## **Strindberg 1 Act P:**

Strindberg's One-act Plays August Strindberg, 1969      *Play Index*, 1927      **Conrad's Drama**, 2019-08-26 Conrad's Drama Contemporary Reviews and Observations collects both book reviews and performance reviews of Conrad's three plays *The Secret Agent* *One Day More* and *Laughing Anne*. These reviews and observations show how Conrad's plays were received by his contemporaries. More than this however *Conrad's Drama* reveals the larger conversations surrounding his plays, the state of British drama in the early 20th century, the role the drama critic has in a play's reception and the difficulty most fiction writers experience in trying to write for the stage. No other reference work exists for those studying Conrad's plays and this volume should prove to be an indispensable reference work for those working on this topic. *Conrad's Drama* received an Honorable Mention in the Joseph Conrad Society of America's Adam Gillon Book Prize in Conrad Studies for books published 2018-2020.      Index to Collection of Plays in the University of Iowa Library University of Iowa Libraries, 1925

*Bulletin of the New York Public Library* New York Public Library, 1920 Includes its Report 1896-19      An International Annotated Bibliography of Strindberg Studies 1870-2005: The plays Michael Robinson, 2008 This copiously annotated bibliography documents and examines the whole range of commentary on Strindberg's works and activity in many fields besides the plays for which he is internationally best known. These include his prose fiction and poetry, his work as an historian and natural historian and his relationship to the other arts, most notably his painting. It is concerned with both lasting works of literary and dramatic criticism as well as reviews of his books and plays in the theatre and some more ephemeral material, all of this in several languages. Organised generically and by subject and individual work, the bibliography enables the reader to trace the changing impact of Strindberg and his works in various countries and during different periods. It is thus very much a study in reception as well as a bibliographical record of published material. It traces the developing image of Strindberg and his writing both during his lifetime and in subsequent years and with frequent cross-reference offers a comprehensive overview of a literary and existential project that has rarely been matched for its multifaceted diversity. The bibliography is published in three parts: Volume 1 General Studies 978 0 947623 81 4 and Volume 3 Prose Poetry Miscellaneous 978 0 947623 83 8 are also now available. Michael Robinson is Emeritus Professor of Drama and Scandinavian Studies at the University of East Anglia, Norwich.      An International Annotated Bibliography of Strindberg Studies 1870-2005: General studies Michael Robinson, 2008 This copiously annotated bibliography documents and examines the whole range of commentary on Strindberg's works and activity in many fields besides the plays for which he is internationally best known.
