

The Lesson

I keep on dying again.

Veins collapse, opening like the
Small fists of sleeping
Children.

Memory of old tombs,
Rotting flesh and worms do
Not convince me against
The challenge. The years

And cold defeat live deep in
Lines along my face.
They dull my eyes, yet
I keep on dying,
Because I love to live.

Small Poems Again:

Poetry People Sylvia M. Vardell, 2007-06-30 Dr Sylvia Vardell's new children's poetry reference book provides a comprehensive introduction to more than 60 contemporary young people's poets. Focusing primarily on those who are still actively writing today, the author includes poets appropriate for young children through young adults. Each entry features brief biographical information, highlights selected poetry books, authored showcases, awards won, notes, related Web sites, and provides suggestions for making connections, programming ideas, related books, and activities. The book is ideal for librarians who serve children and young adults as well as for teachers and others who work with children and young adults. Beginning with Arnold Adoff, the list of poets is both impressive and informative. A sample: Francisco Alarcon, Aileen Fisher, Douglas Florian, Nikki Giovanni, Kristine O'Connell, George Jane Yolen, Eloise Greenfield, John Ciardi, and many more. **Crone's Book of Magical Words** Valerie Worth, 1999 Crone's Book of Magical Words, previously published as The Crone's Book of Words by Valerie Worth, is the book you've been waiting for. In its pages are over 125 spells, incantations, and charms. If you can think of a purpose for a spell, it's probably in this book. Need a spell to summon a ghost? Or perhaps you want the opposite: a spell to free a house from being haunted. They're both in this book. Do you need something to help you lose weight or have longevity? You'll find them here. Or perhaps you want to pass through a locked door. It's all in this book. Even if you don't know a thing about magic, you can use this book. The spells are easy, poetic, and evocative. For example, to cure a wart, the instructions are: Stamp within a silver cup mullein and houseleek together. Stir them with a sparrow's feather. Let it draw the juices up. Twenty times upon one day brush them over the excrescence. Under sunlight dry the essence. Soon the wart must shrink away. The range in this book is phenomenal. You'll find a simple fertility charm and a way to conjure with smoke. You'll read about how to bring rain and how to stop rain from falling. You'll learn how to tell fortunes with sand or with tea leaves. This is more than just a book about magic; it is a folklorist's bonanza. If you're ready to win another's love or to sweeten someone's disposition, if you want to turn hair long and golden or discover tree spirits, this is the book you must have. Whether you have been doing magic for a long time or are a beginner, this book is a must. **The New York Times Parent's Guide to the Best Books for Children** Eden Ross Lipson, 2000-11-14 The Classic Guide That Helps You Select the Books the Child You Know Will Love. In this third, fully revised and updated edition of The New York Times Parent's Guide to the Best Books for Children, the children's book editor of The New York Times Book Review personally selects and recommends books for children of every age. The most comprehensive and authoritative book of its kind has been completely updated for the new millennium. It contains hundreds of new entries, many expanded descriptions, and notations of additional companion and related titles, more than 1,700 in all. The best-loved classics of the twentieth century are included, as well as a thoughtful selection of outstanding titles from the last decade. Six sections are organized according to reading level: Wordless, Picture, Story, Early Reading, Middle Reading, and Young Adult. In addition to a summary of the book, each entry provides the essential bibliographic information.

you need to find a book in your local library or bookstore including title author and or illustrator hardcover and or paperback publisher and publication year major awards related titles The unique and most popular feature of the guide is its system of special indexes more than sixty in all They make it easy for parents and grandparents teachers and librarians even children themselves to match the right book to the right child Browse through the indexes and find titles for every interest and mood picture books about cats mice or dinosaurs for babies funny books to read aloud to toddlers series about family life or school or fantasy adventures for a middle grade child books on divorce or death and coming of age novels just right for someone starting junior high school There are also indexes for books about minorities and religion an age appropriate reading level index and much more Lavishly decorated with more than three hundred illustrations from representative titles the guide also features extra wide margins for notes on which of your children liked which book at what age and why Thus the guide becomes a family reading record as well as an invaluable resource you ll use again and again

Ten Poems to Change Your Life Again and Again Roger Housden,2010-04-21 Every great poem invites us to step beyond what we know what we think we can dream or dare Great poetry is a catalyst for change a change of mind a change of heart a change of life and yes over and over again and again with each new reading and each new phase of our journey That s why poetry is dangerous It gives voice to our unspoken dreams it is a mirror to our own deepest joys desires and sorrows It can tip us over into a new life into a new way of seeing and being that a moment ago we might even have had no words for In this new volume of his Ten Poems series Roger Housden takes ten great poems and in personal intimate essays shows how they led him and can also lead us into a more deeply lived and examined life Housden says Every one of the poems in this book has struck me a blow a direct hit each of them into the heart of hearts Every one of them in its own way has opened a door for me to go deeper into my own experience my own longings my own sorrows and joys and into the silence that surrounds all of this all of us always

Dutch Literature in the Age of Rembrandt Maria A. Schenkeveld,1991-01-01 Dutch literature of the 17th century while not as famous as other elements of the culture of the Dutch Golden Age deserves

independent focus not only because of its own intrinsic worth but also because of the evidence of strong social concern that it presents and the light it sheds on other aspects of the Golden Age. Despite this, outside the Netherlands the literature has not been examined closely, undoubtedly because of the language barrier but also because there is no reasonable introduction to the material in English. This book fills that lacuna. Richly illustrated, it groups its subjects thematically: politics, religion, nature, daily life. Because Golden Age painting in particular is so famous, the book devotes a special chapter to the connection between poetry and painting. A concluding chapter shows the republic's function as a European literary trading center with brisk import and export. Included also are texts and translations of poems and extensive bibliographies for further study.
