Eugene O'Neill Nobel Laureate in Literature and Pulitzer Prize winner is widely known for his full length plays However his one act plays are the foundation of his work both thematically and stylistically they telescope his later plays This collection aims to fill the gap by examining these texts during what can be considered O'Neill's formative writing years and the foundational period of American drama A wide ranging investigation into O'Neill's one acts the contributors shed light on a less explored part of his career and assist scholars in understanding O'Neill's entire oeuvre *Actable One-act Plays* Chicago Public Library, Samuel Kaplan, 1916 **Twelve One-act Plays for Study and Production** Samuel Marion Tucker, 1929 *The Stronger* August Strindberg, 1906 **Plays from the Cynical Life** August Strindberg, 1983 The plays in this volume are one act dramas based on human situations as conceived and interpreted by Strindberg at a time when he was convinced human beings are essentially selfish self centered creatures All of them have been presented successfully in Swedish and other Scandinavian theaters The situations are surely typical people's willingness to claim credit for a fellow human being's success a mother's manipulation of her daughter's life a wife's indifference to her mate except when others obviously want him denigration of a mate for one's own purposes indifference to rationalization of one's sins playing with one's own and others emotions and the unhesitant destruction of a fellow human being at least partly in the name of religion Written toward the end of his pre Inferno period Strindberg labelled these plays one acts out of cynical life En aktare Ur det chniska livet Translations of two other plays *The Stronger* and *The Bond* which belong to this group were included in *Pre Inferno Plays* University of Washington Press 1970 In translating these plays Walter Johnson has presented American versions faithful to the original and expressed in languages as idiomatic and natural as the original Swedish
Contemporary One-act Plays Benjamin Roland Lewis, 1922 *Twelve Classic One-Act Plays* Mary Carolyn Waldrep, 2010-06-17 Ideal for performers looking for inexpensive material this collection of royalty free one act plays contains classics by well known playwrights Featured productions include Glaspell's *Trifles* Synge's *Riders to the Sea* and Strindberg's *The Stronger* plus works by Aristophanes Chekhov Millay O'Neill and others **Plays by August Strindberg: The Dream Play - The Link - The Dance of Death** August Strindberg, 2013-01-25 August Strindberg is considered the father of modern Swedish literature Here are collected three of his finest plays written during what he called his Inferno period a period just following a series of psychotic episodes they are full of wild imagery intense and powerful characters and touch on realism and naturalism in a groundbreaking way for the time Many of the earliest books particularly those dating back to the 1900s and before are now extremely scarce and increasingly expensive Hesperides Press are republishing these classic works in affordable high quality modern editions using the original text and artwork *The One-Act Play Companion*
