nominations including best musical Based on the best selling novel by Gregory Maguire the show continues to run on Broadway and has touring companies throughout the United States and around the world In *Wicked A Musical Biography* author Paul Laird explores the creation of this popular Broadway musical through an examination of draft scripts interviews with major figures and the study of primary musical sources such as sketches drafts and completed musical scores Laird brings together an impressive amount of detail on the creation of *Wicked* including a look at Maguire's novel as well as the original source material *The Wizard of Oz* This volume also offers a history of the show's genesis along with examinations of the draft scenarios and scripts that demonstrate the show's development Laird also explores Stephen Schwartz's life and work providing an analysis of the composer and lyricist's work on the show through song drafts sketches and musical examples Laird also surveys the show's critical reception in New York and London noting how many critics failed to appreciate its qualities or anticipate its great success The unusual nature of *Wicked*'s story dominated by two strong female leads is also placed in the context of Broadway history A unique look into a successful Broadway production *Wicked A Musical Biography* will be of interest to musicologists theatre scholars students and general readers alike

**The Schwarzbein Principle II, "Transition"** Diana Schwarzbein, 2010-01-01 In her very successful book *The Schwarzbein Principle* renowned endocrinologist Diana Schwarzbein introduced her scientifically proven conclusion that degenerative diseases are not genetic but acquired Many studies have supported this proving that life expectancy is 75 to 90 percent due to habits and only 10 to 25 percent due to genetics This means that someone who is genetically destined to die at age 100 may not live past age 60 because of poor habits and lifestyle choices that cause accelerated aging and premature death Conversely a person can live to 100 and be functionally healthy In this highly anticipated follow up Diana Schwarzbein M D goes beyond the diet she introduced in her first book which literally helped thousands of people lose weight and offers a personalized anti aging program for readers to heal their metabolisms and stop advanced aging in its tracks Weaving in groundbreaking research and provocative case studies including her own regeneration and that of her clients she leads readers through a series of eye opening questionnaires which identify where they are on their path to either accelerated or healthy aging Based on readers answers she leads them to the how to sections which explain in easy to follow and personalized detail the steps they need to take to restore healthy functioning For each unique situation she covers five areas Nutrition Hormone Replacement Therapy if needed Tapering Off Toxic Chemicals or Avoiding Them Completely Cross Training Exercises and Stress Management *The Schwarzbein Principle II* is sure to follow the success of the first book and will help people live a more healthful lifestyle by embracing a regeneration process to prevent and reverse accelerated aging

Sacred Weapons, Profane Enemies: Saint John Paul II's War on Communism Geoff Bardell, 2014-02-13 The 2014 canonization of John Paul II and the quarter century anniversary of the fall of Polish Communism were the main motivations in writing this book which is richly illustrated with nearly 100 pictures and very reasonably priced The book tells the story of

how Saint John Paul II politically deployed sacred weapons and profane enemies in his war on communism The effects of his deployment chiefly during his three pilgrimages to communist Poland were to evoke and refashion nationalist and religious cultural memories shaped over centuries and thereby influence the prevailing political culture of opposition In his doing so the Polish Pope inspired the opposition to peacefully and successfully challenge a communist regime that had at its disposal a full panoply of repressive forces

**Resonate** Nancy Duarte,2010-09-28 Reveals the underlying story form of all great presentations that will not only create impact but will move people to action Presentations are meant to inform inspire and persuade audiences So why then do so many audiences leave feeling like they ve wasted their time All too often presentations don t resonate with the audience and move them to transformative action Just as the author s first book helped presenters become visual communicators Resonate helps you make a strong connection with your audience and lead them to purposeful action The author s approach is simple building a presentation today is a bit like writing a documentary Using this approach you ll convey your content with passion persuasion and impact Author has a proven track record including having created the slides in Al Gore s Oscar winning An Inconvenient Truth Focuses on content development methodologies that are not only fundamental but will move people to action Upends the usual paradigm by making the audience the hero and the presenter the mentor Shows how to use story techniques of conflict and resolution Presentations don t have to be boring ordeals You can make them fun exciting and full of meaning Leave your audiences energized and ready to take action with Resonate
