Strategic Management and Business Policy C Appa Rao, B Parvathiswara Rao, K Sivaramakrishna, 2009 This book on Strategic Management and Business Policy has been designed considering the problem of students in finding out an easily understandable book covering by and large all the related topics. This book presents the fundamental concepts of Strategic Management with current examples and illustrations in a simple, lucid and student-friendly manner. The book, along with other topics, covers a Business Vision, Mission and Objectives; b Environmental and Internal Analysis; c Corporate Business Functional, Global and e Business Strategies; d Strategic Analysis and Choice; e Strategic Implementation Issues; f Strategic Evaluation and Control; g Case Study Methodology. The main feature of this book is a comprehensive coverage of popular analytical frameworks such as i SWOT Analysis; ii Porter's Five Forces Model; iii Ansoff's Product Market Grid; iv Value Chain Analysis; v BCG Matrix. In addition, concepts like core competence, competitive advantage, customer-driven strategy, etc. are elaborated extensively in the book. The book is very useful for the courses such as MBA, PGDBA, BBA, BBM and other professional programmes at graduate and postgraduate level. *Strategic Policies and Businesses in Singapore* Chwee Huat Tan, 1995 The Handbook of Technology Management, Supply Chain Management, Marketing and Advertising, and Global Management Hossein Bidgoli, 2010 The discipline of technology management focuses on the scientific engineering and management issues related to the commercial introduction of new technologies. Although more than thirty U.S. universities offer PhD programs in the subject, there has never been a single comprehensive resource dedicated to technology management. The Handbook of Technology Management fills that gap with coverage of all the core topics and applications in the field. Edited by the renowned Doctor Hossein Bidgoli, the three volumes here include all the basics for students, educators and practitioners. **Strategic Management and International Business Policies for Maintaining Competitive Advantage** De Moraes, Ailson J., 2023-07-17 The discontinuation and turbulent nature of business environments make it crucial for organizations to adopt strategic management practices and develop key business policies to be alert to environmental changes. Organizational competitiveness has become the center of strategic management literature as an explanation for organizational success. However, in the past two decades, there has been a shift in the nature of the relationship between business organizations and society, with business organizations increasingly playing a more proactive role in wider societal issues. Strategic Management and International Business Policies for Maintaining Competitive Advantage allows executives to implement the necessary business policies and strategies in order to help the organization maintain a competitive advantage in a global complex environment. By doing this, organizations will be more proactive than reactive in shaping their own futures. This book allows organizations to initiate and influence activities. Covering topics such as ethical business, marketing, leadership capabilities and strategic management, this premier reference source is an excellent resource for business leaders and executives, managers, entrepreneurs, marketers, economists, government officials, students.
