks has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download The Great Tanks has opened up a world of possibilities. Downloading The Great Tanks provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading The Great Tanks has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download The Great Tanks. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading The Great Tanks. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading The Great Tanks, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download The

Great Tanks has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About The Great Tanks Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. The Great Tanks is one of the best book in our library for free trial. We provide copy of The Great Tanks in digital format, so the resources that you find are reliable. There are also many Ebooks of related with The Great Tanks. Where to download The Great Tanks online for free? Are you looking for The Great Tanks PDF? This is definitely going to save you time and cash in something you should think about.
