The Great Appalacha Sperm Bank:

The Great Appalachian Sperm Bank and Other Stories Bill Best, 1986-01-01 *A Handbook to Appalachia* Grace Toney Edwards, JoAnn Aust Asbury, Ricky L. Cox, 2024-07-31 Scholars who teach write or speak on the history and culture of the Appalachian region are frequently asked by students administrators or colleagues to recommend a relatively short comprehensive book about Appalachia Until now there has been no interdisciplinary introductory text in Appalachian studies A Handbook to Appalachia comprises a collection of concise accessible overviews of the region written by top academics in a variety of fields all directed at a general audience Accompanied by dozens of inviting photographs the essays offer information to those becoming acquainted with Appalachia for the first time as well as to more experienced observers of the region The essays are arranged to show how various features of Appalachia are related Each essay is followed by a list of suggested readings for further study A Handbook to Appalachia provides a clear concise first step toward understanding the expanding field of Appalachian studies from the history of the area to its sometimes conflicted image from its music and folklore to its outstanding literature Chapters History The Peoples of Appalachia Natural Resources and Environment Economics Politics of Change Health Care Education Folklife Literature Religion Visual Arts and Appalachians Outside the Region **Appalachia Inside Out: Conflict and change** Robert J. Higgs, Ambrose N. Manning, Jim Wayne Miller, 1995 An anthology of Appalachia writings **At-Risk Youth** Robert F. Kronick, 2013-04-11 This book is about theory practice and reform in working with youth who are at risk in our schools The book addresses several important topics including Problems of definition of at risk and measurement social political and health aspects of being at risk theories of at risk status including coping competence agency intrinsic motivation and cultivation theory the voices of those who are at risk groups that are often ignored when discussing at risk youth Native Americans and Appalachians necessary changes such as prevention early intervention and a critical look at assessment practices and grades a look at the role of higher education **Appalachian Heritage**, 1992 **Appalachian Journal**, 1993 A regional studies review **Full Service Community Schools** Robert F. Kronick, 2005 Robert F. Kronick is a professor in the Department of Educational Psychology and Counseling at the University of Tennessee **Experiencing Service-Learning** Robert F. Kronick, Robert B. Cunningham, Michele Gourley, 2011-06-30 A unique resource for students and professors alike this book reveals the important practical educational and emotional benefits provided by college programs that allow students to help others through service work in inner city classrooms clinics and other challenging environments Filled with vivid first person reflections by students Experiencing Service Learning emphasizes learning by doing getting into the field sharing what one sees with colleagues and interpreting what one learns As the authors make clear service learning is not a spectator sport It takes students away from the routines and comfort zones of lecture test term paper exam and puts them into the world Service learning requires them to engage actively with cultures that may be unfamiliar to them and to be introspective about their successes and their mistakes At the same time it

demands of their instructors something other than Power Point slides or an eloquently delivered lecture as no teacher can predict in advance the questions their students experiences will raise In service learning students and teacher must act together as a team of motivators problem solvers and change agents While most of its personal vignettes come from service learners who have worked as mentors in elementary schools the book also includes a chapter in which coauthor Michele Gourley describes at length her experiences at a faith based health clinic in Honduras In offering such stories along with a succinct introduction to basic concepts an assessment of how service learners can effect transformational change and project examples this text will not only prepare students for the adventures of service learning but also aid professors and administrators tasked with developing service learning courses and programs Robert F Kronick is a professor of educational psychology and counseling at the University of Tennessee Knoxville and the author of Full Service Community Schools Robert B Cunningham is a professor emeritus of political science at the University of Tennessee Knoxville His books include Agendas and Decisions How State Government Executives and Middle Managers Make and Administer Policy coauthored with Dorothy F Olshfski Michele Gourley is a physician and public health professional with a background in rural community health and state health policy
