Massa,2016-05-20 First published between 1982 and 1983 this series examines the peculiarly American cultural context out of which the nation's literature has developed Covering the years from 1900 to 1930 this fourth volume of American Literature in Context focuses on how American literature dealt with the challenges of the period including the First World War and the stock market crash It examines key writers of the time such as Henry James Gertrude Stein Ezra Pound F Scott Fitzgerald and Eugene O'Neill who unlike many Americans who sought escape confronted reality providing a rich and varied literature that reflects these turbulent years This book will be of interest to those studying American literature and American studies

The Small Town in American Literature, 1915-1930 A. E. Wallace Maurer,2012 World War One, American Literature, and the Federal State Mark Whalan,2018-09-20 In this book Mark Whalan argues that World War One's major impact on US culture was not the experience of combat trauma but rather the effects of the expanded federal state bequeathed by US mobilization Writers bristled at the state's new intrusions and coercions but were also intrigued by its creation of new social ties and political identities This excitement informed early American modernism whose literary experiments often engaged the political innovations of the Progressive state at war Writers such as Wallace Stevens John Dos Passos Willa Cather Zane Grey and Edith Wharton were fascinated by wartime discussions over the nature of US citizenship and also crafted new forms of writing that could represent a state now so complex it seemed to defy representation at all And many looked to ordinary activities transformed by the war such as sending mail receiving healthcare or driving a car to explore the state's everyday presence in American lives

Lectures on American literature Justin Quinn,2011-10-01 The first edition of this book published in 2002 aimed to complete the study material for our students of American literature The third edition strives to emphasize this aspect while expanding and deepening the general overview as well as including other important movements and authors The exposition of the 20th century underwent major changes the scholars added new texts while supplementing the older ones to comply with the development of critical and academic approaches The book is written to the point and in comprehensible language corresponding with the ambition to present and explain the development of one of the most interesting world literatures to university students
