## **The Great War:**

**The Great War** John Howard Morrow, 2004 Includes index bibliography p 333 347     The Rhyme of History Margaret MacMillan, 2013-12-18 As the 100th anniversary of World War I approaches historian Margaret MacMillan compares current global tensions rising nationalism globalization s economic pressures sectarian strife and the United States fading role as the world s pre eminent superpower to the period preceding the Great War In illuminating the years before 1914 MacMillan shows the many parallels between then and now telling an urgent story for our time THE BROOKINGS ESSAY In the spirit of its commitment to high quality independent research the Brookings Institution has commissioned works on major topics of public policy by distinguished authors including Brookings scholars The Brookings Essay is a multi platform product aimed to engage readers in open dialogue and debate The views expressed however are solely those of the author Available in ebook only     **The Great War in History** Jay Winter, Antoine Prost, 2020-12-03 This revised and updated edition of The Great War in History provides the first survey of historical interpretations of the Great War from 1914 to 2020 It demonstrates how the history of the Great War has now gone global and how the internet revolution has affected the way we understand the conflict Jay Winter and Antoine Prost assess not only diplomatic and military studies but also the social and cultural interpretations of the war across academic and popular history family history and public history including at museums on the stage on screen in art and at sites of memory They provide a fascinating case study of the practice of history and the first survey of the ways in which the Centenary deepened and deflected both public and professional interpretations of the war This will be essential reading for scholars and students in history war studies European history and international relations

The Great War Robert Cowley, 2004 The great war or the First World War as most Americans call it was the true turning point of the century just past It brought down dynasties and empires including the Ottoman one of the roots of our present difficulties It changed the United States from a bumptious provincial nation into a world power It made World War II inevitable and the Cold War as well Above all the Great War was history s first total war an armed conflict on a world stage between industrialized powers Robert Cowley has brought together the thirty articles in this book to examine that unnecessary but perhaps inevitable war in its diverse aspects A number of the subjects covered here are not just unfamiliar but totally fresh Who originated the term no man s land and the word tank What forgotten battles nearly destroyed the French Army in 1915 How did the discovery of a German naval codebook bring the United States into the war What was the weapon that for the first time put a man made object into the stratosphere The Great War takes a hard look at the legend of the Massacre of the Innocents at Ypres in 1914 an event that became a cornerstone of Nazi mythology It describes the Gallipoli campaign as it has never been described before from the Turkish side Brought to life as well are the horrors of naval warfare as both British and German sailors experienced them at the Battle of Jutl the near breakdown of the American commander John H Pershing and the rarely told story of the British disaster on the Tigris River in what is now Iraq Michael

Howard chronicles the summer of 1914 and the descent into a war that leaders were actually more afraid to avoid than to join John Keegan writes about the muddy tragedy of Passchendaele in 1917 Jan Morris details the rise and fall of Sir John Fisher whom she characterizes as the greatest British admiral since Nelson Robert Cowley tells the haunting story of the artist K the Kollwitz determined to create a memorial to her dead son In every way this is a book that does justice to the drama and complexity of the twentieth century s seminal event From the Hardcover edition **The Great War 100** Scott Addington,2014 The author uses infographics to communicate different history lessons about World War I [The Great War](#) D. E. Marshall,1988 **The Great War** Peter Hart,2013 The Great War was the first truly global conflict and it changed the course of world history Empires fell others were crippled and new contenders emerged Economies crashed and millions would be affected by the Depression that followed Understanding The Great War is crucial to understanding the history of the twentieth century and the present day In this magnum opus critically acclaimed historian Peter Hart examines the conflict in every arena around the world in a history that combines cutting edge scholarship with vivid and unfamiliar eyewitness accounts from kings and generals and ordinary soldiers He focuses in particular on explaining how technology and tactics developed during the conflict and determined which battles were crucial to its outcome Combatants from every corner of Earth joined the fray but their voices are rarely heard together This is a major history of the conflict whose 100th anniversary is fast approaching *The Myth of the Great War* John Mosier,2011-03-29 Based on previously unused French and German sources this challenging and controversial new analysis of the war on the Western front from 1914 to 1918 reveals how and why the Germans won the major battles with one half to one third fewer casualties than the Allies and how American troops in 1918 saved the Allies from defeat and a negotiated peace with the Germans **Europe's Last Summer** David Fromkin,2007-12-18 When war broke out in Europe in 1914 it surprised a European population enjoying the most beautiful summer in memory For nearly a century since historians have debated the causes of the war Some have cited the assassination of Archduke Franz Ferdinand others have concluded it was unavoidable In Europe s Last Summer David Fromkin provides a different answer hostilities were commenced deliberately In a riveting re creation of the run up to war Fromkin shows how German generals seeing war as inevitable manipulated events to precipitate a conflict waged on their own terms Moving deftly between diplomats generals and rulers across Europe he makes the complex diplomatic negotiations accessible and immediate Examining the actions of individuals amid larger historical forces this is a gripping historical narrative and a dramatic reassessment of a key moment in the twentieth century **The Great War** Hunt Tooley,2015-11-30 This revised and updated introduction to World War One crosses the boundaries of national histories to examine the various connections between the 400 mile long Western Front and the home fronts of the UK France Germany Canada Australia and the USA Incorporating recent research Hunt Tooley rethinks the patterns of war society culture and politics in the early twentieth century *A Brief History of the Great War* Carlton Joseph Huntley Hayes,2015-06-24 Excerpt

from A Brief History of the Great War The following pages constitute a connected story of the late war from its origins to the conclusion of the Peace of Versailles not for the edification of experts military or other but rather for the enlightenment of the general reader and student A definitive history of the war will never be written it is much too early of course even to attempt it All that the author has here essayed to do is to sketch tentatively what seem to him its broad outlines domestic politics of the several belligerents no less than army campaigns and naval battles and in presenting his synthesis to be guided so far as in him lay by an honest desire to put heat and passion aside and to write candidly and objectively for the instruction of the succeeding generation The author is under special obligation to Messrs Dodd Mead and Company for the kind permission which they have accorded him of drawing freely upon the articles on The War of the Nations which he wrote in 1914 1915 and 1916 for their invaluable New International Year Book In the opening chapter of the present work the author has also incorporated a few paragraphs from the last chapter of his Political and Social History of Modern Europe to which in a way the Brief History of the Great War is supplementary About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

**The Story of the Great War (Complete)** Various Authors, What lesson will America draw from the present Great War Must she see the heads of her own children at the foot of the guillotine to realize that it will cut or will she accept the evidence of the thousands which have lain there before Will she heed the lesson of all time that national unpreparedness means national downfall or will she profit from the experience and misfortunes of others and take those needed measures of preparedness which prudence and wisdom dictate In a word will she draw any valuable lessons from the Great War This is the question which is so often asked As yet there is no answer It is the question uppermost in the minds of all those who are intelligently interested in our country's welfare and safety It is the question which vitally concerns all of us as it concerns the defense and possibly the very existence of our nation The answer must be Preparedness If we are to live preparedness to oppose the force of wrong with the strength of right Will it be That s the question Or will America drift on blind to the lessons of the world tragedy heedless of consequences concerned with the accumulation of wealth satiated with a sense of moral worth which the world does not so fully recognize planning to capture the commerce of the warring nations and expecting at the same time to retain their friendship and regard Let us hope that in the light of what is and as a preparation against what may be the answer will be characteristic of a great people peaceful but prudent and foreseeing that it will be thorough carefully thought out preparedness preparedness against war A preparedness which if it is to be lasting and secure must be founded upon the

moral organization of our people an organization which will create and keep alive in the heart of every citizen a sense not only of obligation for service to the nation in time of war or trouble but also of obligation to so prepare himself as to render this service effective An organization which will recognize that the basic principle upon which a free democracy or representative government rests and must rest if they are to survive the day of stress and trouble is that with manhood suffrage goes manhood obligation for service not necessarily with arms in hand but for service somewhere in that great complex mass which constitutes the organization of a nation s might and resources for defense organization which will make us think in terms of the nation and not those of city State or personal interest organization which will result in all performing service for the nation with singleness of purpose in a common cause preparedness for defense preparedness to discharge our plain duty whatever it may be Such service will make for national solidarity the doing away with petty distinctions of class and creed and fuse the various elements of this people into one homogeneous mass of real Americans and leave us a better and a stronger people Once such a moral organization is accomplished the remaining organization will be simple This will include an organization of transportation on land and sea and of communications An organization of the nation s industrial resources so that the energy of its great manufacturing plants may be promptly turned into making what they can best make to supply the military needs of the nation By military needs we mean all the complex requirements of a nation engaged in war requirements which are many of them requirements of peace as well as of war It will also include a thorough organization of the country s chemical resources and the development thereof so that we may be as little dependent as possible upon materials from oversea At present many important and essential elements come from oversea nations and would not be available in case of loss of sea control

**The Story of the Great War, Volume 6** Churchill, Miller, and

Reynolds, 2016-02-19 World War I WWI or WW1 also known as the First World War or the Great War was a global war centred in Europe that began on 28 July 1914 and lasted until 11 November 1918 More than 70 million military personnel including 60 million Europeans were mobilised in one of the largest wars in history Over 9 million combatants and 7 million civilians died as a result of the war including the victims of a number of genocides a casualty rate exacerbated by the belligerents technological and industrial sophistication and the tactical stalemate caused by trench warfare a grueling form of warfare in which the defender held the advantage It was one of the deadliest conflicts in history and paved the way for major political changes including revolutions in many of the nations involved The war drew in all the world s economic great powers assembled in two opposing alliances the Allies based on the Triple Entente of the United Kingdom British Empire France and the Russian Empire versus the Central Powers of Germany and Austria Hungary Although Italy was a member of the Triple Alliance alongside Germany and Austria Hungary it did not join the Central Powers as Austria Hungary had taken the offensive against the terms of the alliance These alliances were reorganised and expanded as more nations entered the war Italy Japan and the United States joined the Allies while the Ottoman Empire and Bulgaria joined the Central Powers The

trigger for the war was the assassination of Archduke Franz Ferdinand of Austria heir to the throne of Austria Hungary by Yugoslav nationalist Gavrilo Princip in Sarajevo on 28 June 1914 This set off a diplomatic crisis when Austria Hungary delivered an ultimatum to the Kingdom of Serbia and entangled international alliances formed over the previous decades were invoked Within weeks the major powers were at war and the conflict soon spread around the world On 28 July the Austro Hungarians declared war on Serbia and subsequently invaded As Russia mobilised in support of Serbia Germany invaded neutral Belgium and Luxembourg before moving towards France leading the United Kingdom to declare war on Germany After the German march on Paris was halted what became known as the Western Front settled into a battle of attrition with a trench line that would change little until 1917 Meanwhile on the Eastern Front the Russian army was successful against the Austro Hungarians but was stopped in its invasion of East Prussia by the Germans In November 1914 the Ottoman Empire joined the Central Powers opening fronts in the Caucasus Mesopotamia and the Sinai Italy joined the Allies in 1915 and Bulgaria joined the Central Powers in the same year while Romania joined the Allies in 1916 followed by United States in 1917 The Russian government collapsed in March 1917 and a subsequent revolution in November brought the Russians to terms with the Central Powers via the Treaty of Brest Litovsk which constituted a massive German victory After a stunning German offensive along the Western Front in the spring of 1918 the Allies rallied and drove back the Germans in a series of successful offensives On 4 November 1918 the Austro Hungarian empire agreed to an armistice and Germany which had its own trouble with revolutionaries agreed to an armistice on 11 November 1918 ending the war in victory for the Allies By the end of the war the German Empire Russian Empire Austro Hungarian Empire and the Ottoman Empire had ceased to exist National borders were redrawn with several independent nations restored or created and Germany's colonies were parceled out among the winners During the Paris Peace Conference of 1919 the Big Four Britain France the United States and Italy imposed their terms in a series of treaties The League of Nations was formed with the aim of preventing any repetition of such a conflict This however failed with economic depression renewed European nationalism weakened member states and the German feeling of humiliation contributing to the rise of Nazism These conditions eventually contributed to World War II

The Great War and the Anthropocene, 2024-11-04 This volume places the Eastern especially the Austro Russian fronts of the Great War centre stage examining the little known environmental and spatial dimensions in the history of the war The focus is particularly on the Austrian crown land of Galicia which was transformed from a neglected periphery into a battleground of three imperial armies and where for the first time nature was a key protagonist The book balances contributions by emerging and established scholars and benefits from a multi language approach expertise in the field and extensive archival research in national archives Contributors are Hanna Bazhenova Gustavo Corni Iaroslav Golubinov Kerstin Susanne Jobst Tomasz Kargol Alexandra Likhacheva Oksana Nagornaia David Novotny Christoph N bel Gwendal Pi gais Andrea Rendl Kamil Rusza a Nicolas Saunders Kerstin von Lingen Yulia Zherdeva

and Liubov Zhvanko      *The Great War in Verse and Prose* Gilbert Murray, Arthur Conan Doyle, Edmund Gosse, Theodore Roosevelt, Rudyard Kipling, Bliss Carman, Woodrow Wilson, Henri Louis Bergson, Henry John Cody, 2023-10-24 The anthology *The Great War in Verse and Prose* offers a profound exploration of World War I through an unparalleled amalgamation of literary forms showcasing the range from heart wrenching poetry to incisive prose This collection underlines the diverse experiences and interpretations of a conflict that reshaped the world presenting a tapestry of emotions and thoughts from different cultural and national perspectives The significance of standout pieces lies not in their individual authors but in their collective ability to capture the zeitgeist of an era marked by unprecedented turmoil and transformation The contributing authors and editors including notable figures such as Gilbert Murray Arthur Conan Doyle and Henri Louis Bergson bring to the table a rich background of literary historical and political involvement Their collective contributions highlight various facets of the war from heroism to tragedy and align with significant literary and cultural movements of the time This assemblage of viewpoints offers a unique lens through which to examine the socio political landscape of the early 20th century enriched by the personal insights and scholarly expertise of its contributors Reading *The Great War in Verse and Prose* is an invitation to traverse the emotional and intellectual breadth of World War I through a mosaic of literary expression For scholars students and general readers alike this anthology presents a unique opportunity to engage with the wars multifaceted impact exploring themes of heroism loss and the quest for meaning in a changed world The collection not only educates but also fosters a deeper understanding and dialogue between the diverse voices and narratives that define this pivotal moment in history      *Harlem's Rattlers and the Great War* Jeffrey T. Sammons, John H. Morrow, Jr., 2015-09-26 When on May 15 1918 a French lieutenant warned Henry Johnson of the 369th to move back because of a possible enemy raid Johnson reportedly replied I m an American and I never retreat The story even if apocryphal captures the mythic status of the Harlem Rattlers the African American combat unit that grew out of the 15th New York National Guard who were said to have never lost a man to capture or a foot of ground that had been taken It also in its insistence on American identity points to a truth at the heart of this book more than fighting to make the world safe for democracy the black men of the 369th fought to convince America to live up to its democratic promise It is this aspect of the storied regiment s history its place within the larger movement of African Americans for full citizenship in the face of virulent racism that Harlem s Rattlers and the Great War brings to the fore With sweeping vision historical precision and unparalleled research this book will stand as the definitive study of the 369th Though discussed in numerous histories and featured in popular culture most famously the film *Stormy Weather* and the novel *Jazz* the 369th has become more a matter of mythology than grounded factually accurate history a situation that authors Jeffrey T Sammons and John H Morrow Jr set out to right Their book which eschews the regiment s famous nickname the Harlem Hellfighters a name never embraced by the unit itself tells the full story of the self proclaimed Harlem Rattlers Combining the fighting focus of military history with the insights of social commentary

Harlem's Rattlers and the Great War reveals the centrality of military service and war to the quest for equality as it details the origins, evolution, combat exploits and postwar struggles of the 369th Central Postal Directory. The authors take up the internal dynamics of the regiment as well as external pressures, paying particular attention to the environment created by the presence of both black and white officers in the unit. They also explore the role of women in particular the Central Postal Directory of the 369th as partners in the struggle for full citizenship. From its beginnings in the 15th New York National Guard through its training in the explosive atmosphere in the South, its singular performance in the French army during World War I and the pathos of postwar adjustment, this book reveals as never before the details of the Harlem Rattlers' experience, the poignant history of some of its heroes, its place in the story of both World War I and the African American campaign for equality and its full impact.

The Sherwood Foresters in the Great War 1914-1919 (WWI Centenary Series) W. C. C. Weetman, 2016-03-10 The book is not intended in any way to be a literary effort. All that has been attempted has been a simple narrative of our doings for the use primarily of persons connected with the Battalion. My main endeavour throughout has been to secure accuracy, but it will be understood that in sifting the mass of material placed at my disposal, errors may have crept in. I trust, however, that these are few. This book is part of the World War One Centenary series, creating, collating and reprinting new and old works of poetry, fiction, autobiography and analysis. The series forms a commemorative tribute to mark the passing of one of the world's bloodiest wars, offering new perspectives on this tragic yet fascinating period of human history. Each publication also includes brand new introductory essays and a timeline to help the reader place the work in its historical context.

*History of the Great War, 1914-1918* Carlton J. H. Hayes, 2017-06-05 Self-interest was the dominant note of the years immediately preceding the outbreak of the Great War. In economics and in politics, among individuals, social classes and nations, flourished a self-interest that tended more and more to degenerate into mere cynical selfishness. There was no international organization. There was no general authority for the determination of disputes and for the regulation of world interests. There were, at the opening of the twentieth century, some fifty states, in theory absolutely independent, sovereign and equal. In fact, the fifty were very unequal, and even the strongest among them was not strong enough to maintain its independence should the others unite against it. Yet each proceeded to act on the assumption in most cases that it was self-sufficient and that its own self-interest was its supreme guide.

Carlton J. H. Hayes *The Story of the Great War (Vol. 1-8)* Various Authors, 2023-11-15 The multi-volume anthology *The Story of the Great War* offers an extensive examination of World War I, capturing the complex tapestry of human experience during one of history's most devastating conflicts. Through a diverse range of narratives, essays and personal accounts, this collection weaves together the political, social and military dimensions of the war, all presented in a rich literary style that balances meticulous research with heartfelt storytelling. The varied perspectives, including frontline soldiers, nurses and civilians, serve to provide a comprehensive view of the war's multifaceted impacts on lives and nations, situating the narrative within the broader historical context of early 20th-century global

upheaval Composed by various esteemed authors including historians journalists and soldiers this anthology reflects the diverse influences that shaped early 20th century literature and historical writing Each contributor brings unique insights shaped by their personal experiences or scholarly pursuits resulting in a collaborative work that not only seeks to inform but also to evoke empathy and understanding for those who lived through the war The book illustrates a collective effort to process the trauma and consequences of a world irrevocably altered by conflict I highly recommend The Story of the Great War to both history enthusiasts and general readers interested in understanding the complexities of World War I Its accessible yet profound narrative style invites readers to engage with the past offering a thorough exploration that will resonate with anyone seeking to grasp the depth of human resilience and tragedy in the face of unparalleled adversity     **A**

## **The Great War Introduction**

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading The Great War free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading The Great War free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines

also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading The Great War free PDF files is convenient, it's important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading The Great War. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether it's classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading The Great War any PDF files. With these platforms, the world of PDF downloads is just a click away.

## FAQs About The Great War Books

**What is a The Great War PDF?** A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a The Great War PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a The Great War PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a The Great War PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobat's export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a The Great War PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without

significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
