

THE GREAT DEBATES

*Kennedy vs.
Nixon,
1960*

Edited by Sidney Kraus

Introduction by Harold D. Lasswell

The Great Debates Kennedy Vs Nixon 1960

Nelson W. Polsby

The Great Debates Kennedy Vs Nixon 1960:

The Great Debates Sidney Kraus, 1977 Lasswell's introduction which sets the stage by surveying the challenges which face the student of communications and political behavior as a result of the debates the articles explore the background circumstances and effects of the debates in great detail **The Great Debates** Sidney Kraus, 1962 *The Great Debates* Sidney Kraus, **Presidential Debate Negotiation from 1960 to 1988** John W. Self, 2016-12-20 Since their inception the presidential debates Americans have watched on television were carefully negotiated This book closely examines a previously unexamined type of political communication presidential debate negotiation While it has been widely known that all general election presidential debates since 1960 have been negotiated by the participating candidates no one has ever completed a systematic study of them In particular the 1960 1976 1980 1984 and 1988 negotiations were examined in detail For each of these election cycles a comprehensive narrative of what occurred during the pre debate negotiations was constructed based on primary source materials media accounts and other secondary sources Comparisons across election cycles were made in order to draw some conclusions about presidential debate negotiation Presidential debate negotiations are not just negotiations but rather also a form of political rhetoric for several different players The research concluded that there are five contexts in which presidential debate rhetoric occurs and the rhetoric is aimed at two audiences Within each context the functions and strategies of the rhetoric were discussed and explained from the perspective of the sponsor of the debate the candidates and their representatives as well as the media TV Shapes Presidential Politics in the Kennedy-Nixon Debates Michael Burgan, 2018-08 On point historical photographs combined with strong narration bring the story of the Nixon Kennedy presidential debates to life discussing how much effect seeing the debates had on the results of the election and how they changed presidential campaigning forevermore Readers will understand the significance behind this event through text and clips of the event itself via the Capstone 4D augmented reality app **The Great Debates** Sidney Kraus, 1979 By conservative estimate 55 per cent of the adult population watched or listened to all the Kennedy Nixon television debates of 1960 80 per cent saw or heard at least one In this volume thirty experts in communications political analysis and opinion research address themselves to the questions raised by this unprecedented event Following Harold D Lasswell's introduction which sets the stage by surveying the challenges which face the student of communications and political behavior as a result of the debates the articles explore the background circumstances and effects of the debates in great detail **Getting It Wrong** W. Joseph Campbell, 2017 Many of American journalism's best known and most cherished stories are exaggerated dubious or apocryphal They are media driven myths and they attribute to the news media and their practitioners far more power and influence than they truly exert In *Getting It Wrong* writer and scholar W Joseph Campbell confronts and dismantles prominent media driven myths describing how they can feed stereotypes distort understanding about the news media and deflect blame from policymakers Campbell debunks the notions that the

Washington Post's Watergate reporting brought down Richard M. Nixon's corrupt presidency that Walter Cronkite's characterization of the Vietnam War in 1968 shifted public opinion against the conflict and that William Randolph Hearst vowed to furnish the war against Spain in 1898. This expanded second edition includes a new preface and new chapters about the first Kennedy-Nixon debate in 1960, the haunting Napalm Girl photograph of the Vietnam War, and bogus quotations driven by the Internet and social media.

Nonverbal Communication in Political Debates John S. Seiter, Harry Weger Jr., 2020-09-30. *Nonverbal Communication in Political Debates* presents a framework for understanding and analyzing the multiple ways that nonverbal behavior functions in political debates. In addition to addressing the ways in which politicians are presented and present themselves in debate broadcasts, the framework considers a wide array of strategic objectives and unintended consequences of candidates' nonverbal behaviors. Along the way, the book examines theory and research from both humanistic and social scientific approaches as well as an immense range of factors that influence how nonverbal behavior is enacted and portrayed. Scholars of communication, political science, psychology, and public relations will find this book particularly useful.

Televised Presidential Debates in a Changing Media Environment Edward A. Hinck, 2018-11-26. This two-volume set examines recent presidential and vice-presidential debates, addresses how citizens make sense of these events in new media, and considers whether the evolution of these forms of consumption is healthy for future presidential campaigns and for democracy. The presidential debates of 2016 underscored how television highlights candidates and campaigns' messages, which provide fodder for citizens' widespread use of new media to talk back to campaigns and other citizens. Social media will continue to affect the way that campaign events like presidential debates are consumed by audiences and how they shape campaign outcomes. This two-volume study is one of the first to examine the relationship between debates as televised events and events consumed by citizens through social media. It also assesses the town hall debate format from 1992 to 2016, uses the lens of civil dialogue to consider how citizens watch the debates, and considers the growing impact of new media commentary on candidate images that emerge in presidential and vice-presidential debates. *Televised Presidential Debates in a Changing Media Environment* features contributions from leading political communication scholars that illuminate how presidential debates are transforming from events that are privately contemplated by citizens to events that are increasingly viewed and discussed by citizens through social media. The first volume focuses on traditional studies of debates as televised campaign events, and the second volume examines the changing audiences for debates as they become consumed and discussed by viewers outside the traditional channels of newspapers, cable news channels, and campaign messaging. Readers will contemplate questions of new forms, problems, and possibilities of political engagement that are resulting from citizens producing and consuming political messages in new media.

Presidential Elections Nelson W. Polsby, 2012. Using data and examples from the 2008 election and laced with previews of 2012, this text offers an overview of the presidential election process from the earliest straw polls and fundraisers to final

voter turnout and exit interviews The coverage includes campaign strategy the sequence of electoral events and the issues all from the perspective of the various actors in the election process voters interest groups political parties the media and the candidates themselves

Richard Nixon John A. Farrell, 2018-02-06 From a prize winning biographer comes the defining portrait of a man who led America in a time of turmoil and left us a darker age We live today John A Farrell shows in a world Richard Nixon made At the end of WWII navy lieutenant Nick Nixon returned from the Pacific and set his cap at Congress an idealistic dreamer seeking to build a better world Yet amid the turns of that now legendary 1946 campaign Nixon's finer attributes gave way to unapologetic ruthlessness The story of that transformation is the stunning overture to John A Farrell's magisterial biography of the president who came to embody postwar American resentment and division Within four years of his first victory Nixon was a U S senator in six the vice president of the United States of America Few came so far so fast and so alone Farrell writes Nixon's sins as a candidate were legion and in one unlawful secret plot as Farrell reveals here Nixon acted to prolong the Vietnam War for his own political purposes Finally elected president in 1969 Nixon packed his staff with bright young men who devised forward thinking reforms addressing health care welfare civil rights and protection of the environment It was a fine legacy but Nixon cared little for it He aspired to make his mark on the world stage instead and his 1972 opening to China was the first great crack in the Cold War Nixon had another legacy too an America divided and polarized He was elected to end the war in Vietnam but his bombing of Cambodia and Laos enraged the antiwar movement It was Nixon who launched the McCarthy era who played white against black with a southern strategy and spurred the Silent Majority to despise and distrust the country's elites Ever insecure and increasingly paranoid he persuaded Americans to gnaw as he did on grievances and to look at one another as enemies Finally in August 1974 after two years of the mesmerizing intrigue and scandal of Watergate Nixon became the only president to resign in disgrace Richard Nixon is a gripping and unsparing portrayal of our darkest president Meticulously researched brilliantly crafted and offering fresh revelations it will be hailed as a master work

Campaign Talk Roderick P. Hart, 2009-07-01 Roderick Hart may be among the few Americans who believe that what politicians say in a campaign actually matters He also believes that campaigns work Even as television coverage political ads and opinion polls turn elections into field days for marketing professionals Hart argues convincingly that campaigns do play their role in sustaining democracy mainly because they bring about a dialogue among candidates the press and the people Here he takes a close look at the exchange of ideas through language used in campaign speeches political advertising public debates print and broadcast news and a wide variety of letters to the editor In each case the participants choose their words differently and this according to Hart can be a frustrating challenge to anyone trying to make sense of the issues Yet he finds that the process is good for Americans campaigns inform us about issues sensitize us to the concerns of others and either encourage us to vote or at least heighten our sense of the political world Hart comes to his conclusions by using DICTION a computer program that has enabled him to unearth substantive data such

as the many subtle shifts found in political language over the past fifty years This approach yields a rich variety of insights including empirically based explanations of impressions created by political candidates For example in 1996 Bill Clinton successfully connected with voters by using many human interest words you us people family Bob Dole however alienated the public and even undermined his own claims of optimism by using an abundance of denial words can t shouldn t couldn t Hart also tracks issue buzzwords such as Medicare to show how candidates and voters define and readjust their positions throughout the campaign dialogue In the midst of today s increased media hype surrounding elections Americans and the candidates they elect do seem to be listening to each other as much as they did in years gone by Hart s wide ranging objective investigation upends many of our stereotypes about political life and presents a new more bracing understanding of contemporary electoral behavior

The Dynamics of Political Communication Richard M. Perloff, 2017-10-19 What impact do news and political advertising have on us How do candidates use media to persuade us as voters Are we informed adequately about political issues Do twenty first century political communications measure up to democratic ideals The Dynamics of Political Communication Media and Politics in a Digital Age Second Edition explores these issues and guides us through current political communication theories and beliefs by detailing the fluid landscape of political communication and offering us an engaging introduction to the field and a thorough tour of the discipline Author Richard Perloff examines essential concepts in this arena such as agenda setting agenda building framing political socialization and issues of bias that are part of campaign news Designed to provide an understanding and appreciation of the principles involved in political communication along with methods of research and hypothesis testing each chapter includes materials that challenge us by encouraging reflection on controversial matters Inside this Second Edition you ll find Expanded discussion of conceptual problems communication complexities and key issues in the field New examples concepts and studies reflecting current political communication scholarship The integration of technology throughout the text reflecting its pervasive role in the political spectrum Accompanied by an updated companion website with resources for students and instructors The Dynamics of Political Communication prepares you to survey the political landscape with a more critical eye and encourages a greater understanding of the challenges and occurrences presented in this constantly evolving field

Communication in the Presidential Primaries Kathleen E. Kendall, 2000-01-30 In a comparison of communication in the U S presidential primaries of the twentieth century Kendall examines the role of the candidates and the media during the period of primary elections Drawing upon information from a broad array of sources Kendall uncovers communication patterns that transcend time regarding political image horse race coverage and negative campaigning She takes a strong communication perspective arguing that the verbal context of the presidential primaries is an important factor overlooked in traditional studies Topics covered include the effect of party rules on communication the role of speeches and debates the role of political advertising and the media s construction of the primaries in the pre television era and the age of television Kendall examines the 1996

primaries in light of patterns discovered in earlier years and she makes predictions and recommendations regarding the 2000 primaries With its century wide scope and the variety of research methods used the book will be of considerable value to researchers scholars journalists and students involved with political communication and American presidential elections

Handbook of Political Communication Research Lynda Lee Kaid, 2004-07-19 The Handbook of Political Communication Research is a benchmark volume defining the most important and significant thrusts of contemporary research and theory in political communication Editor Lynda Lee Kaid brings together exemplary scholars to explore the current state of political communication research in each of its various facets Reflecting the interdisciplinary nature of political communication scholarship contributions represent research coming from communication political science journalism and marketing disciplines among others The Handbook demonstrates the broad scope of the political communication discipline and emphasizes theoretical overviews and research synthesis with each chapter providing discussion of the major lines of research theory and findings for the area of concern Chapters are organized into sections covering The theoretical background history structure and diversity of political communication Messages predominant in the study of political communication ranging from classical rhetorical modes to political advertising and debates News media coverage of politics political issues and political institutions Public opinion and the audiences of political communication European and Asian perspectives on political communication and Trends in political communication study including the Internet and its role in changing the face of political communication As a comprehensive and thorough examination of the political communication discipline the first in over two decades this Handbook is a must have resource for scholars and researchers in political communication mass communication and political science It will also serve readers in public opinion political psychology and related areas

The Political Blame Game in American Democracy Mark Hickson III, Larry Powell, 2017-10-06 The Political Blame Game in American Democracy looks at the forces that have developed over the past fifty plus years and created a dysfunctional political system in the United States It argues that the current level of partisan polarization is actually the culmination of a number of forces at work during the past few decades These include a perception by each party that the other is using unfair political tactics the subsequent creation of a culture of blame with each party blaming the other for the dysfunction a decline in political norms leading to childlike behavior by politicians and political candidates and a culture of payback in which the opposition argues that their opponents are responsible for the decline These four factors culminated in the 2016 presidential campaign where they were exemplified by Donald Trump and have continued to have a significant ongoing impact on the political landscape of the United States

John F. Kennedy Peter J. Ling, 2013-10-30 A lively concise and cutting edge biography of one of the towering figures of 20th century history Of all the US presidents of the post Second World War period John F Kennedy is the most clearly idolized There is a well documented gulf between the public s largely positive appraisal of this glamorous historical figure and professional historians skeptical and mixed

evaluation of a president who had only a foreshortened single term in which to make his mark What made JFK the man he was How does he fit into the politics of his time What were his policy goals how did they shift and how far did he manage to advance them What was the Kennedy style of governance Why was he killed and how can we explain the unprecedented outpouring of grief that his death elicited How has his memory evolved since 1963 Acclaimed biographer Peter J Ling explores all these important questions sifting and synthesizing the prodigious mass of Kennedy scholarship to provide readers with a fresh and strongly contextualized portrait of the man and his presidency John F Kennedy will be essential reading for students of modern American history and anyone else seeking to understand the political and private life of America s best known president

A Companion to Richard M. Nixon Melvin Small, 2013-05-03 This companion offers an overview of Richard M Nixon s life presidency and legacy as well as a detailed look at the evolution and current state of Nixon scholarship Examines the central arguments and scholarly debates that surround his term in office Explores Nixon s legacy and the historical significance of his years as president Covers the full range of topics from his campaigns for Congress to his career as Vice President to his presidency and Watergate Makes extensive use of the recent paper and electronic releases from the Nixon Presidential Materials Project

Media And Voters In Canadian Election Campaigns Frederick J. Fletcher, 1991-01-01 Taken together the five studies provide a useful overview of the effectiveness of various forms of campaign communication in informing voters Much of the material presented here is not readily available elsewhere

Strategic Decision-Making in Presidential Nominations Kenny J. Whitby, 2014-01-01 Seeks to understand and explain the behavior of party elites during the 2008 Democratic Party presidential race What is the dominant force in presidential nomination campaigns Are nomination outcomes decided largely by the political party or by the candidates and their activities In Strategic Decision Making in Presidential Nominations Kenny J Whitby aims to provide some answers to these important questions focusing on the closely contested 2008 race between Senators Hillary Clinton and Barack Obama It was this race that spotlighted the role played by superdelegates the unpledged party elites who were added to the nomination process in the 1980s Whitby s central argument is that superdelegates are strategic actors and their endorsements are a response to a variety of demographic institutional and campaign factors While some weigh in early with an endorsement many adopt a wait and see approach Using a novel framework generally known as survival analysis Whitby provides us with a method for understanding when and why party elites decide to chime in on their presidential nomination campaign

The Great Debates Kennedy Vs Nixon 1960 Book Review: Unveiling the Magic of Language

Authors Website Occasionally, authors provide excerpts or short stories for free on their websites.

While this might not be the The Great Debates Kennedy Vs Nixon 1960 full book , it can give you a taste of the authors writing style.Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of The Great Debates Kennedy Vs Nixon 1960 eBooks, including some popular titles.

FAQs About The Great Debates Kennedy Vs Nixon 1960 Books

What is a The Great Debates Kennedy Vs Nixon 1960 PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a The Great Debates Kennedy Vs Nixon 1960 PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a The Great Debates Kennedy Vs Nixon 1960 PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a The Great Debates Kennedy Vs Nixon 1960 PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a The Great Debates Kennedy Vs Nixon 1960 PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
