Stalin's Apologist S. J. Taylor,2020-02-21 Short unattractive hobbling about Stalin s Moscow on a wooden leg Walter Duranty was an unlikely candidate for the world s most famous foreign correspondent Yet for almost twenty years his articles filled the front page of The New York Times with gripping coverage of the aftermath of the Russian Revolution A witty engaging impish character with a flamboyant life style he was a Pulitzer Prize winner the individual most credited with helping to win the U S recognition for the Soviet regime and the reporter who had predicted the success of the Bolshevik state when all others claimed it was doomed But as S J Taylor reveals in this provocative biography Walter Duranty played a key role in perpetrating some of the greatest lies history has ever known Stalin s Apologist deftly unfolds the story of this accomplished but sordid and tragic life Drawing on sources ranging from newspapers to private letters and journals to interviews with such figures as William Shirer and W Averell Harriman Taylor s vivid narrative unveils a figure driven by ambition whose early success reporting on Bolshevik Russia he was foremost in predicting Stalin s rise to power established his international reputation fed his overconfident contempt for his colleagues

and indeed led him to identify with the Soviet dictator Thus during the great Ukrainian famine of the early 1930s which Stalin engineered to crush millions of peasants who resisted his policies Duranty dismissed other correspondents reports of mass starvation and though secretly aware of the full scale of the horror effectively reinforced the official cover up of one of history s greatest man made disasters Later he took the rigged show trials of Stalin s Great Purges at face value blithely accepting the guilt of the victims He believed himself the leading expert on the Soviet Union and his faith in his own insight drew him into a downward spiral of distortions and untruths typified by his memorable excuse for Stalin s crimes You can t make an omelet without breaking eggs Taylor brilliantly captures the full range of Duranty s astonishing life from his participation in the Satanic orgies of Aleister the Beast Crowley to his dramatic front line reporting during World War I to his epic womanizing and heavy drug and alcohol abuse It is the bitter ironic story of a man who had the rare opportunity to bring to light the suffering of the millions of Stalin s victims but remained a prisoner of vanity self indulgence and success *The Ultimate Resource 2* Julian Lincoln Simon,1998-07-21 Rev ed of The ultimate resource by Julian L Simon published Princeton N J Princeton University Press c1981

Contesting the Moral High Ground Paul T. The Experience of Expatriate English Language Teaching David B. Wilson,2025-05-24 This is a unique applied linguistic study which demonstrates that the history of TEFLers is very different from the history of TEFL Instead of studying

theories of language learning and teaching it explores the experience of being a TEFLer through the ages using a wide range of fictional and fictive sources novels plays biographies memoirs essays and poems Part One considers the present and recent past through an analysis of 15 fictional works and five memoirs Part Two is concerned with the experiences of some historical iconic figures from the world of TEFL beginning with the sixteenth century and ending with figures associated with the British Council and International House Along the way one meets Victorian governesses Berlitz teachers and literary figures from the inter War Golden Age of travel Interposed are some of the experiences of the author garnered during his long and varied career as an expatriate TEFLer Shaw A M Gibbs,1990-06-14 **Not Seeing Red** Stephen

Karetzky,2002 In Not Seeing Red Stephen Karetzky examines American librarianship s attitude towards the Soviet Union from the Russian Revolution through the Cold War While focusing on the years 1917 through 1960 the work includes an overview of the subsequent period ending with Gorbachev s rise to power Karetzky s study concentrates on leaders of the library profession in the United States but also deals with American educationists as well as librarians in Britain and other countries Conversion Malcolm Muggeridge,2005-02-18 From the book What is a conversion The question is like asking What is falling in love There is no standard procedure no fixed time No Damascus Road experience has been vouchsafed me I have just stumbled on like Bunyan s Pilgrim falling into the Slough of Despond locked up in Doubting Castle terrified at passing through the Valley of the Shadow of Death from time to time by God s mercy relieved of my burden of sin but only alas soon to acquire it again From my earliest years there was something going on inside me other than vague aspirations to make a name for myself and a stir in the world something that led me to feel myself a stranger among strangers in a strange land whose true habitat was elsewhere another destiny whose realization would swallow up time into Eternity transform flesh into spirit knowledge into faith and reveal in transcendental terms what our earthly life truly signifies In November 1982 Malcolm Muggeridge was received into the Roman Catholic Church an event which attracted much attention and curiosity To Malcolm Muggeridge it signified a sense of homecoming of picking up the threads of a lost life Malcolm Muggeridge well known around the world in the latter part of the twentieth century as a journalist writer and media figure is still remembered as a vociferous unbeliever for a great part of his career But always he had had an awareness that another dimension existed that there was a destiny beyond the devices and desires of the ego and that earthly life could not be the end This book first published in 1988 and the last of his writing to be published in his lifetime is a personal statement of the history and development of his religious beliefs An important section relates to Mother Teresa of Calcutta latterly beatified and with expectations to becoming a Saint Her influence was perhaps the most powerful force leading this deeply thinking man to God and to the Roman Catholic Church He describes also the effect upon him of meetings with Alexander Solzhenitsyn a man whom he considers to be one of the greatest prophets of our time with a profound spiritual message for our turbulent world This moving testimony is not about the mechanics of becoming a Roman Catholic Rather it is about a series of happenings

occasions of enlightenment that led one spiritually troubled man to find God It is a statement of belief which will fascinate all who are interested in the workings of the human mind and will inspire all who seek the Truth
