**Assertion** Sanford C. Goldberg, 2015-02-19 Sanford C Goldberg presents a novel account of the speech act of assertion He defends the view that this type of speech act is answerable to a constitutive norm the norm of assertion The hypothesis that assertion is answerable to a robustly epistemic norm is uniquely suited to explain assertion s philosophical significance its connections to other philosophically interesting topics These include topics in epistemology testimony and testimonial knowledge epistemic authority disagreement the philosophy of mind belief the theory of mental content the philosophy of language norms of language the method of interpretation the theory of linguistic content ethics the ethics of belief what we owe to each other as information seeking creatures and other matters which transcend any subcategory anonymity trust the division of epistemic labor Moorean paradoxicality Goldberg aims to bring out these connections without assuming anything about the precise content of assertion s norm beyond regarding it as robustly epistemic In the last section of the book however he proposes that we do best to see the norm s epistemic standard as set in a context sensitive fashion After motivating this proposal by appeal to Grice s Cooperative Principle and spelling it out in terms of what is mutually believed in the speech context Goldberg concludes by noting how this sort of context sensitivity can be made to square with assertion s philosophical significance

**Scorecasting** Tobias Moskowitz,L. Jon Wertheim,2012-01-17 In Scorecasting University of Chicago behavioral economist Tobias Moskowitz teams up with veteran Sports Illustrated writer L. Jon Wertheim to overturn some of the most cherished truisms of sports and reveal the hidden forces that shape how basketball baseball football and hockey games are played won and lost Drawing from Moskowitz's original research as well as studies from fellow economists such as bestselling author Richard Thaler the authors look at the influence home field advantage has on the outcomes of games in all sports and why it exists the surprising truth about the universally accepted axiom that defense wins championships the subtle biases that umpires exhibit in calling balls and strikes in key situations the unintended consequences of referees tendencies in every sport to swallow the whistle and more Among the insights that Scorecasting reveals Why Tiger Woods is prone to the same mistake in high pressure putting situations that you and I are Why professional teams routinely overvalue draft picks The myth of momentum or the hot hand in sports and why so many fans coaches and broadcasters fervently subscribe to it Why NFL coaches rarely go for a first down on fourth down situations even when their reluctance to do so reduces their chances of winning In an engaging narrative that takes us from the putting greens of Augusta to the grid iron of a small parochial high school in Arkansas Scorecasting will forever change how you view the game whatever your favorite sport might be

**The Next American Revolution** Michael LeGault,2011-09 It is safe to say that the prevailing mood of the United States is anger This anger is directed at a government that has shed any pretense of acting in the interests of the American people It is a government incapable of control or restraint consumed by runaway spending It is a government ruled not by the will of the majority of Americans but by lobbyists lawyers and a media controlled agenda calling for greater amounts of progressive reform regulation and limits on individual freedom Author Michael LeGault proposes all is not lost There is still a small window of opportunity for the American people to summon a force of national will and reverse the direction we're heading a course that will see us become another declining European like social welfare state The key to avoiding this self destructive path is to understand the underlying causes of the

dysfunction The Next American Revolution clearly identifies the root causes of the demise of the American Dream and how we can get it back The message of this book is intended for all Americans in all regions of the country from sea to shining sea
