Performance and Popular Music Ian Inglis, 2007-11 Since the emergence of rock and roll in the early 1950s there have been a number of live musical performances that became hugely influential in the way they shaped the subsequent trajectory and development of popular music Each in its own way introduced new styles confronted existing practices shifted accepted definitions and provided templates for others to follow *Performance And Popular Music* explores these processes by focusing on some of the specific occasions when such transformations occurred An international array of scholars reveal that it is through the dynamics of performance and the interaction between performer and audience that patterns of musical change and innovation can best be recognised

The Great Tithing Scam A. Bruce Wells, 2006-07 Some have said that the word scam is too strong for a book that argues against the church's most sacred cow but scam is exactly the right word because tithing has been put forth as a duty that will earn that which Christ suffered and died to freely give us Not only is it wrong to suggest that tithing will do what Christ died to do such as open heaven or make one right with God but such teaching is an insult to His sacrifice and in reality an enemy to the Cross even as circumcision was in the early church Our ministers have been naively leading the church back under the Old Testament Law and its curse with imagined tithing promises that have gone way beyond even that which Malachi promised Under the guise of obedience faithfulness and stewardship we've been duped into believing we must prove ourselves without realizing that practicing the Law tithing blocks us from becoming sons and heirs according to Galatians 4:5 Do you know that The book of Malachi was never intended to be instruction to the New

Testament church All the ordinances in Malachi including tithing were nailed to Jesus cross according to Colossians chapter 2 Tithing is part of the Law according to Matt 23 23 Malachi 3 7 and Hebrews 7 18 The practice of tithing the Law can expose you to the curse of the Law causing incurable sicknesses debt death and many other problems according to the Apostle Paul in Galatians 3 10 The practice of tithing actually removes you from the state of grace and places you back the category of sinner Hebrews 5 4 Tithing causes you to frustrate the grace of God and causes Christ to profit you nothing Galatians 2 21 and 5 2 Making tithing a practice today actually causes the New Testament to become another gospel according to Paul in Galatians 1 6 Order The Great Tithing Scam today and find out what else tithing will or won't do
