**Greg Smith**

## **Terror Cell:**

*Sleeper Cell* Greg Smith, 2005-11-01 Terrorists plan to use the trucking industry to carry out a series of devastating attacks across the United States Using loopholes in the international shipping arena they import radioactive materials and toxic nerve agents which are loaded into bomb laden tractor trailer rigs A local detective stumbles into the plot and with the help of a disgraced FBI agent they work together to save the day

*Unfunding Terror* Jimmy Gurulé, 2010-01-01 Jimmy Gurul knows how to bankrupt terrorists like few others do As Undersecretary of the Treasury for Enforcement he spearheaded the fight against al Qaeda s global bank accounts helping to earn the highest grade awarded on the 9 11 Commissioners report card As an author he performs once again *Unfunding Terror* provides policymakers and laymen alike a clear roadmap on how to keep terrorists out of the global financial system Timothy J Roemer Center for National Policy former US Congressman and member of the National Commission on Terrorist Attacks Upon the United States 9 11 Commission Jimmy Gurul has given us a superbly comprehensive and well written assessment of why regarding terrorism Deep Throat s principle is bang on follow the money R James Woolsey venture partner VantagePoint and former Director of Central Intelligence US A detailed study by a true scholar practitioner *Unfunding Terror* explains the legal response to terror finance in language accessible to both the expert and layman Required reading Matthew Levitt Director Stein Program on Counterterrorism and Intelligence The Washington Institute for Near East Policy and former Deputy Assistant Secretary of the Treasury for Intelligence and Analysis US Professor Gurul is comprehensive he describes the problem terrorist funding by those in the free world analyzes the legal responses make it a crime freeze terrorist assets impose regulations on financial institutions critiques the administration s and international community s efforts to unfund terrorists political rhetoric not in fact backed up with effective strategies or implementation and outlines concrete legal and administrative remedies Would that they to whom the recommendations are addressed act on them quickly Too much is at stake to let terrorists who condemn the West as corrupt get their funding to attack the US and its allies from the West itself That would be a form of social suicide G Robert Blakey Notre Dame Law School US The September 11 2001 terrorist attacks that claimed the lives of 2 973 innocent civilians required as much as 500 000 to stage At the time al Qaeda was operating on an annual budget of between 30 and 50 million However despite the obvious fact that terrorists need money to terrorize preventing the financing of terrorism was not a priority for the United States or the international community prior to 9 11 Jimmy Gurul former Under Secretary for Enforcement in the US Department of the Treasury provides the first book length comprehensive analysis of the legal regime that evolved following the terrorist attacks The book begins with a discussion of how shutting down the pipelines of funding is as important as dismantling the terrorist cells themselves Next the book covers the various means and methods used by terrorist groups to raise money and examines how money is transferred globally to finance their lethal activities The principal components of the legal strategy to disrupt the financing of terrorism are then discussed and

evaluated Unfortunately the author concludes that the legal regime has met with mixed results and finds that the sense of urgency to deprive terrorists of funding that existed following 9 11 has since dissipated As a result international efforts to freeze terrorist assets have dramatically declined Moreover the US Department of Justice has suffered several embarrassing and disappointing legal defeats in prosecuting major terrorist financiers The author provides numerous recommendations to Congress the Executive Branch and the UN Security Council for strengthening the legal regime to deny terrorists the money needed to wage global jihad acquire weapons of mass destruction and launch another terrorist attack on the scale of 9 11

Unfunding Terror fills an important gap in the literature and will be essential reading for counter terrorism experts law enforcement and national security

**The American Terrorist** Terry L. Oroszi, David H. Ellis, 2019-01-28 Readers of The American Terrorist will be able to discuss terrorism like an expert The book explains why some criminals are labeled as terrorists but others are not and compiles the attributes of 500 American citizens charged with acts related to terrorism into an 8 marker profile of an American terrorist Acts of terrorism may only impact a few but the fear they invoke permeates the entire country and divides us This book gives power back to the community to identify a developing terrorist and offers tools to re engage them back into society and steer them down a better path The reader will also find a complete list and summaries of domestic and international terrorist organizations with which American terrorists align Features The Mindset of An American Terrorist is thoroughly examined including social marital and economic class education profession race gender sexuality religion and the desire for political freedom Is Your Neighbor A Terrorist Determine your state of security based on the citizenship homeland and local residence of American terrorists The American Female Terrorist is relatively unknown to many citizens This book answers the primary question many are asking why would a woman join an organization that renounces many of the rights they enjoy as U S citizens The American Male Terrorist is well known or is he Find out if your assumptions about the age education allegiance marital status and mental health are correct Recognizing a Developing Terrorist The book reviews historical terrorist profiling and then devises a new 8 marker profile of a developing terrorist supported by statistics and case studies The American Military Terrorist is a terrorist with experience in the U S armed forces One chapter of the book explores the controversial profiles of these terrorists Behind Bars is a chapter that documents the official charges very few terrorists are charged with terrorism sentences and prison locations of American terrorists And more Terrorism camps where are they and who attends The top targets and weapons used by American terrorists FBI involvement Prevention strategies and federal policies The Terrorist Profile as a preventative tool De radicalization and disengagement Federal policies related to terrorism
