Stray Bullets Volume 1: Innocence of Nihilism David Lapham, 2014-11-11 With the return of Stray Bullets it s time to roll out the by story arc trades of David Lapham s influential crime masterpiece These are their stories Follow the lost lives of people who are savagely torn apart by events beyond their control As the innocent world of an imaginative little girl is shattered when she witnesses a brutal double murder Or an introverted young boy on the verge of manhood gets a lesson on just how far is too far when he falls for a needy woman who lives life in the fast lane Or party with a pair of low rent hoods who learn about what is really important in life just when they shouldn t And even learn the story of the most infamous gangster who ever lived Amy Racecar who talks to God lunches with the President and just may be responsible for the end of the world These are some of the tales that will rip out your guts and break your heart Collects Stray Bullets 1 7 About the STRAY BULLETS series Beginning in the 1970s and carrying on into the 1990s Stray Bullets is a period crime drama with moments of humor and absurdity David Lapham s crime noir masterpiece follows the lost lives of people who are savagely torn apart by events beyond their control The innocent world of an imaginative little girl is shattered when she witnesses a brutal double murder An introverted young boy on the verge of manhood gets a lesson on just how far is too far when he falls for a needy woman who lives life in the fast lane Or party with a pair of low rent hoods who learn what is really important in life just when they shouldn t What makes Stray Bullets so brilliant is that it s a crime comic but it s also about growing up about being frustrated with your lot in life about the disappointment of settling down and the mundanity of suburban life Lapham shrewdly presents almost every type of criminal behavior imaginable in stories that can be both unflinchingly honest and heartbreakingly sympathetic The almost Altman esque mix of characters provides seemingly endless pathos and drama and there is a level of realism to the violence that makes it truly startling If movies like Oceans 11 are about the sexy allure of the criminal worlds then Stray Bullets is about the desperation and rage of characters whose lives are ultimately defined by a series of bad choices Stray Bullets Vol. 1 David Lapham, 2014-10-29 With the return of STRAY BULLETS it s time to roll out the by story arc trades of DAVID LAPHAM s influential crime masterpiece These are their stories Follow the lost lives of people who are savagely torn apart by events beyond their control As the innocent world of an imaginative little girl is shattered when she witnesses a brutal double murder Or an introverted young boy on the verge of manhood gets a lesson on just how far is too far when he falls for a needy woman who lives life in the fast lane Or party with a pair of low rent hoods

who learn about what is really important in life just when they shouldn't And even learn the story of the most infamous gangster who ever lived Amy Racecar who talks to God lunches with the President and just may be responsible for the end of the world These are some of the tales that will rip out your guts and break your heart Collects STRAY BULLETS 1 7
