Aging in Society

Matilda White Riley, Beth B. Hess, Kathleen Bond, 2025-07-01 Originally published in 1983 *Aging in Society* consists of a selection of papers that were prepared by various authors as background papers for the 1981 White House Conference on Aging The papers provided an overview of knowledge on various aspects of aging in the United States at the time Topics covered include aging and the family economic aspects of an aging population recent trends in the geographical distribution of the elderly population and mortality and health differentials by sex Today it can be read in its historical context

Other Cultures, Elder Years Ellen Rhoads Holmes, Lowell D. Holmes, 1995-05-24 Holmes and Holmes have revised their 1983 book and it remains a good supplement for an undergraduate gerontology course or anthropology course It is written at a readable level each chapter has a clear summary It provides an excellent summary of secondary sources avoiding extensive review of primary research complicated theory and methodological issues Clinical Gerontologist Hailed as extremely well organized balanced and impartial in its first edition by The Gerontologist *Other Cultures Elder Years* is once again available in a fully revamped second edition This new edition provides a comprehensive comparative viewpoint on our knowledge about worldwide patterns of aging It addresses everything from demographic patterns to family relations from perceptions of the life cycle to the impact of modernization on the aged Replete with summaries of crucial studies from various parts of the world *Other Cultures Elder Years* also offers three extended case descriptions of Inuit Samoan and white American aged as well as an examination of aging patterns among major American ethnic groups Among the other subjects the text addresses are cultural perspectives in health care the future of aging in America and creativity and the life cycle *Other Cultures Elder Years* is the key text available for use by anyone teaching courses on aging and culture I found the current book a significant

improvement over the first edition It remains to be the only usable text in the anthropology of aging available I see the audiences for the book as instructors for the following courses Anthropology of Aging Sociology of Aging and general social gerontology courses I have used this book in past Anthropology of Aging courses and would do so again Jay Sokolovsky University of Maryland Baltimore County This book does a truly artful job of organizing and presenting the complex diversity of human experience related to aging and cultural influence This book offers an implicit biocultural laboratory to the reader the biologic universal of human aging is shaped by the prism of cultural influence The reader is guided through the evolutionary history of aging among anthropoid primates to hominids to Homo sapiens sapiens who are then examined from cultural perspectives found around the globe The effect is one of inquiry search synthesis and ultimately a confrontation with our inner selves as we negotiate the inexorable march toward our ultimate destiny J Neil Henderson Suncoast Gerontology Center University of South Florida *Aging, Society, and the Life Course, Fourth Edition* Leslie A. Morgan, Suzanne Kunkel, 2011-03-15 Doody's Score 91 4 Stars This book's unfading preoccupation with social context social processes and social structures distinguishes itself and greatly contributes to the discourse in gerontology The Gerontologist This is a comprehensive textbook for both undergraduate and graduate level courses detailing the impact of societal forces on the aging process The book focuses on the diversity of the older population examining it from micro macro perspectives in order to understand aging and the life course as social phenomena This latest edition examines significant changes in the field of social gerontology such as the paradigms of aging and the life course the baby boomer cohorts as they approach retirement and later life the growing interest in global aging and civic engagement This text encourages students to examine aging from personal familial community societal and global perspectives including both the positive and negative realities of aging Key Features Provides websites of interest at the end of each chapter Presents provocative essays on love sex music medicine and crime to further expand on chapter contents Provides review questions and key terms as study guides at the end of each chapter
