The Secret Train Robber Lee Sturley,2015-05-21 *The Crime of the Century* The biggest train heist in Britain s history *The Great Train Robbery* In the early hours of Thursday 8th August 1963 a fifteen strong gang stole 2 6 million 45 million of today s money from the Glasgow to London mail train at Sears Crossing Buckinghamshire The crime was so epic every single development of the case was followed tirelessly by the press Countless books have since been published and even today films television dramas and documentaries continue to study the smallest of details of one of the most daring and cleverly concocted criminal plans of all time Much of the gang were later captured and paid the price with lengthy jail sentences But 50 years on many still question who the real mastermind behind the plot For years most people accepted that Bruce Reynolds was but is that really the case One man knows the answer and the true identity of the man behind the robbery all too well In this engrossing biography the
