

Proclamation of Neutrality

"It seemed, therefore, to be my duty to admonish our citizens of the consequences of a contraband trade and of hostile acts to any of the parties."

George Washington 1793

Citizen Genêt

The Great Proclamation

Nagarjuna, Rangjung Dorje

The Great Proclamation:

The Great Abolitionist Stephen Puleo, 2024-04-23 The groundbreaking biography of a forgotten civil rights hero In the tempestuous mid 19th century as slavery consumed Congressional debate and America careened toward civil war and split apart when the very future of the nation hung in the balance Charles Sumner s voice rang strongest bravest and most unwavering Where others preached compromise and moderation he denounced slavery s evils to all who would listen and demanded that it be wiped out of existence More than any other person of his era he blazed the trail on the country s long uneven and ongoing journey toward realizing its full promise to become a more perfect union Before and during the Civil War at great personal sacrifice Sumner was the conscience of the North and the most influential politician fighting for abolition Throughout Reconstruction no one championed the rights of emancipated people more than he did Through the force of his words and his will he moved America toward the twin goals of abolitionism and equal rights which he fought for literally until the day he died He laid the cornerstone arguments that civil rights advocates would build upon over the next century as the country strove to achieve equality among the races The Great Abolitionist is the first major biography of Charles Sumner to be published in over 50 years Acclaimed historian Stephen Puleo relates the story of one of the most influential political figures in American history with evocative and accessible prose transporting readers back to an era when our leaders exhibited true courage and authenticity in the face of unprecedented challenges [The Proclamations of the Tudor Kings](#) R. W. Heinze, 1976-09-02 Royal proclamations were an important instrument of Tudor government and their legislative function has long been a subject of historical controversy but the actual use of them by the Tudor monarchs has not been adequately studied The main purpose of this book is to provide a systematic analysis of the use authority and enforcement of proclamations in early Tudor England Professor Heinze first attempts to establish a more accurate account of the proclamations issued and then describes their formulation and promulgation He also investigates the authority of proclamations as defined by Parliament and the role and power attributed to them by Tudor judges and legal writers The main body of the study traces the actual use of proclamations and their relationship to statutory and common law Separate chapters are devoted to the controversial Statute of Proclamations and the long neglected subject of enforcement [The Proclamations of the Tudor Queens](#) Frederic A. Youngs, 1976-09-02 This study investigates the independent prerogative which Mary I and Elizabeth I exercised through royal proclamations These public documents were announced throughout England informing men and arguing the Queen s positions commanding local officials to perform specific actions and on occasion creating new but temporary law that was designed to meet crisis situation when no delay could be tolerated The theoretical relationship between this prerogative power and the existing statutory law has been the subject of much debate This study adds an element previously neglected the investigation of the Queens actual use of the proclamations showing that they did innovate with vigour and legislate in them but only to supplement and not supplant the law and within the limits

slowly being formulated in the sixteenth century Professor Youngs demonstrates how the proclamations affected domestic security and foreign affairs social and economic matters and religion

M.

Devens,2025-07-23 Reprint of the original first published in 1883 The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage Opinions of Prominent Men Concerning the Great Questions of the Times Expressed in Their Letters to the Loyal National League Loyal National League,1863 **The Politics of Union** ,1980-01-01 The best general account of politics in the North as David Herbert Donald calls this book is also the first one volume history of its subject Abraham Lincoln s single goal of saving the Union required not simply subduing the South but contending as well with divisiveness in the North with refractory state officials draft resisters peace advocates secret organizations with Northern Democrats too often seen only as Copperheads or as traitors to the Union and with powerful Republicans who often vocally disagreed with Lincoln s policies In this account Radical Republicans represent consensus with Lincoln more than conflict sectional more than economic interests and party over faction Largely dissent was heard and accommodated and if the federal legislation of the time did amount to a Second American Revolution it emerged from the conflicts within the North as well as against the South of a nation at war The outcome was a nation not only saved but strengthened and slavery ended

The English Reports ,1910 *The War with the South. A History of the Great American Rebellion, with Biographical Sketches of Leading Statesmen and ... Naval and Military Commanders, Etc* Robert Tomes (M.D.),1867 **Ordinances, Proclamations, &c. ... Relating to the Colony of Natal, 1836-1855, with Notes of Reference & a Copious Index ...** Natal (South Africa),William James Dunbar Moodie,1856 *Purchas His Pilgrimes* Samuel Purchas,1625 *British and Foreign State Papers* Great Britain. Foreign Office,Great Britain. Foreign and Commonwealth Office,1888 Redeeming the Great Emancipator Allen C. Guelzo,2016-02-12 Abraham Lincoln projects a larger than life image across American history owing to his role as the Great Emancipator Yet this noble aspect of Lincoln s identity is the dimension that some historians have cast into doubt The award winning historian and Lincoln scholar Allen Guelzo offers a vigorous defense of America s sixteenth president **Executive Orders and Proclamations Issued by the Civil Governor** Philippines. Governor,1918

In Praise of Dharmadhatu Nagarjuna,Rangjung Dorje,2021-06-01 Nagarjuna is famous in the West for his works not only on Madhyamaka but his poetic collection of praises headed by In Praise of Dharmadhatu This book explores the scope contents and significance of Nagarjuna s scriptural legacy in India and Tibet focusing primarily on the title work The translation of Nagarjuna s hymn to Buddha nature here called dharmadhatu shows how buddha nature is temporarily obscured by adventitious stains in ordinary sentient beings gradually uncovered through the path of bodhisattvas and finally revealed in full bloom as buddhahood These themes are explored at a deeper level through a Buddhist history of mind s luminous nature and a translation of the text s earliest and most extensive commentary by the Third Karmapa Rangjung Dorje 1284 1339 supplemented by relevant excerpts from all other available commentaries The book also provides an overview of the Third Karmapa s basic outlook based on seven of his major texts He is widely renowned as one of the major

proponents of the shentong other empty view However as this book demonstrates this often problematic and misunderstood label needs to be replaced by a more nuanced approach which acknowledges the Karmapa s very finely tuned synthesis of the two great traditions of Indian mahayana Buddhism Madhyamaka and Yogacara These two his distinct positions on Buddha nature and the transformation of consciousness into enlightened wisdom also serve as the fundamental view for the entire vajrayana as it is understood and practiced in the Kagyu tradition to the present day *The History of the World* Claude Stahl,2017-08-21 From the dawn of civilization to the height of European power over the birth prosperities and declines of empires on four continents this compact world history book takes a fascinating journey through the most significant events in history and shows you the cultural achievements of people countries and civilizations long forgotten Discover the history of the world anew and get a basic understanding of the times and the developments of historical periods Each area of the world has a unique history and you will learn the glory and downfalls of great empires and their leaders This world history book for learners will give you an unhindered perspective of world history through this book you will learn of true cultures and understand the historical timeline of countries and areas
