Woodcutter's Grim Series: Volume II {Classic Tales of Horror Retold}

Karen Wiesner, 2015-06-30 A four book miniseries within the Woodcutter's Grim Series dealing with the curse on the Shaussegeny family Moonlight Becomes You Book 4 romantic paranormal Very loosely based on The Town Mouse and the Country Mouse When her child becomes deathly ill and none of the doctors and specialists can help him Heather Rowe rushes to Woodcutter's Grim hoping the boy's father can explain what's happening But Lance Shaussegeny both intrigues and terrifies Heather as much as what he's told her of his hometown does She soon learns that nothing in Woodcutter's Grim including Lance is what it seems Bewitched Book 5 romantic paranormal Very loosely based on The Little Mermaid Glynnis Shaussegeny becomes bewitched by the mystery man who appears out of nowhere on the abandoned property across the lake from her family's estate But does Aric Sayer have even more dark secrets than she does One Night of Eternity Book 6 romantic paranormal Very loosely based on The House That Jack Built The curse pronounced on the Shaussegeny clan for all time was very clear Because the Shaussegeny name has long been synonymous with faithlessness even unto your own chosen mates only one chosen mate will be allotted to each of your kin henceforth These chosen mates must also fall under the family curse but these pairs will know true peace when they become one Herein lays your salvation and your damnation Only if each of your clan remains faithful to their chosen mates in word and deed for all of their days will they have blissful contentment Apart mates shall be restless and forever unsettled gripped by a sadness and despair unlike any other A terrible fate will come upon the one who breaks the mate covenant Gavin Shaussegeny has broken the covenant with his wife Marnie by cheating on her and the betrayal carries a harsh penalty and punishment Although Gavin regrets his faithlessness and loves his wife more than anyone or anything else the house that he's built for himself is rapidly beginning to tumble down around him There is only one chance for salvation for him now Only his mate's undeserved forgiveness will free him from his punishment to re-live his betrayal over and over for all time Beauty is the Beast Book 7 romantic paranormal Very loosely

based on Beauty and the Beast The Shaussegeny family curse came with one final pronouncement And now there is but one manner in which this curse can be broken and obliterated entirely That beauty falls in love with the beast and vice versa that evil loves good and good loves evil If this should happen your family shall be released from each aspect of my curse and your alliance with evil shall be ended Ransom Shaussegeny attempts to cure the family of the curse they live under Instead he becomes a werewolf trapped in his beast form and isolates himself inside the family fortress When he meets Tess Moore a beautiful enchantress and falls under her spell Ransom no longer knows who or what is real or whether the evil in Woodcutter s Grim is about to have the last laugh by dooming him the woman he loves and his family for all time *The Most Typical Avant-Garde* David James,2005-05-30 Los Angeles has nourished a dazzling array of independent cinemas avant garde and art cinema ethnic and industrial films pornography documentaries and many other far flung corners of film culture This glorious panoramic history of film production outside the commercial studio system reconfigures Los Angeles rather than New York as the true center of avant garde cinema in the United States As he brilliantly delineates the cultural perimeter of the film business from the earliest days of cinema to the contemporary scene David James argues that avant garde and minority filmmaking in Los Angeles has in fact been the prototypical attempt to create emancipatory and progressive culture Drawing from urban history and geography local news reporting and a wide range of film criticism James gives astute analyzes of scores of films many of which are to found only in archives He also looks at some of the most innovative moments in Hollywood revealing the full extent of the cross fertilization the occurred between the studio system and films created outside it Throughout he demonstrates that Los Angeles has been in the aesthetic and social vanguard in all cinematic periods from the Socialist cinemas of the early teens and 1930s to the personal cinemas of psychic self investigation in the 1940s to attempts in the 1960s to revitalize the industry with the counterculture s utopian visions and to the 1970s when African Americans Asian Americans Latinos women gays and lesbians worked to create cinemas of their own James takes us up to the 1990s and beyond to explore new forms of art cinema that are now transforming the representation of Southern California s geography **Love and Death in the American Novel** Leslie A. Fiedler,1997 No other study of the American novel has such fascinating and on the whole right things to say Washington Post
