Ridiculed, often overlooked and taken for granted, one had gone from being squished, stretched and molded by those she believed had her best intentions at the forefront of their actions to uncovering what a fool her misplaced trust had made her. Peeling away the misguidance and taking a stand for herself in order to unearth her own self-worth were her only ways out, but could she do it? Or would she remain a pawn to manipulators? Under the firm belief he had no identity other than the history of those who came before him, he wandered life directed by pattern and expectation. The ways of a weapon master and a researcher were all he breathed until an energetic love bounded into his heart and splashed color all over his monochrome routine. And it were the prince of the Tundra Kingdom, no less. While their vast backgrounds proposed a challenge regardless of whatever outcomes that happened upon him, the choices made throughout his journey would test and temper his very identity. Despite this negativity and not knowing of where he truly fit, this traveling tactician was still proud to be alive and hoped he could find a loving soulmate who accepted him as he already did with himself. Yet there are surprisingly times where the heart can stray quite far from fate. Heed and bear witness to their grueling journeys and come to understand what facing oneself truly means.
