Assembly, 1979      *The Medieval Dagger* Guy Windsor, 2012-12-31 The term medieval martial arts conjures images of armoured knights wielding sword lance and axe While the image is correct at the foundation of knightly combat was a sophisticated form of close quarter combat

centered on fighting with and against the dagger a deadly weapon of both self defense and last resort In Mastering the Art of Arms Volume One The Medieval Dagger Guy Windsor presents a complete guide to the principles and practice of Italian dagger combat as set down in Il Fior di Battaglia a manuscript written in 1410 Readers are guided step by step through the process of mastering this six hundred year old art from choosing a dagger to striking with it from guard positions to steps and turns from disarms to locks and takedowns from safe falling practice to formal drills and finally pressure testing their skills with sparring Both a primer on the art and a methodology for on going training this book will give the complete novice a solid starting point while providing useful drills and ideas for advanced martial artists Those who study other traditional knife arts and modern military combatives will find many familiar techniques present in this ancient system **Assembly Bill** California. Legislature. Assembly,1983 Vietnamese Labour Militancy Joe Buckley,2021-12-30 This book explores how capital labour relations and antagonisms structure forms of militancy in Vietnam and shows that Vietnamese labour militancy is in line with global trends of worker activism Vietnamese labour politics is undergoing significant changes with a new Labour code that became law in 2021 allowing workers to join worker representative organisations not subordinate to the state led union or the ruling Communist Party This book reflects on the nature of Vietnamese labour politics on the cusp of reform It focuses on nominally formal labour within the garment and footwear industry in the southern part of the country the author argues that while employment in the formal economy is expanding in terms of the absolute numbers of people working in formally registered firms capital employs various ways to make conditions inside these companies increasingly insecure In response workers organise in forms of decentralised resistance The book analyses two of these in detail wildcat strikes and microstrikes short collective work stoppages that occur inside workplaces Arguing that labour resistance is structured in relation to capital s behaviour and not only because of weak labour relations institutions and mechanisms this book makes a valuable contribution to the field of labour and social movement studies development studies sociology and political economy and Southeast Asian Studies **Monthly Bulletin of the Canadian Institute of Mining and Metallurgy** Canadian Institute of Mining and Metallurgy,1923 Bulletin of the Atomic Scientists ,1989-12 The Bulletin of the Atomic Scientists is the premier public resource on scientific and technological developments that impact global security Founded by Manhattan Project Scientists the Bulletin s iconic Doomsday Clock stimulates solutions for a safer world **Taft-Hartley Act Revisions** United States.
