Rainer, 1998-09-01 The Church Growth Movement has divided devout Christians Even though Rainer is an advocate his aim here is to present an objective view of the movement its history the theology associated with it and the principles which seem to separate churches that grow from those that don't **Strategies for Growing Your Church** C. Wayne Zunkel, 1986 **New Monasticism and the Transformation of American Evangelicalism** Wes Markofski, 2015 For most of the last century popular and scholarly common sense has equated American evangelicalism with across the board social economic and political conservatism However if a growing chorus of evangelical leaders media pundits and religious scholars is to be believed the era of uncontested evangelical conservatism is on the brink of collapse if it hasn't collapsed already Combining vivid ethnographic storytelling and incisive theoretical analysis New Monasticism and the Transformation of American Evangelicalism introduces readers to the fascinating and unexplored terrain of neo monastic evangelicalism Often located in disadvantaged urban neighborhoods new monastic communities pursue religiously inspired

visions of racial social and economic justice alongside personal spiritual transformation through diverse and creative expressions of radical community In this account Wes Markofski has immersed himself in the paradoxical world of evangelical neo monasticism focusing on the Urban Monastery an influential neo monastic community located in a gritty racially diverse neighborhood in a major Midwestern American city The resulting account of the way in which this movement reflects and is contributing to the transformation of American evangelicalism challenges entrenched stereotypes and calls attention to the dynamic diversity of religious and political points of view which vie for supremacy in the American evangelical subculture New Monasticism and the Transformation of American Evangelicalism is the first sociological analysis of new monastic evangelicalism and the first major work to theorize the growing theological and political diversity within twenty first century American evangelicalism
