Streaking At Harvard:

Streaking at Harvard Christopher E. Smith, 2000-07-21 A young man's hilarious encounters with life, love and a flock of celebrities. It is as if Forrest Gump's smarter brother stumbled through the Ivy League on his way to a career as a college professor. A naked jog around Harvard Yard, an unsuccessful effort to become part of the Kennedy clan, wandering in the West Virginia hills looking for long lost relatives, delivering mail to dead senators on Capitol Hill, catching priceless artifacts thrown by a duchess during the tour of a grand English estate, misplaced nude photographs from a medical photographer and even a face to face encounter with the Queen at Royal Ascot. These outrageously funny stories form a memoir of self discovery by someone who can never quite learn the lessons of life.

Sex and God at Yale Nathan Harden, 2012-08-21 In higher education institutions none holds more clout than Yale University. Yet the school has become a full fledged moral battleground. In 2009 Yale graduate Harden offers a provocative account of what really goes on inside one that will shock any parent of a college bound student.

The Good Girl Revolution Wendy Shalit, 2011-04-20 Across the country there's a youth led rebellion challenging the status quo. In Seattle and Pittsburgh teenage girls protest against companies that sell sleazy clothing. Online a nineteen year old describes her struggles with her mother who she feels is pressuring her to lose her virginity. In a small town outside Philadelphia an eleventh grade girl upset over a dirty book read aloud in English class takes her case to the school board. These are not your mother's rebels. Drawing on numerous studies and interviews the brilliant Wendy Shalit makes the case that today's virulent bad girl mindset truly oppresses young women. She reveals how the media, one's peers and even parents can undermine girls' quests for their authentic selves and explains what it means to break from the herd mentality and choose integrity over popularity. Written with sincerity and upbeat humor *The Good Girl Revolution* rescues the good girl from the realm of mythology and old manners guides to show that today's version is the real rebel. Society may perceive the good girl as mild but Shalit demonstrates that she is in fact the opposite. The new female role models are not people pleasing or repressed they are outspoken and reclaiming their individuality. These empowering stories are sure to be an inspiration to teenagers and parents alike. Join the conversation at www.thegoodgirlrevolution.com.

Girls Gone Mild Wendy Shalit, 2007-06-26 At twenty three Wendy Shalit punctured conventional wisdom with *A Return to Modesty* arguing that our hope for true lasting love is not a problem to be fixed but rather a wonderful instinct that forms the basis for civilization. Now in *Girls Gone Mild* the brilliantly outspoken author investigates an emerging new movement. Despite nearly naked teen models posing seductively to sell us practically everything and the proliferation of homemade sex tapes as star making vehicles a youth led rebellion is already changing course. In Seattle and Pittsburgh teenage girls protest against companies that sell sleazy clothing. Online a nineteen year old describes her struggles with her mother who she feels is pressuring her to lose her virginity. In a small town outside Philadelphia an eleventh grade girl upset over a dirty book read aloud in English class takes her case to the school board. These are not your mother's rebels. In an age where pornography is

mainstream teen clothing seems stripper patented and experts recommend that we learn to be emotionally detached about sex a key and callously targeted audience girls is fed up Drawing on numerous studies and interviews Shalit makes the case that today s virulent bad girl mindset most truly oppresses young women Nowadays as even the youngest teenage girls feel the pressure to become cold sex sirens put their bodies on public display and suppress their feelings in order to feel accepted and temporarily loved many young women are realizing that friends with benefits are often anything but And as these girls speak for themselves we see that what is expected of them turns out to be very different from what is in their own hearts Shalit reveals how the media one s peers and even parents can undermine girls quests for their authentic selves details the problems of sex without intimacy and explains what it means to break from the herd mentality and choose integrity over popularity Written with sincerity and upbeat humor *Girls Gone Mild* rescues the good girl from the realm of mythology and old manners guides to show that today s version is the real rebel She is not people pleasing or repressed she is simply reclaiming her individuality These empowering stories are sure to be an inspiration to teenagers and parents alike *Big Potential* Shawn Achor,2018-01-30 With cutting edge research penetrating insights and practical examples Shawn Achor describes a new conception of success and in doing so reveals exciting new strategies we can use to meet our highest potential Gretchen Rubin bestselling author of *The Happiness Project* A vibrant book on how to bring out the best in others and how they can bring out the best in us Adam Grant 1 New York Times bestselling author of *Think Again* and host of the podcast *WorkLife* In a world that thrives on competition and individual achievement we re measuring and pursuing potential incorrectly Pursuing success in isolation pushing others away as we push ourselves too hard not only limits our potential but makes us more stressed and disconnected than ever Harvard trained researcher Shawn Achor reveals a better approach With exciting new research combining neuroscience and psychology with Big Data Achor shows that our potential is not limited by what we alone can achieve Instead it is determined by how we complement contribute to and benefit from the abilities and achievements of people around us When we as individuals leaders and parents chase only individual achievement we leave vast sources of potential untapped But once we put others back into the equation and work to make others better we ignite a Virtuous Cycle of cascading successes that amplify our own The dramatic shifts in how we approach work today demand an equally dramatic shift in our approach to success In *Big Potential* Achor draws on cutting edge original research as well as his work with nearly half of the Fortune 100 and with places like NASA the NFL and the NBA and offers a new path to thriving in the modern world **Are You Prepared for the Storm of Love Making?** Dorothy Hoobler,Thomas Hoobler,2025-02-04 An irresistibly readable David Michaelis New York Times bestselling author of *Eleanor* collection of love letters by American presidents to their wives and lovers revealing an intimate and deeply personal side of our leaders Our presidents loom so large in history that we often forget they are human *Are You Prepared for the Storm of Love Making* is a collection of handwritten love letters that offers a surprising and intimate portrait of the men who occupied the White House

From George Washington to Barack Obama these are not the presidents we see in history books In this varied and variously entertaining assortment of excerpted letters a careful reader will see in the decorous prose of George Washington and Thomas Jefferson that the hearts of real men beat beneath their stiff frock coats too The Wall Street Journal Some of the letters are incredibly romantic and surprisingly so It took Richard Nixon years to convince Pat Ryan to marry him Someday let me see you again In September Maybe Others will make you blush Staid looking Woodrow Wilson about to return home from a trip warned his wife of ten years Do you think you can stand the unnumerable kisses and the passionate embraces you will receive Are you prepared for the storm of lovemaking with which you will be assailed In letters to one of his mistresses Warren G Harding referred to his penis as Jerry letters which would later be used to blackmail him All the letters show the writer at his most vulnerable We see letters of sorrow written about the death of a child or during a time of separation while the president was away on the battlefield This lovely book stuffed with romantic details is a helpful reminder that historical figures are also human beings petty sappy and flawed The New York Times Book Review revealing a never before seen side of the men we still honor today

Naked Politics Brett Lunceford, 2012-06-14 Naked Politics Nudity Political Action and the Rhetoric of the Body by Brett Lunceford examines the rhetorical power of the unclothed body as it relates to protest and political action This study explores what the disrobed body communicates and how others are invited to make sense of this display The actions examined range from grassroots protests to those of professionalized social movement organizations Specifically Lunceford examines PETA and the use of chained women and the Running of the Nudes lactivists or women engaging in public breastfeeding as protest action in both online and physical space the World Naked Bike Ride s worldwide protest against oil dependency and attempt to raise awareness of the vulnerability of cyclists and a contest held on College Humor that invited women to write their preferred presidential candidate on their exposed breasts and send the picture to them to post on the site Although these actions may seem to have little in common beyond their use of body exposure they all share the notions that something can happen when you take your clothes off and that the act of disrobing can have social and political consequences Moreover these groups illustrate the often paradoxical views of the exposed body by both the participants and the observers and how such bodies operate in the public sphere Even when the voice is silent the body still speaks Naked Politics considers what is being said
