Petro,2022-06-17 *Uncanny Histories in Film and Media* brings together a stellar lineup of established and emergent scholars who explore the uncanny twists and turns that are often occluded in larger accounts of film and media Prompted by fresh archival research and new conceptual approaches the works included here probe the uncanny as a mode of historical analysis that reveals surprising connections and unsettling continuities The uncanny stands for what often eludes us for what remains unfamiliar or mysterious or strange Whether writing about film movements individual works or the legacies of major

or forgotten critics and theorists the contributors remind us that at the heart of the uncanny and indeed the writing of history is a troubling of definitions a challenge to our inherited narratives and a disturbance of what was once familiar in the uncanny histories of our field     The Philippine Agricultural Review ,1923 Vol 1 6 contain the Annual report of the Bureau of Agriculture for 1906 07 1912 13     **Agricultural News** Commissioner of Agriculture for the West Indies,1915     Payback and Other Stories Tomi Adeaga,Sarah Udoh-Grossfurthner,2018 The short stories explore the complications faced by Africans in living the postcolonial experience especially as it directly impacts the African world its peoples and their sometimes complicated lifestyles The narratives capture not only the angst of seeking meaning in a world that challenges wholeness for African communities and individuals but above all look at ways of retrieval of cultural ancestral knowledge in authenticating themselves     *Departmental Reports* Gold Coast,1918 Includes Report on the blue book and annual reports of various departments     **Hawaii Place Names** John R.
