The Gray Sea Raiders Gordon D. Shirreffs, 1961 *Black Ships and Sea Raiders* Jeffrey P. Emanuel, 2017-12-20 The end of the Bronze Age in the Eastern Mediterranean was a time of social political and economic upheaval conditions reflected in many ways in the world of Homer's *Odyssey* Jeffrey P Emanuel examines the *Odyssey*'s Second Cretan Lie xiv 191-359 in the context of this watershed transition with particular emphasis on raiding warfare maritime technology and tactics and the evidence for the so called Sea Peoples who have been connected to the events of this period He focuses in particular on the hero's description of his frequent raiding activities and on his subsequent sojourn in the land of the pharaohs and connections between Odysseus' false narrative and the historical experiences of one particular Sea Peoples group the Sherden of the Sea

Action Front! And The Gray Sea Raiders Gordon D Shirreffs, 2022-08-02 Gordon D Shirreffs master of the Western action novel turns his keen wit and skill toward two distinctly captivating tales of the American Civil War told through the eyes of the young men who were duty bound to serve their country In *Action Front* At Gettysburg on the hot and heavy first day of battle Battery B known as Crispin's Bulldogs faces not only the fierce rebel lines but disastrous panic in a huge wheel horse on one of its own gun teams When Confederate metal finds its target three figures in ill fitting blue step from the war shocked air to help serve the stricken gun One underage the second with a limp and the third a half pint Ben Buell Seth Pomeroy and Zack Pascoe are the only members of their scattered company of Pennsylvania Volunteer Militia to answer at last the thrilling terrible command of Action front Allowed to remain with the gruff and grateful Bulldogs little Zack becomes an assistant cook Seth a gunnery corporal and Ben reunited with the horse that had been his pet back on the family farm is made a wheel team driver In *The Gray Sea Raiders* Shirreffs tells the tales of the daring men of the Confederate States Navy who were determined to harass burn or capture ships of the opposing Northern fleet as they plied the waterways of the Atlantic Overcoming numerous obstacles including foul disease Union retaliation and ammunition problems the crew of the vessel *Florida* carried out its orders with great success and made young Clint Wallace a hero among his peers Written by the hand of a master *The New York Times* *Encyclopedia of American Literature of the Sea and Great Lakes* Jill B. Gidmark, 2000-11-30 The sea and Great Lakes have inspired American authors from colonial times to the present to produce enduring literary works This reference is a comprehensive survey of American sea literature The scope of the encyclopedia ranges from the earliest printed matter produced in the colonies to contemporary experiments in published prose poetry and drama The book also acknowledges how literature gives rise to adaptations and resonances in music and film and includes coverage of nonliterary topics that have nonetheless shaped American literature of the sea and Great Lakes The alphabetical arrangement of the reference facilitates access to facts about major literary works characters authors themes vessels places and ideas that are central to American sea literature Each of the several hundred entries is written by an expert contributor and many provide bibliographical information While the encyclopedia includes entries for white male

canonical writers such as Herman Melville and Jack London it also gives considerable attention to women at sea and to ethnically diverse authors works and themes The volume concludes with a chronology and a list of works for further reading
