Slug Bread Beheaded Thistles Amusing Useful Techniques For Nontoxic Gardening Housekeeping:

Slug Bread and Beheaded Thistles Ellen Sandbeck,1995-06 Americans use approximately half a million tons of pesticide each year but many studies suggest that this harms humans as much as unwanted insects The household cleaner industry is also booming while The National Center for Health Statistics attributes the rise in respiratory cancers and diseases among homemakers to the use of toxic cleaning products Restoring time tested human friendly techniques for maintaining your home and garden Slug Bread and Beheaded Thistles offers ingenious nontoxic alternatives to the highly poisonous chemicals found in the average kitchen cupboard Try citrus as a solvent or use sour skim milk to kill plant viruses Rid yourself of lice with coconut oil Baking soda white vinegar and coffee grounds all offer safe alternatives to deadly cleansers In the garden cornmeal cuts down on cutworms and wood ashes keep the slugs away Overflowing with simple highly effective tips like these along with invigorating illustrations Slug Bread and Beheaded Thistles offers a refreshing way of living and thriving Expanded from its successful self published edition this will be a staple ingredient for every chemical free pantry

Slug Bread and Beheaded Thistles Ellen Sandbeck,2000 An advocate for organic household cleaners and pesticides shares her favorite methods for maintaining a clean home and a glowing garden naturally

Slug Bread and Beheaded Thistles Ellen Sandbeck,2010-04-14 Off with their heads Many homemakers and gardeners take the easy way out when it comes to exiling odors and banishing bugs they use toxic chemicals that may be harmful to their families and the earth Ellen Sandbeck has discovered that the all natural alternatives are just as easy and effective to use and that they are wickedly fun Sandbeck s way of banishing thistles from her backyard kingdom is a case in point she chops off their heads and lets them bleed to death Slug Bread Beheaded Thistles reveals all of her best tricks From bedroom to bathroom garden to lawn your home will be clean and green and pest free Explode cockroaches with baking soda and sugar Freshen your car with coffee grounds Keep out slugs with a bread dough that kills Armor your plants with soap spray Grow disease resistant plants by putting sick ones in your compost pile Eradicate crayon marks with mayonnaise Protect your roses with a minefield of garlic Get rid of raccoons with dirty laundry Cure plant viruses with spoiled milk

Organic Housekeeping Ellen Sandbeck,2007-11-01 Longing for a kinder gentler world As the old saying goes everything begins at home and odds are if you live in the all American household the air inside is more toxic than the air outside even if you live in the most polluted of cities You regularly handle the filthiest object in your home the kitchen sponge and put the same chemicals on your face that are used in brake fluid and antifreeze The cleaning agents and personal care products commonly marketed to and used in American homes contain not only some very dangerous toxic chemicals but they also create an overly clean chemically bombed out house that compromises immune systems And with more than fifty million Americans suffering from allergies and other autoimmune diseases not to mention the developing and fragile immune systems of children and seniors large numbers of people are actually being made sicker and sicker by their homes Learn to live a clean healthy more economical

way with Ellen Sandbeck the nontoxic avenger In this must have book for the twenty first century home this passionate witty advocate of all things organic will teach you how to maintain every part of the home from living room to septic tank kitchen floor to bathroom sink using safe simple cleansers and quick preventative measures as well as the most effective organic products on the market to get the job done Learn time saving preventative housekeeping such as taking thirty seconds to clean the shower while you shower Take care of bathroom stains with baking soda and vinegar rather than commercial toxic bathroom bombs peddled to you with such force by manufacturers Need whiter whites There is no bleaching power on earth stronger than the sun Snow clean your fine rugs Choose fruits and vegetables from the relatively pesticide residue free list Clean felt tipped pen stains with vodka Make furniture shine with olive oil and lemon Your house will also smell as great as it looks
