Streb In Teachers Past Present And Future:

Guiding Teachers into Bilingual Education Valérie Fialais, Reseda Streb, 2025-08-30T00:00:00Z This publication aims to build a guideline for both teachers and administrators with monolingual class experience who whether out of interest or necessity wish to create the proper setting for bilingual teaching In addition this guide uses a twofold strategy combining academic research theory and on site bilingual school practice The bridge between the two fields is considered to be the keystone to this book It strengthens the argumentation for both the theoretical concepts employed and professional experience

America, History and Life ,1980 Provides historical coverage of the United States and Canada from prehistory to the present Includes information abstracted from over 2 000 journals published worldwide Politics, Participation & Power Relations Richard C. Mitchell, Shannon A. Moore, 2012-10-01 Until recently youth have become the great absence regarding matters of citizenship justice and democracy Rarely are young people taken up with the important discourses of freedom and citizenship especially discourses that transcend national boundaries and academic disciplines Richard Mitchell and Shannon Moore have put together a brilliant book that not only fills this void but makes one of the most powerful cases I have read for addressing young people in terms that not only allow them to talk back be heard but also to enjoy those rights and freedoms that give democracy a real claim on its ideals and promises Every educator parent student and all those young people now making their voices heard all over the world should read this book Henry A Giroux This diverse collection will appeal to students in senior undergraduate and graduate courses looking into the new cosmopolitanism in social policy citizenship or cultural studies in child and youth studies and in post colonial approaches to education sociology and political science

Beyond MAUS Ole Frahm, Hans-Joachim Hahn, Markus Streb, 2021-08-09 Beyond MAUS The Legacy of Holocaust Comics collects 16 contributions that shed new light on the representation of the Holocaust While MAUS by Art Spiegelman has changed the perspectives other comics and series of drawings some produced while the Holocaust happened are often not recognised by a wider public A plethora of works still waits to be discovered like early caricatures and comics referring to the extermination of the Jews graphic series by survivors or horror stories from 1950s comic books The volume provides overviews about the depictions of Jews as animals the representation of prisoner societies in comics as well as in depth studies about distorted traces of the Holocaust in Herg s Tintin and in Spirou the Holocaust in Mangas and Holocaust comics in Poland and Israel recent graphic novels and the use of these comics in schools With contributions from different disciplines the volume also grants new perspectives on comic scholarship

The Future of Higher Education Les Bell, Mike Neary, Howard Stevenson, 2009-03-11 The Future of Higher Education explores policy pedagogy and the student experience at a conceptual level enabling university staff to place their own work within a wider theoretical framework and to develop their own understandings of some of the key controversies that surround teaching and learning in higher education The book is divided

into three parts Part 1 explores key policies that have shaped higher education since the late twentieth century and traces the impact that these policies have had on the extent and nature of higher education provision Part 2 explores how these emerging policies and the need for higher education institutions to respond to them have produced a radical re evaluation of what higher education is and how it might best be delivered at an institutional level Part 3 gives consideration to pedagogy and the student experience in contemporary higher education The Future of Higher Education will be invaluable to all university staff especially those following the PGCertHE and other programmes within institutional CPD frameworks It will also be of interest to researchers in this field Higher Education: Handbook of Theory and Research Michael B.
