The Great Issues Of Politics An Introduction To Political Science:

The Great Issues of Politics Leslie Lipson,1985 The theme of this book is that politics consists of certain fundamental issues which are constants They permit alternative solutions and form the unbroken threads unifying the experiences of all countries and centuries Lipson explains these issues in the context of their history and philosophy He has interpreted the alternative solutions to the issues by examples chosen from different times and places by comparing governments of contrasted types and by the array of opposite philosophies This edition continues the themes and mode of analysis of its predecessors but augmented with ideas and material drawn from events of the past 10 years The comparative range has been extended Contemporary controversies over the role of the state in the economy and decentralization of government over the buildup of armaments and the quest for a lasting peace are considered in the light of the great enduring issues ISBN 0 13 363912 6 25 95 The Great Issues of Politics. An Introduction to Political Science. (Third Printing.). Leslie

Lipson,1954 **The Great Issues of Politics** Richard A. Silverman,1965 The Great Issues of Politics Leslie Lipson,1973

Great Issues In Politics Raj Kumar Pruthi,2005 Political phenomena is studied through different approaches to enable us to understand political reality and the art of government What are the dynamics of political change How is the state related to society Why is the freedom of governed essential We have selected for our readers some of the interesting and innovative material on the subject Essays on government and citizen role of a modern state and national states vs international order have been included which are some of the great issues of politics of our times The Greatest Issues of Politics Leslie Lipson,1976 **The Political Ethics of Public Service** Vera Vogelsang-Coombs,2016-05-05 This book provides a defense of democratic politics in American public service and offers the political ethics of public service as a realistic and optimistic alternative to the cynical American view toward politics and public service The author s alternative helps career public servants regain public trust by exercising constitutionally centered moral and political leadership that balances the regime values of liberty and equality in governing American society while contributing to the ethical progress of the nation She identifies three distinct leadership styles of political ethics enabling career public servants to reconcile their personal loyalties morality and consciences with the public and private morality of American society and their constitutional obligations to secure the democratic freedoms of Americans Recognizing career public servants moral and institutional struggles the book proposes a rigorous leadership development program to acclimate individuals to workplace psychological moral and political challenges The view offered here is that career public servants must be a part of rather than isolated from American politics to be effective on the job Public Policy Making Reexamined Yehezkel Dror,2017-09-29 Public Policymaking Reexamined is now recognized as a fundamental treatise for public policy studies Although it caused much controversy when it was first published for its systematic approach to policy studies the book is acknowledged as a modern classic of continuing importance for the teaching and research of public policy planning and policy analysis and public

administration The paperback includes a new introduction updating and supplementing many of the author's original ideas Professor Dror combines the approaches of policy analysis behavioral science and systems analysis in his examination of the reality of public policymaking and his suggestions for its reform Actual policymaking is carefully evaluated with the help of explicit criteria and standards based on an optimal model approach resulting in detailed proposals for improvement He applies a scientific orientation to the study of social facts and theory **Political Theory** VD Mahajan,2006 This is new edition contains a comprehensive study of the subject with the latest thinking by the political scientists of the world today

Religion and Politics in Contemporary Japan Anne Mette Fisker-Nielsen,2012 Presenting a study of politics at grassroots level among young Japanese this book examines the alliance between the religious movement Soka Gakkai the Value creation Society and Komeito the Clean Government Party which shared power with the Liberal Democratic Party from 1999 to 2009 Drawing on primary research carried out among Komeito supporters the book focuses on the lives of supporters and voters in order to better understand the processes of democracy It goes on to discuss what the political behaviour of young Komeito supporters tell us about the role of religious organizations such as Soka Gakkai in Japanese politics Unlike most other books on politics in Japan which tend to concentrate on political elites this book provides extremely valuable insights into political culture at the grassroots level Principles and Theory of Political Science Urmila Sharma & S.K. Sharma,2000 This Book Deals With The Principles And The Theory Of Political Science Besides The Introductory Portion Including Definition Scope Value Nature And Methods Of Political Science This Book Includes The Discussion On All Those Topics Which Find A Place In The Syllabi Of Political Theory Or Principles Of Political Science In Any Indian University These Include Political Power Behavioural And Post Behavioural Revolutions The State The Rise And Growth Of Nation States The Political System Sovereignty Monist And Pluralist View Of Sovereignty The Theory Of Rights Concepts Of Liberty Concept Of Equality Law And International Law Concept Of Property Concept Of Justice Political Obligation Political Revolution Punishment Etc As Political Sociology Is Today An Integral Part Of Political Science This Book Deals With The Main Concepts Of Political Sociology Including Political Development Political Culture Political Socialisation Political Participation Political Recruitment Political Elites Political Alienation Political Communication Political Legitimacy And Effectiveness And Bureaucracy Principles Of Political Science Deal With The Theories Of State And Government Thus This Book Discusses Forms Of Government Democracy Socialism Marxism Syndicalism Guild Socialism Evolutionary Socialism Fabianism Anarchism Fascism Liberalism Individualism And Sarvodaya A Bibliography Has Been Given At The End For Those Who Desire To Go To Originals And Have A Wide Study Of The Subjects The State of Law Ulrich von Alemann,Detlef Briesen,Lai Quoc Khanh,2017-09-30 This book is the result of the first interdisciplinary conference in Vietnam which took place on the Rule of Law Instead of beginning immediately with a highly specialized debate from the perspective of one single academic discipline we started to discuss numerous facets of the subject arising from a multidisciplinary dialogue For this reason the

contributions for this publication come from various scientific disciplines in Vietnam and Germany political historical social economic and legal sciences but also members of Vietnamese governmental and non governmental organizations The aim of the volume is to open up a dialogue about the Rule of Law between two very different legal cultures the German European and the Vietnamese Southeast Asian **Castro-communist Subversion in the Western Hemisphere**, 1963 **Special Bibliography Series**, 1957 **Public Policy Evaluation** Stuart S. Nagel, 2018-08-13 First published in 1998 this volume examines how super optimum decisions involve finding alternatives to controversies whereby Conservatives Liberals or other major groups can all come out ahead of their best initial expectations simultaneously This book is organised in terms of concepts methods causes process substance and the policy studies profession Concepts clarify that policy evaluation traditionally involves 1 Goals to be achieved 2 Alternatives available for achieving them 3 Relations between goals and alternatives 4 Drawing a conclusion as to the best alternative in light of the goals alternatives and relations and 5 Analysing how the conclusion would change if there were changes in the goals alternatives or relations Super optimizing also involves five related steps but with the following improvements 1 Goals are designed as conservative liberal or neutral 2 Alternatives get the same designations 3 Relations are simplified to indicate which alternatives are relatively high or low on each goal 4 The conclusion involves arriving at an alternative that does better on Goal A than Alternative A and simultaneously better on Goal B than Alternative B and 5 The fifth step involves analysing the super optimum or win win alternative in terms of its feasibility as to the economic technological psychological political administrative and legal matters *Social Transformation and State Governance in China* Xianglin Xu, 2020-06-08 This volume is a selection of Chinese political scholar Xianglin Xu's published works spanning nearly 20 years of research that explore and discuss the socio economic transition in China under state political reform Contextualized within the decades following the 80s the author analyzes patterns observed from empirical studies and breaks down the underlining reasoning conditions and functionalities behind the incremental reform policies pushed forward by the Party and government The collection is broken up into four sections the first provides a general framework and theoretical historical introduction to social transition research in the case of China the second section discusses the underpinning logic behind political reform in China and practical concerns the third section follows with discussions on reform policy practices within China including application and trajectory the final section concludes with an analysis of reform within state institutional infrastructure and policy innovation **Hearings** United States. Congress. House, 1962 **Hearings, Reports and Prints of the House Committee on Foreign Affairs** United States. Congress. House. Committee on Foreign Affairs (1789-1975), 1963 *Introduction to Comparative Political Culture* Dezhi Tong, 2018-08-03 This book starts with four aspects subject's cognition way of thinking political value and ideology conducts comparative studies on political culture Amid using the concept of political culture in western academic circles it makes comprehensive supplement for this concept and put forward an updated concept of political culture which is more localized

This new concept on the grounds of the comparison with political system takes political culture as the subjective side of political system and incorporates ideology into political culture thus undoubtedly enriching our knowledge of political culture. On the basis of clarifying the concept of political culture and establishing the comparative dimension of it, this book widely refers to the outlooks of individuals, nations, society and power of political cognition, the modes of objectives, directions and methods of political ideas, democratic awareness, legal concept and system, selection of political value as well as liberalism and republicanism etc. All these bring substantial benefits to promoting and deepening the comparative studies on political culture. This book can not only be used for the teaching undergraduate and graduates who major in Politics but also used as the reference book for politics academic research. *International Policy Studies* Stuart S. Nagel, David Rosenblum, 2000

The basic elements of this book involve integrating five policy problems and four fields of knowledge. The five policy problems are economic, technology, social, political and legal. The four developing regions are Africa, Asia, Eastern Europe and Latin America. The four fields of knowledge are natural science, social science, humanities and law.
