The Dead Husband Cookbook Danielle Valentine, 2025-08-05 One husband well done When infamous chef restauranter and television personality Maria Capello's husband died the media circus was intense and quick to cast the blame Whispers claimed Maria murdered her husband to build her culinary empire on his bones and that there was an all too grisly reason his body was never recovered Yet for the past few decades the Capello family maintained their stoney silence until now Thea Woods has no idea why she was chosen to work with Maria on her sure to be infamous memoir but she doesn't question her luck Spirited away to the Capello's rustic upstate farm she's soon embroiled in the mystery and cut off from the rest of the world It should be the job of a lifetime but something's not quite right with the close knit clan and Damien Capello isn't the only one to go mysteriously missing over the years As the true story of Maria's past unfolds and the stench of rot hidden behind the kind coastal grandmother veneer rises Thea finds herself trapped and desperately afraid Because there are reasons why Damien's body was never found and why in over thirty years Maria Capello has never revealed the secret ingredient in her most famous recipe
