String Quartet In D:

String Quartets Franz Schubert, 2003 **String Quartet in D Major (1931).** Benjamin Britten, 1977 [String quartet no. 2 in D-flat major, op. 15](#) Ernő Dohnányi, 1907 Ernst von Dohnanyi 1877 1960 Ern Dohn nyi in Hungarian is generally regarded after Liszt as Hungary's most versatile musician He was active as a concert pianist composer conductor and teacher and must be considered one of the chief influences on Hungary's musical life in the 20th century Certainly his chamber music is very fine with most of it being in the masterwork category Yet sadly and inexplicably it has virtually disappeared from the concert stage Dohnanyi studied piano and composition in his native Pressburg Bratislava before entering the Budapest Academy His first published work his Piano Quintet No 1 was championed by no less an authority than Johannes Brahms Upon graduating in the spring of 1897 Dohnanyi embarked on a dazzling career as a concert artist often playing in chamber ensembles Later he also devoted considerable time to teaching and conducting String Quartet No 2 dates from 1906 and was premiered to great critical acclaim It is in three movements The first movement Andante Allegro begins with a slow broad rising introduction It is the most important melodic theme of the entire quartet and serves as its motto motif The Andante is immediately interrupted by a brief Allegro burst of energy An Adagio interrupts the Allegro momentarily before it is allowed to begin in earnest Particularly striking is the fact that it takes place at a rapid tempo while simultaneously the main theme the motto is played at its original slow tempo It sounds as if one is hearing two widely different tempi at once It is an extraordinary effect and makes an incredible impression The second movement Presto acciacato is a scherzo opening with a relentless driving rhythm in the cello Superimposed periodically on top of this rhythm are warning chords which create a menacing mood of evil The choral theme of the trio is a pure and innocent prayer The final movement might well have been subtitled Apotheosis Although beginning Molto Adagio it consists of several other important sections More accurately it should be entitled Molto Adagio Animato Adagio Andante Allegro It begins in a hushed mood similar to the trio section of the preceding scherzo Suddenly there is a powerful angry outburst as the Animato dramatically explodes full of passion our sound bite begins here In the final part of the Animato we hear for the first time the entire exposition of the opening Adagio powerfully stated by the viola against a ethereal accompaniment in the violins playing high on their e strings The dramatic high point is reached toward the end of the Andante when it comes time for the restatement of the opening motto The two violins slowly climb ever higher the second echoing the first each step of the way <http://www.editionsilvertrust.com/dohnanyi/string-quartet-no2.htm> **String Quartet in D minor Op.42 - A Score for Strings (1785)** Joseph Haydn, 2020-07-14 Many of the earliest books particularly those dating back to the 1900s and before are now extremely scarce and increasingly expensive We are republishing these classic works in affordable high quality modern editions using the original text and artwork **String Quartet No. 2 in D Major**, 1888 **Guide to Chamber Music** Melvin Berger, 2013-06-17 Authoritative guide presents 231 of the most frequently performed pieces by 55 composers
