Rucker, Mike Rucker,2002 Drilling for oil is hard work Sometimes it can be dangerous too When an oil well blows out specially trained workers must put out the fire and stop the flow of oil These wild well experts often use tractors to help with this dangerous work Terry s friends Buster and Charlie think they are brave But when asked to help fight a wild well both are too scared Since the two larger tractors will not help Terry must carry a container of dynamite to the burning well to blow out the fire If things go wrong Terry will be blown to bits Is Terry brave enough to do this dangerous job Shakespeare's Women and the Fin de Siècle

Sophie Duncan,2016-12-01 Shakespeare s Women and the Fin de Si cle illuminates the most iconoclastic performances of Shakespeare s heroines in late Victorian theatre through the celebrity commentary and wider careers of the actresses who played them By bringing together fin de si cle performances of Shakespeare and contemporary Victorian drama for the first time this book illuminates the vital ways in which fin de si cle Shakespeare and contemporary Victorian theatre culture conditioned each other Actresses movements between Shakespeare and fin de si cle roles reveal the collisions and unexpected consonances between apparently independent areas of the fin de si cle repertory Performances including Ellen Terry s Lady Macbeth Madge Kendal s Rosalind and Lillie Langtry s Cleopatra illuminate fin de si cle Shakespeare s lively intersections with cultural phenomena including the Jack the Ripper killings Aestheticism the suicide craze and the rise of metropolitan department stores If as previous studies have shown Shakespeare was everywhere in Victorian culture Sophie Duncan explores the surprising ways in which late Victorian culture from Dracula to pornography and from Ruskin to the suffragettes inflected Shakespeare Via a wealth of unpublished archival material Duncan reveals women s creative networks at the fin de si cle and how Shakespearean

performance traditions moved between actresses via little studied performance genealogies At the same time controversial new stage business made fin de si cle Shakespeare as much a crucible for debates over gender roles and sexuality as plays by Ibsen and Shaw Increasingly actresses creative networks encompassed suffragist activists who took personal inspiration from star Shakespearean actresses From a Salome esque Juliet to a feminist Paulina fin de si cle actresses created cultural legacies which Shakespeare in performance still negotiates today Forty Years a Giant Steven Treder,2021-06 2022 SABR Seymour Medal Finalist for the 2021 CASEY Award for Best Baseball Book of the Year When New York Giants owner Charles A Stoneham came home one night in 1918 and told his teenage son Horace Horrie I bought you a ballclub he set in motion a family legacy Horace Stoneham would become one of baseball s greatest figures an owner who played an essential role in integrating the game and who was a major force in making our pastime truly national by bringing Major League Baseball to the West Coast Horace Stoneham began his tenure with the Giants in 1924 learning all sides of the operation until he moved into the front office In 1936 when his father died of kidney disease Horace assumed control of the Giants at age thirty two becoming one of the youngest owners in baseball history Stoneham played a pivotal role in not just his team s history but the game itself In the mid 1940s when the Pacific Coast League sought to gain Major League status few but Stoneham and Branch Rickey took it seriously and twelve years later the Giants and Dodgers were the first two teams to relocate west Stoneham signed former Negro Leaguers Monte Irvin and Hank Thompson making the Giants the second National League franchise to racially integrate In the late 1940s the Giants hired their first Spanish speaking scout and soon became the leading team in developing Latin American players Stoneham was shy and self effacing and avoided the spotlight His relationships with players were almost always strong yet for all his leadership skills and baseball acumen sustained success eluded most of his teams In forty seasons his Giants won just five National League pennants and only one World Series The Stoneham family business struggled and the team was forced to sell off its beloved stars first Willie Mays then Willie McCovey and finally Juan Marichal Then Stoneham had no choice but to sell the club in 1975 While his tenure came to an unfortunate end he is heralded as a pioneer and leader whose story tells much of baseball history from the 1930s through the 1970s University Sheepdog in Westwood, L.A.
