UFO of GOD Chris Bledsoe,2023-03 Chris Bledsoe a deeply religious family man and successful business owner from North Carolina was on the verge of the unthinkable after losing everything in the 2007 financial crisis and suffering from a debilitating chronic disease While fishing along the banks the Cape Fear River with 3 co workers and his teenage son he walked away from the group and cried out to God in a desperate plea for help Suddenly a UFO appears and saves his life and cures him of his illness Returning after four hours of missing time the shocked group run for their lives as several UFOs chase them home This is the true story of hope love lies and deception involving the CIA NASA a string of professors and MUFON You are about to go on a spiritual journey of awakening with a visit from the Lady remote viewing assassination plot of the Pope dripping orbs a burning tree the Monroe Institute and healing the son of a Washington DC power broker with ties to the IC and the White House 15 years on the phenomena still visits the Bledsoe family and affects the lives of people who come in contact with them Do not be surprised if you the reader become one of them Strap in for a wild ride Colonel John B Alexander Ph D *You - The Public Deceived* Philip Kinsella,2020-03-13 You have been lied to UFOs are real and not some figment of the public's imagination which we have been led to believe This deception has gone on for far too long and it's time we the public deceived fight back Philip Kinsella brings together several theoretical applications concerning what the UFO phenomenon may represent Exploring his own alien abduction which occurred in the winter of 1989 and examining both old and new cases alike he draws upon several conclusions as to what we may be up against He informs us that we are dealing with something which appears to operate on a higher level of conscious awareness and that a certain species known as the Greys has given us a variety of clues as to what they are along with their modus operandi He also informs us that the media machine has deliberately orchestrated this coverup to dumb down the masses in an effort falsify the UFO phenomenon Our human history Genesis and sole purpose as humans has been deliberately tampered with by nameless faceless bureaucrats whose time is running out We the public have a right to the truth The evidence presented within this book clearly demonstrates that the phenomenon at hand is more complexed than we first imagined Therefore a new perspective within our awareness might answer some truly extraordinary claims We are NOT alone never have been The war for TRUTH is as stronger now that it's ever been before and Philip believes that the Greys offer us clues as to not only their reality but ours also The UFO Deception Geoffrey Zachary,2025-07-02 The UFO Deception What They've Always Known The sightings are real The story is not The book they never wanted you to read For over seventy years governments intelligence agencies and defense contractors have told you one thing about UFOs Nothing to see here But behind closed doors in classified briefings and restricted laboratories a very different story has unfolded one they've spent decades burying Now for the first time acclaimed investigative author Geoffrey Zachary peels back the layers of denial disinformation and global

Deception X Eric Herschberg, Clay Adkins, 2012-04-23 What comes to mind when you hear reports on television and the internet of UFO sightings true life abductions and apparent evidence of extraterrestrials Most of us think of E T Star Trek The X Files or Independence Day Some take it one step further and create religions out of what they think they saw Is there anything legitimate to these claims Are there ancient resources that speak of this phenomenon and show a history of this type of activity Is there an ancient text that explains what they really are and who and where they are from *Deception X* will set the UFO phenomenon straight and in the eyes of God and man set free those that accept the Biblical truths herein

The Alien Disclosure Deception Charles Upton, 2021-10-05 This book tries to answer two questions 1 Why has the U S Government suddenly done an about face in 2021 from debunking UFOs to officially admitting that they are real 2 Since UFOs appear on radar leave physical traces and produce a wide spectrum of psychic and paranormal phenomena exactly what are they The answer to the first question is Because disclosure is part of a long term social engineering project

beginning at least as early as the end of WWII The answer to the second is They are psycho physical entities such as have been reported throughout human history called the Jinn by the Muslims and Fairies by the Northern Europeans The social engineers have opted to use this well known phenomenon whether or not they fully understand it to shift the paradigm in the Western world from Democracy and Christianity to Technocracy and Transhumanism Extensive evidence is given for both these theories drawing upon history individual and social psychology traditional metaphysics and eschatology the physical sciences and the phenomenology of the paranormal thus producing the most global and consistent explanation to date if not the most easily accepted one of the UFO phenomenon Charles Upton poet and metaphysician was born on December 13 1948 in San Francisco CA He is a protege of the Beat Generation a veteran of the psychedelic counterculture a peace activist a Sufi Muslim a writer of the Traditionalist Perennialist School and author of 20 books mostly on metaphysics and social criticism In 2013 along with Dr John Andrew Morrow he co founded the international Muslim Interfaith peace movement known as the Covenants Initiative and is presently Executive Director of the Covenants of the Prophet Foundation He has been writing on the subject of UFOs since 2001

The Real Story Paul Ascough, 2018-08-19 This book is a collection of my ideas and experiences which I personally believe contribute to the making of the real story of why we are here and where we are going It also connects to the paranormal and UFO phenomena with its whole array of associated subjects As you will see I have tried to cover a lot of bases and give the new reader of this genre a sort of A to Z encompassing simple examples for each of these fascinating topics I have purposefully kept things brief as you could easily write volumes on each of the topics covered and many authors have My idea was to introduce each of these subjects as part of the whole story and hopefully entice the reader to read more of something that interested them

Signs and Wonders Chuck Nelson, 2022-07-06 Chuck Nelson is sounding a warning aliens are real but they re not what you think they are Not long ago only conspiracy theorists talked about UFOs But recent events have caused a shift in our thinking prompting level headed citizens many of them Bible believing Christians to start asking What if Like much of America Chuck Nelson is captivated by the slew of recent UFO videos taken by the US military He is deeply concerned about the perception that UFOs are extraterrestrial visitors Even more concerning is the apparent lack of theological insight from the Christian community which has failed to address the fact that UFOs and related phenomena are a spiritual threat not of extraterrestrial origin but extradimensional The author presents UFO sightings as real There is actual physical and spiritual danger in these signs and wonders and this warning written from a biblical worldview serves to equip the general public especially the Christian church to contend with the deception at the heart of UFOs This book says Stop look listen Something s happening It s real and it s not good

UFOs, the Alien Invasion and the CIA John Scott Chace, 2021-03-25 UFOs the Alien Invasion and the CIA first became available in March 2021 with photographs artists conceptions of UFOs and factual content What you get is a book filled with facts of CIA KGB and military UFO case files Cases are presented one after another around the globe UFOs the Alien Invasion and the

CIA is not a Science Fiction Novel in fact it is a compilation of declassified and non declassified UFO encounters from around the world It is packed with 400 pages of UFO incidents from Europe South America Africa Australia the United Kingdom Russia the United States and Asia Research shows for over the last 1000 years UFOs and their occupants have been monitoring this planet I contend this visitation of humanoid beings of different species from other worlds is an advanced Invasion plan of planet Earth This book is prepared to tell you the truth about UFO UAP reality It highlights the polarized differences between The Truth and Deception 1 On the one hand we have DECEPTION with the World Intelligence Agencies the Central Intelligence Agency and the KGB hiding information from the public on UFO intrusions at top military sites and human contact with Aliens Extraterrestrials 2 And on the other we have TRUTH where Presidents Gorbachev and Ronald Reagan agreed to assist one another in a potential alien conflict This desire for Truth extends to the American British and Russian Air Force and Naval Military Leaders that desired the public to be informed of the UFO reality Statements by those in the know Case 1 Russian General states The UFO with a diameter from 100 to 200 meters was not accompanied by the sound of any kind and was distinguished by its startling maneuverability It seemed the UFOs were completely devoid of inertia In other words they had somehow come to terms with gravity At present terrestrial machines could hardly have any such capabilities The KGB Case 2 CIA Officer states On the US obtaining a copy of a declassified KGB document on an alien incident a CIA representative stated It is horrific If the KGB file corresponds to reality this is an extremely menacing case The Aliens possess technology that goes beyond all our assumptions They can stand up for themselves if attacked Case 3 US Naval Officer states Official representatives of the US government including the CIA came aboard the aircraft carrier to debrief interview all the witnesses After the debriefing the 25 witnesses were transferred off the ship to other assignments so they would not discuss the UFO case facts with each other Case 4 Another US Naval Officer states I read that if I ever talked about what it was that I didn't see I could be fined up to 10 000 and imprisoned for up to 10 years or both In addition I could lose all pay and allowances due or ever to become due He asked me to sign a piece of paper stating that I understood the laws and regulations that I had just read governing the safeguard of classified information relating to national security The author has researched thousands of declassified CIA KGB UFO reports and military files and newspaper articles to bring these stories to you The Author John Scott Chace is the author of over 12 books including UFOs In US AIRSPACE UFO Motherships and Project Blue Book John is the son of Colonel Chaplain Alston R Chace USAF and Nephew of Colonel Frank C Chace USMC A military brat he lived on many of the US Air Force bases where several UFO incidents have taken place John became a researcher and historian on the UFO phenomenon after sightings in Connecticut This book contains the CIA KGB and US Air Force Project Blue Book case files and more **UFO** David Allen Lewis, Robert Shreckhise, 1991 Lewis the best selling author of Prophecy 2000 shares fascinating research into the diabolical source of flying saucers and the hunger of a society looking to the great beyond for answers to its immense problems Why are supermarket tabloids filled with wise

messages from space detailing the true nature of God and alternate roads to salvation Are these aliens demonic counterfeits

Celestial Deceptions R A Monroy,2025-07-10 Are UFOs part of the greatest spiritual deception of our times *Celestial Deceptions The UFO Phenomenon in the Light of the Word* is not another speculative take on aliens government conspiracies or science fiction curiosities This book is a clear Scripture based investigation into what truly lies behind the global fascination with UFO sightings abductions and messages from alleged higher beings From Genesis to Revelation the Bible speaks of a spiritual realm of battles in the heavens of angels faithful and fallen and of a deceptive enemy determined to lead humanity away from the truth of Christ Yet many believers remain unaware that the phenomenon presented as extraterrestrial contact may in reality be part of a sophisticated strategy designed to prepare the world to reject God s truth and embrace a counterfeit spirituality In these pages you will discover The historical and biblical context of beings who descend from the sky offering knowledge while leading people into deception The connection between ancient Watchers as described in texts like the Book of Enoch and modern narratives of alien visitation How lights in the sky abductions and interdimensional experiences align with the prophetic warnings about false signs and wonders in the last days Why the growing global narrative of cosmic unity and spiritual evolution without repentance is setting the stage for the great apostasy foretold in Scripture How many messages from these so called higher beings deny the cross redefine Christ and promise salvation without the need for redemption Why true discernment in these times requires more than curiosity or knowledge it demands a return to the authority of God s Word a life of prayer and a walk of holiness *Celestial Deceptions* equips believers to discern what is truly happening in our skies and spiritual atmosphere It challenges the body of Christ not to dismiss these

phenomena as mere conspiracies nor to be swept up in fascination but to understand them as part of a broader spiritual conflict in which souls are the ultimate prize This book is part of the Deceptions of the Adversary series a collection designed to expose the enemy s strategies using the unshakable foundation of Scripture and spiritual discernment Other volumes in this series address cryptid creatures modern doctrines that have corrupted the gospel the role of technology as a tool for spiritual distraction and the diabolical intelligence operating within the systems of this world all facets of the same invisible war waged by a defeated yet relentless enemy At its core Celestial Deceptions is not about fear but about preparation It calls believers to awaken to guard their hearts and minds and to remain anchored in Christ as deception increases The greatest sign in these last days will not be seen in the sky but will be revealed in hearts that remain steadfast in communion with God unshaken by the false wonders that seek to distract and destroy If you have felt an urgency in your spirit a stirring to see beyond the narratives of our culture and to understand the spiritual realities behind them this book will serve as a guide a watchman s cry and a call to stand firm in the light of God s truth

Operation Trojan Horse John A. Keel, 2013-05 OUR SKIES ARE FILLED WITH TROJAN HORSES The real UFO story must encompass all of the many manifestations being observed It is a story of ghosts and phantoms and strange mental aberrations of an invisible world that surrounds us and occasionally engulfs us of prophets and prophecies and gods and demons It is a world of illusion and hallucination where the unreal seems very real and where reality itself is distorted by strange forces which can seemingly manipulate space time and physical matter forces that are almost entirely beyond our powers of comprehension John A Keel March 25 1930 July 3 2009 was an American journalist and influential UFOlogist best known as the author of The Mothman Prophecies In the mid 1960s he took up investigating UFOs and assorted forteana and published his first knockout UFO book Operation Trojan Horse in 1970 The book shredded the then trendy nuts and bolts extraterrestrial hypothesis for UFOs in favor of one that linked UFOs to a variety of paranormal and supernatural phenomena that have taken place throughout history Keel was one of the first to note that the UFO phenomenon appears in different disguises and that one could not begin to decipher this great mystery without first taking into account its many and varied deliberate deceptions
