# Strategies & Tactics for the MBE®

This new edition of *Strategies & Tactics for the MBE®*, Eighth Edition, has been carefully revised by Steve Emanuel and is full of up-to-date advice on how to answer Multistate Bar Exam (MBE®) questions. In addition to *144 new questions*, it includes details on how to handle each MBE® subject; specific, step-by-step strategies for analyzing different question types; tips about how subtle differences in wording can completely change the meaning of an answer choice; and strategies for "rewording" questions in your mind to make them easier to analyze.

*Strategies & Tactics for the MBE®* contains a full-length, 200-question practice MBE® plus more than 870 additional questions arranged by subject area. **All questions are from actual past exams** released by the National Conference of Bar Examiners. All questions and answers have been vetted personally by Steve Emanuel. Every subject area includes advice on how to handle MBE® questions, how to focus your studies on the most common MBE® topics. Every question has a fully explained answer that analyzes, in detail, every answer choice—after all, it's just as important to know why any given wrong choice is wrong as it

is to know why the correct choice is right. *Strategies & Tactics for the MBE®* will give you the skills to succeed...and the confidence to start.

#### Why use *Strategies and Tactics for the MBE®*?

- It contains **more than 870 questions**, of which more than 650 represent an **actual question asked on a past MBE®**.
- It includes **60 Civil Procedure questions** released by the NCBE, accompanied by answers personally drafted by Steve Emanuel, as well as an addition of **MBE®-style Civil Procedure questions and answers** written by Steve Emanuel.
- This book assumes you **haven't studied** the substantive law in question since your **first year** in law school. So if an answer choice addresses, say, the Erie doctrine or the M'Pherson Rule or quantum meruit, the explanation will recite the doctrine in detail, before analyzing how it applies to the question.
- This book gives you unparalleled step-by-step analysis of **each choice**, and is particularly noteworthy for its detailed **why each wrong choice is wrong**; answers have been written by Steve Emanuel, (and) member of the New York, Connecticut, and Virginia bar associations and has passed a bar exam.

to an answer section, and compare it to any *law school* preparation book...you'll see that *Strategies & Tactics for the MBE®* is the only book that gives you the detailed insights you need.
