Strategic Requirements For The Army To The Year 2000:

Strategic Requirements for the Army to the Year 2000 Robert H. Kupperman, William Jesse Taylor, 1984 **Strategic Review**, 1985 dedicated to the advancement and understanding of those principles and practices military and political which serve the vital security interests of the United States Department of Defense Appropriations for 1985 United States. Congress. House. Committee on Appropriations. Subcommittee on Department of Defense, 1984 **Professional Journal of the United States Army**, 1984 **Professional Development of Officers Study: Main report** United States. Department of the Army. Professional Development of Officers Study Group, 1985 Professional Development of Officers Study: Main report Charles W. Bagnal, 1985 *Department of Defense Appropriations* United States. Congress. House. Committee on Appropriations. Subcommittee on Department of Defense, 2002 Department of Defense Appropriations for ... United States. Congress. House. Committee on Appropriations, 1984 **Military Review**, 1984 **Government Reports Announcements & Index**, 1995 Handbook of Military Administration Jeffrey A. Weber, Johan Eliasson, 2007-12-07 While policy makers are perpetually conceptualizing new reform packages the actual enactment of those reforms is typically more challenging Remarkably the one public institution that is able to meet that challenge is also the largest The United States Department of Defense which employs over 600 000 people and deals with 500 billion in fundin

Future Survey Annual 1985 Michael Marien, 1987-01-01 Recruiting for Uncle Sam David R. Segal, 1989 Which citizens have fought America s wars Which ones should fight in the future and how should they be recruited Should military or other national service be an obligation for every citizen David Segal s probing look at the complex issues behind these questions tells us much about the changing manpower needs of our armed forces and about the evolution of civil military relations in the United States Segal analyzes the mobilization contributions and limitations of drafted reservist and volunteer forces from the early days of the republic to the present In the process he shows how Americans have come to separate the benefits of citizenship from service to their country Symptomatic of this separation is the current reliance on an all volunteer military a system that treats military service more as an occupation and opportunity for self advancement than as a civic duty and obligation Drawing on a vast interdisciplinary literature in American history sociology political science and economics Segal illuminates the ways demographics weapons technology international relations scientific management and social policies have all affected the composition of America s armed forces He also shows how the military anticipated and expanded the American welfare system and played a pivotal role in creating better opportunities for minorities and women The capabilities and performance of U S armed forces in future conflicts will depend on a thorough understanding of and informed response to the crucial manpower issues Segal discusses His thoughtful study should be required reading for military professionals and policymakers and will be of interest to anyone concerned about the future of this country s armed forces **Military Construction Appropriations** United States. Congress. House. Committee on Appropriations.

Subcommittee on Military Construction Appropriations,1999 **Military Construction Appropriations for 1999:**
Overview, Defense-wide questions for the record United States. Congress. House. Committee on Appropriations.
