Kincraft Todne Thomas, 2021-02-22 In Kincraft Todne Thomas explores the internal dynamics of community life among black evangelicals who are often overshadowed by white evangelicals and the common equation of the Black Church with an Afro Protestant mainline Drawing on fieldwork in an Afro Caribbean and African American church association in Atlanta Thomas locates black evangelicals at the center of their own religious story presenting their determined spiritual relatedness as a form of insurgency She outlines how church members cocreate themselves as spiritual kin through what she calls kincraft the construction of one another as brothers and sisters in Christ Kincraft which Thomas traces back to the diasporic histories and migration experiences of church members reflects black evangelicals understanding of Christian familial connection as transcending racial ethnic and denominational boundaries in ways that go beyond the patriarchal nuclear family Church members also use their spiritual relationships to navigate racial and ethnic discrimination within the majority white evangelical movement By charting kincraft s functions and significance Thomas demonstrates the ways in which black evangelical social life is more varied and multidimensional than standard narratives of evangelicalism would otherwise suggest **George Beverly Shea** Paul Davis, 2009 An

Harper, 2017-04-26 In *The Gaithers and Southern Gospel* Ryan P. Harper examines songwriters Bill and Gloria Gaither's Homecoming video and concert series a gospel music franchise that since its beginning in 1991 has outperformed all Christian and much secular popular music on the American music market The Homecomings represent southern gospel Typically that means a musical style popular among white evangelical Christians in the American South and Midwest and it sometimes overlaps in style theme and audience with country music The Homecomings nostalgic orientation their celebration of traditional kinds of American Christian life harmonize well with southern gospel music past and present But amidst the backward gazes the Homecomings also portend and manifest change The Gaithers deliberate racial integration of their stages their careful articulation of a relatively inclusive evangelical theology and their experiments with an array of musical forms demonstrate that the Homecoming is neither simplistically nostalgic nor solely southern Harper reveals how the Gaithers negotiate a tension between traditional and changing community norms as they seek simultaneously to maintain and

expand their audience as well as to initiate and respond to shifts within their fan base Pulling from his field work at Homecoming concerts behind the scenes with the Gaithers and with numerous Homecoming fans Harper reveals the Homecoming world to be a dynamic complicated constellation in the formation of American religious identity **Billboard** ,2002-11-02 In its 114th year Billboard remains the world s premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends *Into His Presence* Timothy L. Anderson,2019-07-30 A theologically grounded treatment of what it means to be close to God Numerous Christian books aim to provide guidance on relationships with God but few base their conclusions on a biblical theology of intimacy In this volume Tim Anderson develops a biblical and holistic portrait of nearness to God exploring key themes like God s Trinitarian union the fall God s fatherhood marriage imagery suffering and our relationship with the Holy Spirit A concluding chapter examines contemporary Christian songs that address oneness with God and evaluates their theological messages in light of the previous chapters *Into His Presence* is a helpful guide for pursuing intimacy with God and distinguishing contemporary cultural understandings of close relationships from those communicated in Scripture **Billboard** ,1999-07-03 In its 114th year Billboard remains the world s premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends **More Than Precious Memories** Michael P.
