The Way We Read James Dickey William B. Thesing, Theda Wrede, 2009 Original inroads to understanding the life and works of the celebrated novelist and poet In *The Way We Read James Dickey* editors William B Thesing and Theda Wrede have assembled an outstanding collection of current critical responses to the works of the acclaimed novelist poet and teacher including essays by Dickey's former colleagues at the University of South Carolina and a piece by his most famous student novelist Pat Conroy The volume breaks new ground in the application of innovative critical approaches and restores Dickey to his rightful place in the literary canon as a remarkable writer who crafted some of the best poetry and fiction of the twentieth century A decade after Dickey's death and thirty five years after the release of the film version of his famous novel *Deliverance* Dickey remains a controversial figure in the American literary landscape He was an intellectual maverick who was often ahead of his time and yet he responded intensely almost obsessively to his own changing times Thesing and Wrede argue that although he appeared to conform to poetic conventions his writing was a visionary reinterpretation and extension of preexisting traditions This tension between a poet's intellectual precursors and the radical innovation of his work is the inspiration behind the fresh approaches taken by the contributors in this volume just as it energized Dickey's own endeavors The essays offer original insights through emerging scholarly perspectives as well as through established methods of critique The contributors address a range of themes in Dickey's works including gender religion humanity's relationship to nature and the writer's cultural context This landmark reappraisal of Dickey's legacy offers readers a coherent forum that addresses why his writings remain relevant today thus restoring and revaluing the rising significance of Dickey's literary achievement for twenty first century audiences William B Thesing a distinguished professor emeritus of English at the University of South Carolina was a colleague of James Dickey's for two decades From 2003 to 2008 Thesing served as editor of the James Dickey Newsletter He is the author or editor of fifteen books including *The London Muse* winner of the 1980 SAMLA Studies Book Award

[Hard Lines](#) Daniel Cross Turner, William Wright, 2016-04-01 A collection of contemporary poems exploring the grit of work love and the land down South Daniel Cross Turner and William Wright's anthology *Hard Lines Rough South Poetry* centers on the darker

side of southern experience while presenting a remarkable array of poets from diverse backgrounds in the American South As tough minded as they are high minded the sixty contemporary poets and two hundred poems anthologized in *Hard Lines* enhance the powerful genre of Grit Lit The volume gathers the work of poets who have for some decades formed the heart of southern poetry as well as that of emerging voices who will soon become significant figures in southern literature These poems sting our senses into awareness of a gritty world down South hard work hard love hard drinking hard times but they also explore the importance of the land and rural experience as well as race gender and class based conflicts Readers will see hear for poetry is meant to ring in the ears and feel for poetry is meant to beat in the blood there is plenty of raucousness in this anthology And yet the cultural conflicts that ignite southern wildness are often depicted in a manner that is lyrical without becoming lugubrious mournful but not maudlin Some of these poets are coming to terms with a visibly transforming culture a roughness in and of itself Indeed many of these poets are helping to change the definition of the South The anthology also features biographical information on each poet in addition to further reading suggestions and scholarly sources on contemporary poetry Featured Poets Betty Adcock David Bottoms Kathryn Stripling Byer James Dickey Rodney Jones Yusef Komunyakaa Ron Rash Dave Smith Natasha Trethewey Charles Wright Fred Chappell Kelly Cherry Allison Adelle Hedge Coke Kate Daniels Kwame Dawes Claudia Emerson Andrew Hudgins T R Hummer Robert Morgan Ellen Bryant Voigt Dan Albergotti Tarfia Faizullah Forrest Gander Terrance Hayes Judy Jordan John Lane Michael McFee Paul Ruffin Steve Scafid Jake Adam York

The Southern Quarterly, 1996

James Dickey Henry Hart, 2001-09-08 A fascinating biography of one of the most popular colorful and notorious American poets of our century The legendary Southern poet James Dickey never shied away from cultivating a heroic mystique Like Norman Mailer and Ernest Hemingway he earned a reputation as a sportsman boozier war hero and womanizer as well as a great poet novelist screenwriter and essayist But James Dickey made lying both a literary strategy and a protective camouflage even his family and closest friends failed to distinguish between

the mythical James Dickey and the actual man Henry Hart sees lying as the central theme to Dickey's life and in this authoritative immensely entertaining biography he delves deep behind Dickey's many masks. Letters, anecdotes, tall tales and true ones as well as the reluctant but finally candid cooperation of Dickey himself animate Hart's narration of a remarkable life. Readers of Dickey's National Book Award winning poetry, his bestselling novel *Deliverance* and anyone who witnessed his electrifying readings of his work will savor this book.
