

HIDDEN SECRETS of the GREAT PYRAMID

The Great Pyramids Speaks In Prophecy

Frederick Lawrence Rawson

The Great Pyramids Speaks In Prophecy:

Clairvoyance and Clairaudience - Premonitions and Impressions Edward B. Warman,1995-12 **The Earth Changes Survival Handbook** Page Bryant,1983 Noted Prophecies, Predictions, Omens, and Legends Concerning the Great War and the Great Changes to Follow ,1917 Pyramid Prophecies Max Toth,1988-03 The author of Pyramid Power reveals prophetic evidence concealed for centuries within the Great Pyramid of Giza and compares it with the prophecies of Edgar Cayce and Nostradamus *Biblical Code Found on the Face of the Great Pyramid Reveals: the Return of Christ in 2040* Gary Brannock,2012-04-24 In Revelation John is given an enigmatic vision which is filled with apocalyptic world events to take place just prior to the return of Christ Therefore for centuries countless scholars have attempted to interpret the dream and reveal when these future events would come to fruition But because of its vague and confusing scenarios they were left perplexed and could only speculate and theorize as to what John was attempting to convey in his prophecy This writing begins by comparing the stone coffer in the Great Pyramid to the Bibles lost Ark of the Covenant and in doing so many astounding revelations are brought to light But when I focus solely on the pyramid itself I stumble across a cryptic clue And once I unravel its hidden mystery a 15 000 year old secret is revealed that connects the Great Pyramid to God the Holy Bible and Christ and leads me straight to the book of Revelation in which for the first time ever Johns vision is revealed Upon reading this book you will understand that the reason for the ambiguity of Johns vision was because it was not meant to be interpreted until the end of time was at hand But moreover you will learn the location of the mysterious city of Babylon the location of the bottomless pit when the Antichrist will enter into the world from out of the pit how and from where he will rise to power who will crown him as a king and of his greatest miracle that will deceive many nations into believing he is the risen Christ But most imperative you will learn that because Johns vision has been revealed in advance that at present its a prophecy in the form of a warning but also that if this warning is not heeded it is soon to become one of destiny **Life Understood from a Scientific and Religious Point of View** Frederick Lawrence Rawson,1920 *The Great Pyramids Speaks in Prophecy* Henry James Forman,2005-12-01 *The Secret Geometry of the Dollar* Ken McGrath,2002-12-12 This book is intended as research It has been written so the average reader will be able to see the fascinating patterns of symbolic mathematics and geometry hidden in the design of the dollar bill Much of its esoteric symbolism will be shown and analyzed from history of the long train of tradition that led up to the dollars present design Although some of these ideas easily lead to wide ranging philosophical speculation and I reserve the right to drag out the soapbox occasionally I will none the less try to maintain a neutral or scientific approach to these topics Most of this story has been written in the first person like a letter to the reader like a notebook In order that the reasoning that led me to these discoveries might be more easily understood I have tried to show my slow progress and mistakes more or less as they happened and the gradual development of my thinking as I went along But to all of this I will add some hindsight and a certain amount of convenient arrangement of the

order of some of the discoveries for clarity Without this most of my starting points of investigation and conclusions will not be understandable and many of my earlier dubious paths can be left unsaid Since this curious and strange design is not yet completely known or fully analyzed this investigation is by no means finished and should be an invitation for more adventurous readers to make their own discoveries This study is a much larger task than it would appear at first glance This writing will provide many of the mathematical keys and clues to enable readers to start to investigate on their own or to demonstrate to themselves the validity of those things shown here But these are hidden symbols both philosophical and mathematical and as such need to be puzzled out

Scientist W. E. Van Amburgh,2005-07-15 IN 1924 a lengthy article appeared in the May 21 issue of The Golden Age magazine titled A Bible for the Scientist The article was revised and republished in the December 31 issue with the byline by W E Van Amburgh This article asserts that the Great Pyramid at Giza was Bible number one and presents proofs FROM THE PYRAMID for Watchtower expectations speculations and predictions for the dates 1789 1874 1914 1925 and 1926 The publisher of The Golden Age magazine was the Watch Tower Bible Tract Society of which organization W E Van Amburgh was the Secretary Treasurer for 43 years Followers of The Watchtower Bible Tract Society called Jehovah s Witnesses since 1931 believe that in the year 1919 The Watchtower Bible Tract Society was selected as God s sole channel of communication with man These are some of the things that The Watch Tower Bible Tract Society was teaching when Jesus selected them as his faithful and discreet slave millennial star ,1878 **The Latter-day Saints' Millennial Star** ,1878 Prophecy's

Trail Jeff Holland,2017-02-22 It was 1917 and the world was in the most destructive war it had ever experienced Many believed that it was a sign that the end times were upon them Indeed prophetic events were happening but not as the world thought Fifteen year old Philo Sadler didn t know a thing about prophecy For him religion was just a vague memory of happier days That was about to change *Pyramids and Prophecies* Nakoa Rainfall,AI,2025-02-20 *Pyramids and Prophecies* explores the fascinating link between ancient pyramids and prophetic traditions across diverse cultures It examines how civilizations from Egypt to Mesoamerica associated these monumental structures with predictions and apocalyptic events Did these societies view pyramids as mere tombs or did they also believe they held keys to the future The book presents evidence suggesting pyramids were focal points for communal hopes and fears about the future reflecting deep seated anxieties and worldviews The book delves into specific prophetic narratives looking at pyramid texts in Egypt and the Mayan Long Count calendar It analyzes common themes such as cyclical destruction and messianic figures revealing shared human beliefs about time and destiny *Pyramids and Prophecies* uniquely connects Biblical Studies Prophecy with historical analysis offering

alternative interpretations of ancient history and prophetic traditions without sensationalism The book unfolds systematically starting with an introduction to pyramids across cultures then exploring specific prophecies and finally analyzing common themes and their lasting influence This approach allows readers to understand how ancient prophecies can influence contemporary beliefs encouraging critical evaluation of claims about the future The Mystical Life of Jesus Harvey Spencer Lewis,1929 *G.K.'s Weekly* ,1927 **Asteroid Answers to Ancient Calendar Mysteries** Herbert B. Stollorz,2008-07-03 Ancient calendars found around the world are designed to end one point in time They communicate an urgent warning to everyone alive today Complex bronze and gold clocks with multiple dials are found in museums around the world Why they have such advanced intricacy has stumped scientists for hundreds of years This book reveals why the ancients built so many pyramids observatories as well as those complex gold and bronze clocks with more than one dial It surprised me greatly to discover that their various complex designs in one way or another converge on 21 December 2012 It amazes me that ancient cultures separated by thousands of miles of geography and thousands of years in chronology agree so precisely in the cyclical nature of time history and prophecy which is history written in advance The most famous example is the Mayan Aztec calendar which ends its 25 626 year cycle on that momentous date Some researchers have also found 21 December 2012 in what is called the Bible Code Using very different research methods I discovered it in the Bible s book of Revelation and Daniel s prophecies It is one of the most important dates in the plan of God for all humanity **Dictionary Catalog of the Research Libraries of the New York Public Library, 1911-1971** New York Public Library.
