Testimony and Witnessing in Psychoanalysis Zipi Rosenberg Schipper,2023-12-01 In this fascinating volume Zipi Rosenberg Schipper approaches the fundamental topic of testimony seeking to recognize its value as a distinct and vital function in psychoanalytic work separate from its inherited importance to work on trauma Rosenberg Schipper introduces a revivifying philosophical linguistic and psychoanalytic approach to the act of testimony focusing on the role of witnessing in daily life and the importance it has as a therapeutic tool in psychoanalytic and psychological therapy Throughout she pinpoints three key psychoanalytic theories on patient testimony She begins by looking at Freud s foundational work on testimony as a means of concealing the unconscious and the questions of credibility in the consulting room this creates before looking at Winnicottian and Kohutian theories whereby therapists take everything the patient says as a definitive truth She concludes by looking at the Intersubjective and Relational schools of thought where the therapist assumes the role of witness By providing a comprehensive overview of the conflicting theories on the topic Rosenberg Schipper equips practicing psychoanalysts and analysts in training with the tools necessary to utilize this vital therapeutic device and engage with it in treatment for all patients

The Phenomenology of Testimony ,2025-03-20 Testimony is a central topic in contemporary philosophy with a vast array of disciplines from epistemology to testimonial literature demonstrating considerable interest in it Among these approaches phenomenology and hermeneutics offer exemplary ways of capturing essential dimensions of testimony that are often overlooked This volume explores the fundamental issues at stake in such a hermeneutical phenomenology by developing new insights into the defining role testimony holds in shaping personal identity and human reality in general By examining how testimony is engaged in the creation of a common world that includes singular experiences the eleven essays collected here provide thought provoking questions for other concerned disciplines including history sociology and ecology

How I Know God Answers Prayer: The Personal Testimony of One Life-Time Rosalind Goforth,2019-11-21 In How I Know God Answers Prayer The Personal Testimony of One Life Time Rosalind Goforth presents a deeply introspective narrative that intertwines personal anecdotes and spiritual reflections The book is structured around poignant moments of her life illustrating how prayer served as a sustaining force through trials and triumphs Goforth s literary style is characterized by sincerity and simplicity infused with a didactic tone that beckons readers to examine their own faith journeys This work finds its context within the early 20th century evangelical thought echoing the spiritual fervor of the time while offering profound insights into the transformative power of prayer Rosalind Goforth a prominent missionary and author draws heavily from her rich experiences in China alongside her husband Jonathan Goforth Her endeavors in missionary work undoubtedly shaped her understanding of prayer revealing it as both a personal lifeline and a communal bond among believers Goforth s life and writings reflect a deep commitment to her faith

illustrating the lived realities of a woman navigating both joy and hardship in the service of her beliefs This book is highly recommended for anyone seeking a deeper understanding of prayer s role in their spiritual life as well as for those interested in early 20th century missionary experiences Goforth s testimony is not just a personal chronicle but a universal invitation for readers to explore how prayer can be a source of divine connection and assurance in their own lives

Child Survivors of the Holocaust in Greece Pothiti Hantzaroula,2020-11-29 A historical investigation of children s memory of the Holocaust in Greece illustrates that age generation and geographical background shaped postwar Jewish identities The examination of children s narratives deposited in the era of digital archives enables an understanding of the age specific construction of the memory of genocide which shakes established assumptions about the memory of the Holocaust In the context of a global Holocaust memory established through testimony archives the present research constructs a genealogy of the testimonial culture in Greece by framing the rich source of written and oral testimonies in the political discourses and public memory of the aftermath of the Second World War The testimonies of former hidden children and child survivors of concentration camps illuminate the questions that haunted postwar attempts to reconstruct communities related to the specific evolution of genocide in Greece and to the rising anti-Semitism of postwar Greece As an oral history of child survivors of the Holocaust the book will be of interest to researchers in the fields of the history of childhood Jewish studies memory studies and Holocaust and genocide studies

Russian Nights Autocracy and Testimony: Life in Russia during the Soviet Period as Told by Those Who Lived it Roberto Echavarren,2023-09-12 The details of the Jewish Holocaust have become part of our history through the testimony of those who survived the death camps The details of Lenin s and Stalin s reigns of terror are far less known because they took place behind a wall of secrecy and survivors have been reluctant to speak about them for fear of retribution This is an encompassing volume presenting an intense display as complete as can be of testimonies gathered between 2001 and 2005 of actors implicated in different aspects of Russian life roughly through the period 1917-1956 They were people who had lived under the Soviet regime in times of peace and in times of war from the Red Terror through the Great Terror One must bear in mind the political and economic conditions in which those lives developed the one Party rule placed above both the government and the citizens the abashment of the division of powers the suppression of private property and private economic initiative the political police and the GULAG Russian Nights offers a wide and detailed perspective of what we call the Russian Century Lenin s takeover the all powerful Party the GULAG and the Second World War

Flint,Dorothy Peters,2015-10-14 This volume is a collection of essays written in honour of Martin G Abegg from a range of contributors with expertise in Second Temple Jewish literature in reflection upon Prof Abegg s work These essays are arranged according to four topics that deal with various aspects of text language and interpretation of the Qumran War Scroll and concepts of war and peace in Second Temple Jewish literature The contents of the volume are divided into the following four main sections 1 The War Scroll 2 War and Peace in the Hebrew Scriptures 3 War and Peace in the Dead Sea Scrolls and 4 War and Peace in early Jewish and Christian texts and interpretation **Postcolonial Life Narratives** Gillian Whitlock,2015-04-02 The Oxford Studies in Postcolonial Literatures series offers stimulating and accessible introductions to definitive topics and key genres and regions within the rapidly diversifying field of postcolonial literary studies in English Postcolonial Life Narrative draws together two dynamic fields of contemporary literature and criticism postcolonialism and life narrative to create a new assemblage postcolonial life narrative Focusing in particular on testimonial narrative from slave narrative in the late eighteenth century to contemporary Anglophone life narrative from Africa Australia the Caribbean Palestine North America and India this study follows texts on the move through adaptation appropriation and remediation For postcolonial subjects life narrative offers extraordinary opportunities to present accounts of social injustice and oppression of violence and social suffering Testimonial narrative can reach across cultures to produce intimate attachments between those who testify and those who bear witness to legacies of apartheid slavery rape warfare genocide and dispossession Thresholds of testimony are subject to change and for some for example refugees and asylum seekers opportunities to engage a witnessing public and inspire campaigns for social justice on their behalf are curtailed these are the ends of testimony The production circulation and reception of testimonial life narrative connects directly to the most fundamental questions of who counts as human what rights follow from this and what makes for grievable life Postcolonial life narrative is a dynamic field of literature and criticism and this book presents a series of proximate readings that outline its distinctive imaginative geographies **The Handbook of Forensic Psychology** Irving B. Weiner,Randy K. Otto,2013-12-16 A revised new edition of one of the top references for

forensic psychologists This top professional and academic reference in forensic psychology is an established presence as both a professional reference and graduate text This Fourth Edition is completely revised and updated for the new and rapidly growing demands of the field to reflect the new tools available to and functions required of present day practitioners The new edition expands coverage of neuropsychological assessment eyewitness testimony ad jury competence and decision making including selection process and authority In addition the new ethics guidelines approved by the American Psychological Association APA are included and interpreted Updated to include reframed content and the introduction of new chapter topics and authors Ideal for professional forensic psychologists and graduate students Written by experts in the field a clinical professor of psychiatry and an associate professor of mental health policy

Official Reports of the Supreme Court United States. Supreme Court,2006 **Psychiatry in Law / Law in Psychiatry, Second Edition** Ralph Slovenko,2009-03-03 Psychiatry in Law Law in Psychiatry 2nd Edition is a sweeping up to date examination of the infiltration of psychiatry into law and the growing intervention of law into psychiatry Unmatched in breadth and coverage and thoroughly updated from the first edition this comprehensive text and reference is an essential resource for psychiatry residents law students and practitioners alike **History, Memory and Nostalgia in Literature and Culture** Regina Rudaitytė,2018-07-27 The advent of the new age has alerted us to the conflicted nature of historical memory which defined the 20th century while simultaneously assaulting us with new historical upheavals that demand responsibility and critical consideration As the historical text bears traces of the writing subject the element of deception is remarkable meaning historical memory easily lends itself to forgery and false and subjective projections As such how do we think about the past about history about memory and how does memory function Is history an objective account a collection of dry reliable facts Is it an imaginative narrative tinged with nostalgia a projection of our wishful thinking the workings of our subjective perceptions and attitudes our states of mind The essays in this volume focus on the relevance of the past to the present and future in terms of the shifting attitudes to personal and collective experiences that have shaped dominant Western critical discourses about history memory and nostalgia The contributors here take issue with the epistemological hermeneutic ethical and aesthetic dimensions of the representational practices through which we revisit and revise the meaning of the past

Political Conversion Don Waisanen,2018-04-20 Stories of religious conversion have been told for millennia Yet many prominent figures such as Ronald Reagan Hillary Clinton and Rick Perry have also used stories of their change from one political worldview to another as a communication strategy aimed at winning the hearts and minds of the public This book is about political conversion stories in public discourse in their evolution from and interactions with religion From a historical perspective it charts the development of conversion narratives from religious contexts to their contemporary applications as specifically political messages Since these narratives continue to be used in the culture wars this book examines several related autobiographies that contributed to the use of this strategy in contemporary U S politics Each case shows how shifts

during the postwar period called for conversion texts under varying guises and illustrates how and why the majority of these stories have been of conversions from the ideological left to the right Examining political conversion as a form of public persuasion Political Conversion ultimately provides insight into what these types of civic religious stories mean for democratic communication and communities
