The Smile on My Forehead Jennifer Mosher,2009 This book is my personal memoir of learning to accept my new injured self as I figure out the best way to manage life with a Traumatic Brain Injury It starts like this While driving west on Interstate 80 for my senior year at Brigham Young University my car tumbled five times into the median I was unconscious on impact and I don t remember any part of the accident My next clear memory is waking up on a hospital bed more than two months later wondering where I was and why I had a metal Halo Brace drilled into my skull My family explained I d fractured my neck both femurs and severely injured my brain in a car accident on my way back to college I m in college I asked And the rediscovery of myself began

Brain Damage Ava Stewart,2009-09-01 Ava and her Mother began a wintry Tahoe Christmas with skis and smiles but would end their foray with a life flight to the traumatic care ward of a Reno hospital As Ava stood over her bashed and bloodied mother her fanciful dreams of the best Christmas ever were instantly traded for the realization of the life and death struggle that lay ahead She couldn t conceive the treachery and torment that would befall her family under the care of the state of the art medical facility in which they found themselves The following months would be rife with botched surgeries thwarted transfer attempts forged medical records and insurance fraud just to scratch the surface This book is an account of a brave young woman s baptism into the dark shady world that has come to encompass America s broken medical system

But You Look So Normal Kara Ellsworth,Chris Russo,2013-05 They were both twenty

something's living productive and successful lives when all of a sudden they were both struck by different types of brain injuries Kara suffered a massive stroke and Chris was in a coma that left him paralyzed after a bout with meningitis and encephalitis Despite facing tough odds the two spent countless hours in therapy tirelessly working to regain control and triumph over their brain injuries Little did they know that when they met in speech therapy they would instantly bond fall in love and get married within a couple of years Despite being told they would not return to their previously productive lifestyle this is the true story of Kara and Chris's personal and combined efforts to return to a normal life A big lesson the two learned while recovering is that while you may look normal on the outside brain injuries affect you every day for the rest of your life Wheelchairs walkers canes bumps and bruises on the outside may disappear over time but the damage on the inside of the brain is always there Through their recovery the two have learned to adapt to their new brains while taking it one day at a time Recovery and rehabilitation remains a constant in their lives Inspired by each other the two would like to share their stories in hopes that it may have a positive impact on brain injury survivors caretakers friends and family members Kara Ellsworth and Chris Russo are living happily together with perhaps a full brain between the two of them in Sacramento CA Working as a RN Kara continues to pursue her goal of helping as many people as she can Chris is busy working in his shop establishing himself as the best cobbler in the Sacramento area In their free time you can find them relaxing watching movies traveling in small spurts and taking care of their small animal sanctuary which includes two rescue dogs turtles eels and several fish

A One-Percent Chance of Survival Carol J. Thompson, 2014-03-10 On June 12 1993 Carol's son Scott was involved in a terrifying car accident near Buena Vista Colorado At the age of 22 the young man's life was forever changed as was the course of life for his entire family Carol has been a wife mother and medical transcriptionist for many years This is the story of the life altering accident subsequent legal battles and the life lessons the family learned from this event

Fighting for David Leone Nunley, Dean Merrill, 2012-12-20 Persistent vegetative state that was the term doctors used to describe the condition of Leone Nunley's handsome young son David following a horrific motorcycle crash When doctors were prepared to give up hope for his recovery Leone determined to fight for David's future In this powerfully inspiring story Leone shares her many trials legal financial emotional and spiritual and amazing ways that faith helped her and David overcome She also offers a unique perspective on many of the questions raised by highly publicized cases such as that of Terri Schiavo How much potential has God given the human brain to adapt in the wake of trauma How much time effort and money is enough to invest in attempts at rehabilitation and how much is too much If you've ever wondered whether faith can be more powerful than a doctor's diagnosis look inside You'll find remarkable lessons on choosing hope over despair opting for hard work over giving up and erring on the side of love

The Phoenix Rising Helen Ross Lee, 2020-03 In 2008 Helen suffered a tragic accident in a practice takeoff maneuver that resulted in a grievous traumatic brain injury TBI which precipitated a coma and temporary amnesia Helen refused to give up or give in regardless of the gloomy prognosis from

Lets delve into the realm of bestselling books, exploring the fascinating narratives that have charmed audiences this year. Smile And Jump High The True Story Of Overcoming A Traumatic Brain Injury : Colleen Hoover's "It Ends with Us" This heartfelt tale of love, loss, and resilience has gripped readers with its raw and emotional exploration of domestic abuse. Hoover masterfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can succeed. Smile And Jump High The True Story Of Overcoming A Traumatic Brain Injury : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This captivating historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids compelling storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Smile And Jump High The True Story Of Overcoming A Traumatic Brain Injury : Delia Owens "Where the Crawdads Sing" This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens crafts a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These bestselling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and thrilling novel that will keep you guessing until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
