Terrible Innocence General Sherman At War

Jack H. Lepa

Terrible Innocence General Sherman At War:

Sherman's March in Myth and Memory Edward Caudill, Paul Ashdown, 2009-09-16 General William Tecumseh Sherman's devastating March to the Sea in 1864 burned a swath through the cities and countryside of Georgia and into the history of the American Civil War. As they moved from Atlanta to Savannah, destroying homes, buildings, and crops, killing livestock, and consuming supplies, Sherman and the Union army ignited not only southern property but also imaginations in both the North and the South. By the time of the general's death in 1891, when one said "The March," no explanation was required. That remains true today. Legends and myths about Sherman began forming during the March itself and took more definitive shape in the industrial age in the late nineteenth century. Sherman's March in Myth and Memory examines the emergence of various myths surrounding one of the most enduring campaigns in the annals of military history. Edward Caudill and Paul Ashdown provide a brief overview of Sherman's life and his March, but their focus is on how these myths came about, such as one description of a 60-mile wide path of destruction, and how legends about Sherman and his campaign have served a variety of interests. Caudill and Ashdown argue that these myths have been employed by groups as disparate as those endorsing the Old South aristocracy and its Lost Cause, and by others who saw the March as evidence of the superiority of industrialism in modern America over a retreating agrarianism. Sherman's March in Myth and Memory looks at the general's treatment in the press, among historians on stage and screen, and in literature from the time of the March to the present day. The authors show us the many ways in which Sherman has been portrayed in the media and popular culture, and how his devastating March has been stamped into our collective memory.

Terrible Innocence Mark Coburn, 1993 Focuses on Sherman's personality, especially for the period of May 1864–May 1865.

Sherman's Ghosts Matthew Carr, 2012-03-13 This thought-provoking military history considers the influence of General Sherman's Civil War tactics on American conflicts through the twentieth century. The New York Times: "To know what war is, one should follow our tracks." Gen. William T. Sherman once wrote to his wife describing the devastation left by his armies in Georgia. Sherman's Ghosts is an investigation of those tracks, as well as those left across the globe by the American military in the 150 years since Sherman's infamous March to the Sea. Sherman's Ghosts opens with an epic retelling of General Sherman's fateful decision to terrorize the South's civilian population in order to break the back of the Confederacy. Acclaimed journalist and historian Matthew Carr exposes how this strategy, which Sherman called indirect warfare, became the central preoccupation of war planners in the twentieth century and beyond. He offers a lucid assessment of the impact Sherman's slash-and-burn policies have had on subsequent wars and military conflicts, including World War II and in the Philippines, Korea, Vietnam, and even Iraq and Afghanistan. In riveting accounts of military campaigns and in the words of American soldiers and strategists, Carr finds ample evidence of Sherman's long shadow. Sherman's Ghosts is a rare reframing of how we understand our violent history and a call to action for those who hope to change it.

The Myth of the Lost Cause Edward H. Bonekemper, 2015-10-05 History isn't always

written by the winners Twenty first century controversies over Confederate monuments attest to the enduring significance of our nineteenth century Civil War As Lincoln knew the meaning of America itself depends on how we understand that fratricidal struggle As soon as the Army of Northern Virginia laid down its arms at Appomattox a group of Confederate officers took up their pens to refight the war for the history books They composed a new narrative the Myth of the Lost Cause seeking to ennoble the sacrifice and defeat of the South which popular historians in the twentieth century would perpetuate Unfortunately that myth would distort the historical imagination of Americans north and south for 150 years In this balanced and compelling correction of the historical record Edward Bonekemper helps us understand the Myth of the Lost Cause and its effect on the social and political controversies that are still important to all Americans

Sherman and the Burning of Columbia Marion B. Lucas, 2021-08-13 An investigation into who burned South Carolina s capital in 1865 Who burned South Carolina s capital city on February 17 1865 Even before the embers had finished smoldering Confederates and Federals accused each other of starting the blaze igniting a controversy that has raged for more than a century Marion B Lucas sifts through official reports newspapers and eyewitness accounts and the evidence he amasses debunks many of the myths surrounding the tragedy Rather than writing a melodrama with clear heroes and villains Lucas tells a more complex and more human story that details the fear confusion and disorder that accompanied the end of a brutal war Lucas traces the damage not to a single blaze but to a series of fires preceded by an equally unfortunate series of military and civilian blunders that included the burning of cotton bales by fleeing Confederate soldiers This edition includes a new foreword by Anne Sarah Rubin professor of history at the University of Maryland Baltimore County and the author of *Through the Heart of Dixie* Sherman s March and America

Nothing Less than Victory John David Lewis, 2013-12-26 How aggressive military strategies win wars from ancient times to today The goal of war is to defeat the enemy s will to fight But how this can be accomplished is a thorny issue *Nothing Less than Victory* provocatively shows that aggressive strategic military offenses can win wars and establish lasting peace while defensive maneuvers have often led to prolonged carnage indecision and stalemate Taking an ambitious and sweeping look at six major wars from antiquity to World War II John David Lewis shows how victorious military commanders have achieved long term peace by identifying the core of the enemy s ideological political and social support for a war fiercely striking at this objective and demanding that the enemy acknowledges its defeat Lewis examines the Greco Persian and Theban wars the Second Punic War Aurelian s wars to reunify Rome the American Civil War and the Second World War He considers successful examples of overwhelming force such as the Greek mutilation of Xerxes army and navy the Theban led invasion of the Spartan homeland and Hannibal s attack against Italy as well as failed tactics of defense including Fabius s policy of delay McClellan s retreat from Richmond and Chamberlain s appeasement of Hitler Lewis shows that a war s endurance rests in each side s reasoning moral purpose and commitment to fight and why an effectively aimed well planned and quickly executed offense can end a conflict and create the conditions

needed for long term peace Recognizing the human motivations behind military conflicts Nothing Less than Victory makes a powerful case for offensive actions in pursuit of peace **On War and Leadership** Michael Owen Connelly, 2009-01-10 What can we learn about leadership and the experience of war from the best combat leaders the world has ever known This book takes us behind the scenes and to the front lines of the major wars of the past 250 years through the words of twenty combat commanders What they have to say which is remarkably similar across generational national and ideological divides is a fascinating take on military history by those who lived it It is also worthwhile reading for anyone from any walk of life who makes executive decisions The leaders showcased here range from Frederick the Great to Norman Schwarzkopf They include such diverse figures as Napoleon Bonaparte commanders on both sides of the Civil War William Tecumseh Sherman and Stonewall Jackson German and American World War II generals Rommel and Patton a veteran of the Arab Israeli wars Moshe Dayan and leaders from both sides of the Vietnam War Vo Nguyen Giap and Harold Moore What they have had in common is an unrivaled understanding of the art of command and a willingness to lead from the front All earned the respect and loyalty of those they led and moved them to risk death The practices of these commanders apply to any leadership situation whether military business political athletic or other Their words reveal techniques for anticipating the competition leading through example taking care of the troops staying informed turning bad luck to advantage improvising and making bold decisions Leader after leader emphasizes the importance of up front muddy boots leadership and reveals what it takes to persevere and win Identifying a pattern of proven leadership this book will benefit anyone who aspires to lead a country a squadron a company or a basketball team It is a unique distillation of two and a half centuries of military wisdom **Grant and Lee** Edward H. Bonekemper, III, 2012-12-10 Grant and Lee Victorious American and Vanquished Virginian is a comprehensive multi theater war long comparison of the command skills of Ulysses S Grant and Robert E Lee Written by Edward H Bonekemper III Grant and Lee clarifies the impact both generals had on the outcome of the Civil War namely the assistance that Lee provided to Grant by Lee s excessive casualties in Virginia the consequent drain of Confederate resources from Grant s battlefronts and Lee s refusal and delay of reinforcements to the combat areas where Grant was operating The reader will be left astounded by the level of aggression both generals employed to secure victory for their respective causes as Bonekemper demonstrates that Grant was a national general whose tactics were consistent with achieving Union victory whereas Lee s own priorities constantly undermined the Confederacy s chances of winning the war Building on detailed accounts of both generals major campaigns and battles this book provides a detailed comparison of the primary military and personal traits of the two men That analysis supports the preface discussion and the chapter by chapter conclusions that Grant did what the North needed to do to win the war be aggressive eliminate enemy armies and do so with minimal casualties 154 000 while Lee was too offensive for the undermanned Confederacy suffered intolerable casualties 209 000 and allowed his obsession with the Commonwealth of Virginia to obscure the broader interests of the Confederacy In addition

readers will find interest in the 18 highly detailed and revealing battle maps as well as in a comprehensive set of appendices that describes the casualties incurred by each army battle by battle Vicksburg and Chattanooga Jack H. Lepa, 2014-10-07 Few Civil War events produced more important strategic results for the Union than the taking of Vicksburg and Chattanooga Along with the Federal triumph at Gettysburg these gains were decisive in bringing about final Union victory Ulysses S Grant was the man in charge of the Federal forces His solid competence and willingness to take calculated risks enabled him to overcome the twin challenges of difficult terrain and heroic Confederate resistance at Vicksburg and to prevail against seemingly unassailable enemy positions at Chattanooga This book is the story of the courage and determination that accompanied the triumphs and blunders of both sides **William Tecumseh Sherman** Rachel A. Koestler-Grack, 2013 A brief illustrated biography of Union General William Tecumseh Sherman that describes his early life and military career as well as his determination to destroy the South **Proteus**, 2000 **Ulysses S. Grant: A Victor, Not a Butcher** Edward H. Bonekemper, III, 2010-10-11 Ulysses S Grant is often accused of being a cold hearted butcher of his troops In Ulysses S Grant A Victor Not a Butcher historian Edward H Bonekemper III proves that Grant's casualty rates actually compared favorably with those of other Civil War generals His perseverance decisiveness moral courage and political acumen place him among the greatest generals of the Civil War indeed of all military history Bonekemper proves that it was no historical accident that Grant accepted the surrender of three entire Confederate armies and won the Civil War Bonekemper ably silences Grant's critics and restores Grant to the heroic reputation he so richly deserves **Worthy Opponents** Edward G. Longacre, 2017-08-04 Worthy Opponents tells the parallel stories of Confederate general Joseph E Johnston and Union general William Tecumseh Sherman Their armies clashed repeatedly so it was only natural for these two commanding officers to become adversaries Yet as the war continued Johnston and Sherman came to respect each other eventually becoming close friends Edward G Longacre masterfully investigates the entwined lives of these two celebrated generals bringing to life their personalities their military styles and their friendship in this fascinating dual biography *William Tecumseh Sherman* Nancy Whitelaw, 1996 Chronicles the life of the Union general discussing his early life and career and his role in the Civil War *The Civil War in Tennessee, 1862-1863* Jack H. Lepa, 2015-05-20 In 1862 with the outcome of the Civil War far from sure leaders on both sides began to pinpoint places vital for their army's success For both Union and Confederate forces Tennessee was a prize Drawing on contemporary sources such as memoirs and official correspondence this book details the struggle for control of Tennessee during 1862 and 1863 It follows troop movements through some of the worst battles including Shiloh Stone's River and Chickamauga The Union victory at the battle of Chattanooga which brought Tennessee definitively under Union control and its consequences for both sides are discussed in detail *Breaking the Confederacy* Jack H. Lepa, 2015-05-20 As the Civil War moved into 1864 people in the North expected newly appointed general in chief Ulysses S Grant to roll over the Confederate armies and bring victory and peace by the end of the summer With his friend

William Tecumseh Sherman Grant devised a strategy to defeat the Confederate Army of Tennessee and lay waste to the Deep South so that the area could no longer provide support for the Confederate war effort Making extensive use of materials both contemporary and modern including letters diaries memoirs and histories the author presents a detailed narrative of the locales conditions personnel strategies tactics battles and skirmishes as Sherman s forces fought their way from Chattanooga to Atlanta and then made their famous march to the sea destroying all resources along the way He also details Confederate general John Bell Hood s ill fated attempt to capture Nashville while Sherman was occupied elsewhere The fighting and devastation in Georgia and Tennessee that summer of 1864 were indeed major factors in the final Union victory The Soul of Battle Victor Davis Hanson,1999 From the author of the international bestseller The Western Way of War comes a fresh exciting look at three armies whose intense spirit of mission coupled with the genius of their leaders led them to triumph Maps Infantry ,1997 **Military Bibliography of the Civil War: Regimental publications and personal narratives. Union and Confederate biographies. General references. Armed forces. Campaigns and battles** ,2003 Volume IV Compiled and revised by Silas Felton 1063 pp revised with books missed in vols I II and III regimental publications personal narratives biographies campaigns and battles Northern and Southern Felton s new compilation is without peer He covers the subject from five different perspectives Regimental Publications and Personal Narratives Union and Confederate Biographies General References Armed Forces and Campaigns and Battles And making the work extremely useful the last 236 pages contain a complete Index of Authors of Volumes I through IV as well as a new Index of Titles in the Revised Volume IV Furthermore to clear up confusion created by the multiple names often used by Confederate units during the war artillery batteries in particular which carried a state designation but were commonly known by the battery commander s name Felton has cited a written work with a single number designation but indexed and listed it under its common appellation to aid the researcher and eliminate confusion **Dark and Cruel War** Don Lowry,1993

Terrible Innocence General Sherman At War Introduction

In the digital age, access to information has become easier than ever before. The ability to download Terrible Innocence General Sherman At War has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Terrible Innocence General Sherman At War has opened up a world of possibilities. Downloading Terrible Innocence General Sherman At War provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Terrible Innocence General Sherman At War has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Terrible Innocence General Sherman At War. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Terrible Innocence General Sherman At War. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Terrible Innocence General Sherman At War, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Terrible Innocence General Sherman At War has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Terrible Innocence General Sherman At War Books

1. Where can I buy Terrible Innocence General Sherman At War books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Terrible Innocence General Sherman At War book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.).
