**Strategies 2000** Carolyn Pitts Corbin,1989      **Strategies 2000** Carolyn Corbin,1986 Discusses personal growth and financial and career planning suggests how the economy will change by the year 2000 and indicates techniques for achieving prosperity      **The Publishers' Trade List Annual** ,1986      **CLENExchange** ,1987      *Intergenerational Arts in the Nursing Home* Patch Clark,1991-09-25 Since the early 1970s there has been a surge of interest in using the arts as a vehicle to facilitate interaction between young and old *Intergenerational Arts in the Nursing Home* examines some of the programs that have been tested and proven effective Because sources of funding have become less secure in the late 1980s and early 1990s Patch Clark examines other ways to support maintain and further develop these valuable programs Educational programs based in the social studies home economics social skills as well as the arts and language arts are described To assist those hoping to implement similar programs key components of successful programs are discussed in considerable detail Information concerning fundraising including a step by step guide to intergenerational interagency grant writing is provided Ideas and simulated activities designed to prepare the general public for intergenerational activities such as training in the public schools pretraining in the nursing home and awareness training through literature are presented Two chapters examine mutually enjoyable intergenerational activities in drama writing poetry movement dance and music The appendixes include an annotated bibliography plays and worksheets and charts for some of the many projects suggested in this volume Clark s book reaches across the arts ages and curricula and succeeds in combining talents in the arts and academics for a mutually beneficial intercurricular intergenerational experience It should be required reading for retirement and senior center activity directors and teachers at all levels interested in facilitating intergenerational interaction      **MPLA Newsletter** Mountain Plains Library Association,1989      **Bibliographic Guide to Business and Economics** New York Public Library. Research Libraries,1987      **Membership Directory** Association for Educational Communications and Technology,1989      **Live Long and Prosper:How Black Megachurches Address HIV/AIDS and Poverty in the Age of Prosperity Theology** Sandra L. Barnes,2013 This title offers an intriguing examination of 16 representative black megachurches and explores some of their motivations and subsequent programmatic efforts in light of prosperity or health and wealth theology      **Live Long and Prosper** Sandra L. Barnes,2012-12-17 This pioneering new study of the Black megachurch phenomenon brings nuance and depth to the question Are Black megachurches more focused on prosperity than on people Black megachurches and their pastors are often accused of failing to use their considerable resources to help the poor focusing on prosperity theology rather than on social justice requiring excessive monetary and time commitments of members and pilfering church coffers for the their personal use The debate rages on about whether these congregations are doing all they can to address specific challenges facing African American communities *Live Long and Prosper* is a refreshing innovative study that reaches beyond superficial understandings of the Black megachurch phenomenon in a piercing

interrogation of how powerful megachurches address or fail to address two social crises in the Black community HIV AIDS and poverty Live Long and Prosper offers an intriguing examination of sixteen representative Black megachurches and explores some of their motivations and subsequent programmatic efforts in light of prosperity or health and wealth theology Professor Barnes makes the case that the Black megachurch is a complex contemporary model of the historic Black church in response to globalism consumerism secularism religious syncretism and the realities of race She contends that many of these megachurches hold unique characteristics of adaptability and innovation that position them well to tackle difficult social issues Prosperity theology emphasizes two characteristics physical health and economic wealth as examples of godly living and faith This book considers whether and how efforts to address HIV AIDS a health issue and poverty a wealth issue are influenced by church and clergy profiles theology in general and prosperity theology in particular Frame analysis informs this mixed methodological study to compare and contrast experiences theological beliefs pastoral profiles and programs Live Long and Prosper is a must read for general readers academics and students alike indeed anyone interested in the contemporary Black megachurch s response to social problems and the link between theology and social action It is at once a fascinating readable narrative and a rich piece of scholarship complete with extensively documented endnotes statistics informative charts and tables and an exhaustive bibliography
