and kids what does it mean to self identify as bisexual or gay what kinds of relationships do I want with men can triads work how do I deal with my children s reaction do I have to leave my wife The insight intelligence and honesty revealed in Bisexual and Gay Husbands make it a riveting read but it also has great clinical and historic value for therapists sex theorists and bisexual men and their families

Male to Male Edward Tejirian, 2013-04-03 Explore the feelings of men toward other men without the pigeonholing found in terms like gay and straight Male to Male Sexual Feeling Across the Boundaries of Identity starts with the evidence that most studies on male sexuality have ignored the same sex feelings of men whose identities are heterosexual Of the more than fifty men in this book almost half were aware of some degree of same sex feeling But beyond percentages the primary focus of Male to Male is the exploration through their own words of how these men experienced same sex feelings what these feelings meant to them the fears surrounding them and the consequences of the collision between their heterosexual identities and their same sex feelings In addition to comparative data on women s same sex feelings as well as on what men say in regard to their feelings about women Male to Male includes material from two in depth case studies The first is on Clark an African American man who moved into sex with men in prison His story shows that the need to see gay men as feminine is really a cultural defense against the powerful pull toward the male to male bond and points to the movement to fulfill that bond when this defense is dropped The second is on Zack a gay police officer His story explores the different dimensions and meanings of the male to male bond as these unfolded in his own life while telling about the heterosexually identified men who came out to him about their own same sex feelings Male to Male will help you explore same sex feelings in heterosexual men and women same sex feelings in the military prison culture and the heterosexual role the fear of domination the aesthetics of fear and power the dynamics of rape compassionate relationships between heterosexual identified men and much more Male to Male provides evidence showing that the identity that really counts constituting the deepest source from which men s sexual feelings for each other spring is not specifically a gay or heterosexual identity That source is rather a male identity and beyond that a human identity **P-form** ,1996 **How Homophobia Hurts Children** Jean M Baker, 2013-12-16 Homophobia hurts kids Explore ways to minimize that trauma This book illustrates the ways that children growing up to be gay are harmed by homophobia before anyone including themselves even knows they are gay This compelling and sympathetic volume describes many simple ways that these children can be helped to understand that they can grow up to lead normal lives with hopes and dreams for their futures How Homophobia Hurts Children Nurturing Diversity at Home at School and in the Community brings home the voices of these children They describe their experiences to show how they came to the frightening recognition that they are part of a group held in disregard by the rest of society even sometimes by their own families Dr Jean M Baker the author of How Homophobia Hurts Children Nurturing Diversity at Home at School and in the Community is a clinical psychologist and the mother of two gay sons In this book she shares her experience as both psychologist and mother to show how the myths and fallacies about

homosexuality have influenced parents schools churches and lawmakers to send children the cruel message that if they are gay they are not normal and will not be able to lead normal lives In this unique volume you ll find a chapter on identity development following the Eriksonian model interviews with high school students who are self identified as gay firsthand descriptions of the harassment and victimization of those perceived as gay in schools research on how victimization at school affects gay youths a discussion of the relatively new phenomenon of gay straight alliances gay support groups or clubs a chapter on transgender identity with interviews with four transsexual persons who describe their personal childhood experiences and their transition process The focus of *How Homophobia Hurts Children Nurturing Diversity at Home at School and in the Community* centering on the social and familial experiences of children who will grow up to be gay but have not yet come to that realization is unique But beyond that this book also explains how homophobia affects the attitudes of non gay children by leading them to believe that it is acceptable to mistreat homosexuals Finally specific suggestions are made for changes in parenting and changes in school classroom practices that could help prevent the harm that is inflicted upon so many of our gay children Everyone who comes in contact with children on their way to becoming gay lesbian bisexual transgender adults needs to read this book *Encyclopedia of Sex and Gender* Fedwa Malti-Douglas,2007

Addresses issues of sex and gender at the personal and the social level examines issues of identity status class ethnicity race and nation of sexuality and the body of social institutions and the structures of representation Topics include changing conceptions of the feminine the family and masculinity religion morality cultural images medical practice public health economy and society and many more **The Bear Book II** Les Wright,2016-04-08 Here is a serious discussion of an emerging gay subculture Take another fascinating journey into the bear s den with the latest offering from Les Wright author of *The Bear Book* *The Bear Book II* will show you the contrast between the media image of the fun loving carefree bear man and the health image psychological technological and sexual concerns of bears living in the real world A continuation of *The Bear Book* 1997 this study of typically big hairy and bearded gay men explores bears on a societal and personal level giving a wide voice to bears of all ages nationalities and cultures Among the topics *The Bear Book II Further Readings in the History and Evolution of a Gay Male Subculture* discusses are health concerns of bears bear body images self esteem issues for bears physical and psychological bear attributes as portrayed in the media versus actual individual accounts social and sexual institutions in the bear community the role of the Internet in creating a global bear subculture *The Bear Book II* will help you to understand the life of a bear This unique book the only serious exploration of this topic offers documentation of a subculture in the making complete with subjective and analytical perspectives that support this example of postmodern cultural anthropology **Tongzhi** Edmond J Coleman,Wah-Shan Chou,2013-09-05 *Tongzhi Politics of Same Sex Eroticism in Chinese Societies* examines Chinese societies where the family kinship system rather than sexuality is taken as the basis of an individual s identity With *Tongzhi* you will come to understand the variations of same sex erotica in different Chinese

societies Examining past and present treatment of the subject including instances of discrimination against homosexuals Tongzhi explores same sex eroticism in China Hong Kong and Taiwan and explains the variations of categories and experiences of tongzhi in these countries Just what is Tongzhi Tongzhi is the most popular contemporary Chinese word for lesbians bisexuals and gay people The word which has very positive historical references was a Chinese translation from the Soviet communist term comrade It was appropriated by a Hong Kong gay activist in 1989 for the first Lesbian and Gay Film Festival in Hong Kong by its organizers who wanted to employ an indigenous representation of same sex eroticism The term homosexual was inappropriate because of its use as a medical term denoting sickness and pathology Within a few years tongzhi became a widely used term in Hong Kong and Taiwan and is often used interchangeably with the English term gay But terms such as gay lesbian and queer are Anglo Saxon in origin with specific histories that cannot capture the indigenous features of Chinese same sex relationships Tongzhi implies and includes much more S Mers transvestites and other fetishists who are members of the Chinese sexual counterculture who may be quite heterosexual are also tongzhi And the term has meaning beyond the sexual it embodies a strong sentiment for integrating the sexual legitimizing same sex love the political sharing the goals of fighting heterosexism and the cultural reappropriating their Chinese identity Tongzhi brings you fascinating insight into the history of same sex eroticism in China coming out in Chinese society how colonialism has affected sexual nonconformists in this region racial and sexual dynamics in Colonial Hong Kong the cultural politics of being a tomboy girl in modern Hong Kong queering the mainstream with tongzhi identity politics sexual cultural diversities and differences among contemporary Chinese societies and much more Tongzhi shows how culture influences identity and demonstrates how you can develop relevant strategies for successful activist movements Discussing political movements for gay lesbian bisexual rights and the societal implications of same sex eroticism this intelligent book provides you with a clear understanding of the attitudes toward and meanings of being tongzhi today [Finding a Lover for Life](#) David Price, 2013-11-12 Develop healthy lasting relationships Here is a terrific dating guide for single gay and bisexual men This insightful book provides a proven strategy for creating a satisfying dating life and finding a partner who is right for you It integrates theory and practice to help you create and develop healthy relationships guiding you through the process of dating and relationship formation Finding a Lover for Life comes complete with thought provoking worksheets that challenge myths false beliefs and incorrect assumptions about gay bi men dating and relationships Finding a Lover for Life will save you a great deal of time and frustration in developing dating skills Its rational skills based strategic approach to dating will help you plan organize and focus your efforts in that part of your life Finding a Lover for Life is the tool you need to plan and implement strategies that will attract available dating partners eliminate problems by identifying compatible and noncompatible partners create a healthy relationship It also takes you through an individual preparation routine for dating that will help you to challenge societal views of romance uncover self defeating beliefs resolve past conflicts create affirming and self enabling beliefs This

book will help you learn to date in a healthy and efficient way But more than that Finding a Lover for Life will help you develop a more positive self concept create a healthy community of friends and help you move your life in a new more constructive direction
