The Green Desert:

The Green Desert Edward Peattie, 1996-01-01 Revitalization of a Green Desert Richard T. Daley, 1997 *The Green Desert* Harri Webb, 1976-01-01 **The Green Desert** Rita Winters, 2004 The author chronicles fifteen days of her inner journey during which she retreats from her comfortable life into the Sonoran desert to live among half dead things and commune with the Creator of the universe in a quiet place **The green desert** Edward Banks, **The Green Desert** Rita Winters, 2001 Rita Winters burnt out creative director for a national advertising agency in Chicago reads a book about sabbaticals and retreat centers while flying back from a new business pitch On impulse she leaves her job and family behind books a flight to Tucson and begins her first silent retreat ever at the Desert House of Prayer in the Sonoran Desert It is here that Winters transformation from jaded workaholic to spiritual pilgrim begins The desert s stillness let me finally hear my own voice and occasionally what I thought to be God s And within it I came to feel connected to all those in the past who had sought the desert s isolation she writes By listening instead of talking Winters regains respect for the power of words Like the high desert that surrounds her she is made new and green by the hidden wells she discovers in herself and the ancient forbidding landscape *The Green Desert* Harri Webb, 1969 **Paradoxes of Green** Gareth Doherty, 2017-02-07 This innovative multidisciplinary study considers the concept of green from multiple perspectives aesthetic architectural environmental political and social in the Kingdom of Bahrain where green has a long and deep history of appearing cooling productive and prosperous a radical contrast to the hot and hostile desert Although green is often celebrated in cities as a counter to gray urban environments green has not always been good for cities Similarly manifestation of the color green in arid urban environments is often in direct conflict with the practice of green from an environmental point of view This paradox is at the heart of the book In arid environments such as Bahrain the contradiction becomes extreme and even unsustainable Based on long term ethnographic fieldwork Gareth Doherty explores the landscapes of Bahrain where green represents a plethora of implicit human values and exists in dialectical tension with other culturally and environmentally significant colors and hues Explicit in his book is the argument that concepts of color and object are mutually defining and thus a discussion about green becomes a discussion about the creation of space and place Saguaro National Park Will Macpheat, 2011-06-01 A collection of photographs taken in Saguaro National Park Arizona near Tucson Geology of the Green River Desert-cataract Canyon Region Arthur Alan Baker, Emma Mertins Thom, 1946 At the Desert's Green Edge Amadeo M. Rea, 2016-06 Winner of the Society for Economic Botany s Klinger Book Award this is the first complete ethnobotany of the Gila River Pima presented from the perspective of the Pimas themselves **Dense and Green Building Typologies** Thomas Schröpfer, Sacha Menz, 2018-07-11 In this book academics policy makers developers architects and landscape architects provide a systematic review of the environmental social economic and design benefits of dense and green building types in high density urban contexts and discuss how these can support higher population densities higher

standards of environmental sustainability and enhanced live ability in future cities China: Innovative Green Development Angang Hu, 2016-11-25 This book is particularly concerned with China's path to green development and how it can be understood exploring questions such as how the goal of Chinese led green development can be achieved The book provides systematic explanations of the theory of green development exploring its background its theoretical basis the areas it covers the stages it encompasses and the constraining and favorable factors involved We see how humankind is at a period of transition from the traditional black industrial civilization to a modern green ecological civilization The author gives a profound critique of the traditional Western model of development provides a comprehensive analysis of the crisis and the opportunities presented by green development and depicts the grand goal of green modernization in a creative bold forward looking manner A three step strategy to design and promote green development is proposed Readers will discover why China must become an innovator practitioner and leader of green development and how green planning is an important means to establish green development The book explores how local governments can become green innovation practitioners and how enterprises can become the main arena of green development This book is a creative and innovative work that will appeal to scholars interested in the long term development of humankind in general and China in particular It also serves well as a green development textbook presenting related scientific knowledge and important information for decision making in a concise easy to understand form **Learn and Play the Green Way** Rhoda Redleaf, 2008-12-01 Updated version of bestselling *Learn and Play the Recycle Way* to involve children in thinking green The Green Thread Patrícia Vieira, Monica Gagliano, John Charles Ryan, 2015-12-24 *The Green Thread* Dialogues with the Vegetal World is an interdisciplinary collection of essays in the emerging field of Plant Studies The volume is the first of its kind to bring together a dynamic body of scholarship that shares a critique of long standing human perceptions of plants as lacking autonomy agency consciousness and intelligence The leading metaphor of the book the green thread echoing poet Dylan Thomas phrase the green fuse carries multiple meanings On a more apparent level the green thread is what weaves together the diverse approaches of this collection an interest in the vegetal that goes beyond single disciplines and specialist discourses and one that not only encourages but necessitates interdisciplinary and even interspecies dialogue On another level the green thread links creative and historical productions to the materiality of the vegetal a reality reflecting our symbiosis with oxygen producing beings In short *The Green Thread* refers to the conversations about plants that transcend strict disciplinary boundaries as well as to the possibility of dialogue with plants The Green Planet Simon Barnes, 2022-01-06 Praise for *The Green Planet* BBC One David Attenborough's gobsmacking awe inspiring return *The Guardian* *The Green Planet* reveals the secret lives of plants in the same way *The Blue Planet* opened our eyes to the oceans *New Scientist* There's something new under the sun Plants live secret unseen lives hidden in their magical world and on their timescale From the richest jungles to the harshest deserts from the snowiest alpine forest to the remotest steaming swamp *Green Planet* travels

from one great habitat to the next showing us that plants are as aggressive competitive and dramatic as the animals on our planet You will discover agents of death who ruthlessly engulf their host plant but also those that form deep and complex relationships with other species such as the desert cacti who use nectar loving bats to pollinate Although plants are undoubtedly the stars of the show a fascinating new light will be shed on the animals that interact with them Using the latest technologies and showcasing over two decades of new discoveries Green Planet reveals the strange and wonderful life of plants like never before a life full of remarkable behaviour emotional stories and surprising heroes

Welsh Environments in Contemporary Poetry Matthew Jarvis,2021-03-15 Welsh Environments in Contemporary Poetry examines the question of how recent English language poetry from Wales has responded to the diverse physical environments of Wales The first volume to offer a sustained assessment of Welsh poetry in English within the context of recent developments in environmental literary criticism this book also draws on aspects of human geography to explore the rich contemporary poetics of Welsh space and place Opening with an examination of poets from the 1960s as well as the early work of R S Thomas Welsh Environments in Contemporary Poetry subsequently concentrates on the poetry of writers who have come to prominence since the 1970s Gillian Clarke Ruth Bidgood Robert Minhinnick Mike Jenkins Christine Evans and Ian Davidson Close reading of key texts reveals the way in which these writers variously create Welsh places landscapes and environments fashioning rural and urban spaces into poetic geographies that are both abundantly physical and inescapably cultural Far from reducing Wales to mere scenery the poetry that emerges from this book engages with the environments of Wales not just for their own sake but as a crucial way of exploring key issues in Welsh culture from the negotiation of female identity in a land of masculine myths to the exploration of Welsh space in a global context

The Poetical Works of Armstrong, Dyer, and Green John Armstrong,John Dyer,Matthew Green,1858 [The Collected Works of W.H. Hudson: Green mansions; a romance of the tropical forest](#) William Henry Hudson,1923 **Creation Care and the Gospel** LAUSANNE MOVEMENT,2016-06-02 How should Christians react to environmental crisis Historically evangelicals have ignored this aspect of living for Christ so this book aims to reinvigorate and empower Christians across the globe to care for creation This book collects the work of biblical scholars theologians biologists environmental researchers and community organizers who met at The Global Consultation on Creation Care and the Gospel in Jamaica in 2012 Participants from 23 countries as diverse as Argentina Bangladesh Benin and Canada gathered for five days to pray talk and reflect on the state of the planet the home in which we live and on the role and ministry of the church in caring for God s creation The book contains biblical and theological affirmations from well respected scholars and teachers reminding us that caring for creation is central to the evangelical faith It is an integral part of our mission an expression of our worship of God and a matter of great joy and hope

Embracing the Tune of Term: An Psychological Symphony within **The Green Desert**

In a world used by monitors and the ceaseless chatter of immediate transmission, the melodic beauty and mental symphony developed by the prepared term usually disappear into the backdrop, eclipsed by the relentless sound and distractions that permeate our lives. Nevertheless, set within the pages of **The Green Desert** a stunning fictional prize full of organic feelings, lies an immersive symphony waiting to be embraced. Crafted by a wonderful musician of language, that captivating masterpiece conducts visitors on an emotional journey, skillfully unraveling the concealed tunes and profound influence resonating within each cautiously crafted phrase. Within the depths with this touching examination, we can examine the book is key harmonies, analyze their enthralling writing design, and surrender ourselves to the profound resonance that echoes in the depths of readers souls.
