How Can We Explain Black Support For Donald Trump? Kofi Arhin, 2025-05-24 African Americans have long been the backbone of the Democratic Party Yet the rise of Donald Trump with his radical Republican stance did not diminish their support for him compared to previous Republican candidates This book analyzes an intriguing question Why are some African American voters not deterred by Trump's rhetoric Exploring a new theory the book argues that Black Trump voters have varying degrees of attachment to Black identity Those with weaker ties to Black identity are less likely to conform to the expected political behavior of their community Instead their primary identity often Christianity guides their voting decisions This shift in identity prioritization leads them to support the Republican Party regardless of the candidate This book provides a fresh perspective on race identity and political allegiance in contemporary America It will appeal to students scholars and researchers of political science in general and electoral studies in particular

Nishimura, 2013-11-12 Research on the international transfer of technology in economics and management literature has primarily focused on the role of countries and that of companies in particular multinational enterprises MNEs Similarly economic and business historians have tended to view international technology transfer as a way for economically backward countries to acquire new technologies in order to catch up with more developed economies This volume provides a more in depth understanding of how the international transfer of technologies is organized and in particular challenges the core periphery model that is still dominant in the extant literature By looking beyond national systems of innovation and statistics on foreign trade patent registration and foreign direct investment the book sheds more light on the variety of actors involved in the transfer process including engineers entrepreneurs governments public bodies firms etc and on how they make use of a broad set of national and international institutions facilitating technology transfer Put differently the volume offers a better understanding of the complexity of global technology flows by examining the role and actions of the different actors involved By bringing together a number of original case studies covering many different countries over the period from the late 19th to the 21st century the book demonstrates how technology is being transferred through complex processes involving a variety of actors from several countries using the national and international institutional frameworks **The Politics of**

Presidential Term Limits Alexander Baturo, Robert Elgie, 2019-06-20 Presidential term limits restrict the maximum length of time that presidents can serve in office They stipulate the length of term the presidents can serve between elections and the number of terms that presidents are permitted to serve While comparative scholarship has long studied important institutions such presidentialism vs parliamentarism and the effects of different electoral systems we lack a comprehensive understanding of the role and effects of presidential term limits Yet presidential term limits and term lengths are one of the

most fundamental institutions of democracy By ensuring compulsory rotation in office they are at the heart of a democratic dilemma What is the appropriate trade off between allowing the unrestricted selection of candidates at presidential elections vs restricting selection procedures to prevent the possibility of dictatorial takeover by presidents who are unwilling to step down In the context of a long and on going history of changes to presidential term limits and the many and varied ways in which term limits have been both applied and avoided this book explains the factors behind the introduction stability abolition and avoidance of presidential term limits as well as the consequences of changes to presidential term limits and it does so in the context of non democracies third wave countries and consolidated democracies It includes comparative theoretical and practitioner oriented chapters as well as detailed country case studies of presidential term limits across the world and over time Dance Now ,1999 *The Currency Game* Jeffrey A. Frieden,Ernesto Stein,2001 Written by a distinguished group of economists and political scientists from around the hemisphere the essays in this book include analytical perspectives a cross national statistical study and a series of detailed country studies and bring an important new theoretical insights and empirical evidence to that debate in order to best address a policy issue critical to the future of Latin American development Preface *Professional's Guide to Trauma-informed Decision Making* Cortny Stark,Jose Luis Tapia Jr,Kylie Rogalla,Kate Bunch,2024-05-08 Professional s Guide to Trauma informed Ethical Decision Making offers helping professionals a framework comprising the 10 Principles of Trauma informed Ethical Practice Stark Tapia Fuselier Bunch 2022 enhanced with prominent ethical decision making models These principles build upon the SAMHSA 2014 conceptualization of trauma informed care address key concepts such as Adverse Childhood Experiences ACEs and their long term impact marginalization stress the influence of military and law enforcement experience and others Despite distinctions between the diversity of helping professions in credentials scope of practice and theoretical approach the same decision making models for trauma informed care is a requirement for best practice Thus this volume is designed to address the needs of professionals serving diverse clientele particularly those who ve experienced trauma and adversity Practitioners may utilize this text to as a guide to assist with ethical decision making when working with client survivors of trauma and educators may select this text as required reading to support the development of trauma informed clinicians in training
